Report on Entrepreneurial meet cum State Level Seminar on Critical Success Factors

The Department of Business Administration organised an Entrepreneurial Meet cum State Level Seminar on "Critical Success Factors" on 26th February, 2018.

The Guests of Honour for the meet were,

- Dr. Christianna Singh, Principal and Secretary, Lady Doak College
- Mr. R. Muthu, Chairman of V.V.V. & Sons Edible Oil, Virudhunagar
- Mr. K. C. Gurusamy, Managing Director of KAYCEE Plasto Pack, Virudhunagar
- Dr. Rajkumari Jeevagan, Managing Director of Wings and Vaalai Group of Hotels, Madurai.

Women participants from 6 colleges and students from the Department of Business Administration, Department of Commerce and the Department of Economics participated.

The meet started with an inaugural speech by our principal, Dr. Christianna Singh, followed by the success stories of entrepreneurs Mr. R. Muthu, Chairman of V.V.V. & Sons Edible Oil, Virudhunagar and Mr. K. C. Gurusamy, Managing Director of KAYCEE Plasto Pack, Virudhunagar. The inaugural speech by Dr. Christianna Singh set our attitudes straight for the day and left us with inspiring objectives that we must set for ourselves as students. It was then followed by a Panel Discussion where the students were encouraged to raise questions. This gave everyone the space to quench their thirst for knowledge and also proved to be a learning space for everyone. The panel discussion was followed by a motivational speech by Dr. Rajkumari Jeevagan, Managing Director of Wings and Vaalai Group of Hotels, Madurai. Her speech did not just suit the title of an Entrepreneurial meet on Critical Success Factors, but she took it to a much deeper level of how women could succeed as entrepreneurs in our society. She was truly an inspiration as she shared with us the critical success factors not in the inductive sense but from the grassroots. This marked the end of the morning session and we gathered for the afternoon session on paper presentations after the lunch break. A total of 13 papers were presented by the participants and the best paper award was given to the paper titled, "Critical Success Factors: A Case Study on Transgender's Success as an Entrepreneur".
