To

The Head of the Department

Respected Madam

The Research Culture and Promotion Cell (RCPC) is conducting a **Research Forum** on Scientific Journal writing on 25th July 2018.

Guest Speaker: **Dr. Reginald Victor**

Professor, Department of Biology, College of Science, Sultan Qaboos University, Sultanate of Oman.

Title of the Talk: 'Deadly data and murderous manuscripts - Challenges faced by young researchers especially in developing countries'.

Time: **2.30 p.m to 3.30 p.m**

Venue: **Dr. Betty Chinniah Multimedia Theater**

We request you to depute two faculty members (per stream) from your department who has registered for Ph.D. and two final year students from PG who aspire to publish journal articles.

Kindly make it mandatory for your research scholars to attend the forum

Kindly send the name list of the participants from your department by tomorrow 24.07.2018 before 5.00 pm to rdcell@ldc.edu.in.

Thank you

Yours sincerely

Sd...

Dr. S. Pitchumani Angayarkanni

DEPARTMENT OF BIOTECHNOLOGY

Guest lecture on Self Transformation of Biotechnology students"

Resource Person : Dr. Albert Premkumar Visiting Guest Scientist Stockholm University
Stockholm, Sweden.

Date and venue: 1st October, 2018, 11.00 a.m.- 12.00.p.m. (Clapp Hall)

No of students participated – 31(I & IIPG Biotechnology students)

Brief report of the programme - The captivating lecture dealt with the latest advances of high-throughput sequence technologies in research. The resource person also highlighted the importance of molecular information on the several biological processes. The speaker also motivated students to take up research endeavors and also threw light upon the various opportunities available for research abroad. Students found the session to be very useful and informative.

To

The Head of the Department

Dear Madam,

Research Culture Promotion Cell (RCPC) of Lady Doak College, Madurai is organising a one-day workshop on "Mathematics - An Interdisciplinary Approach to Sciences" for young faculty members of all departments (Sciences), who are in the early stage of their research career.

The objective of the workshop is to

- Ø Focus on interaction of mathematics with a broad range of science and technology
- Ø To build new interdisciplinary research communities, promotes mathematical innovation, and engages and transforms the world through mathematics.

In this regard, we request you to depute two interested faculty per stream to attend the Research Forum .

Date: 11.12.2018

Time: 10.00 am to 12.30 pm

Venue : **Dr. Betty Chinnaiyah Multi Media Theatre**

I/113/BTE / WORKSHOP AND LECTURE ON IPR

Report on IPR workshop

Intellectual property protection is critical to fostering innovation. Protection of ideas, is important to individuals to reap the full benefits of their inventions . IPR is also important for the country’s economy and for its growth in areas such as research, innovation and employment. Hence, the Department of Biotechnology organized a program on about IPR on 18th Feb, 2019. In an attempt to create awareness, Guest Speaker: Dr.Mosae Selvakumar, Assistant Professor, Karunya University, Coimbatore gave a lecture on “IPR and its importance”. He also highlighted about the significance of patents and procedures involved in patenting. He also highlighted recent case histories were on the controversies on patents and trade secrets About 50 students and 9 staff members from the department of Biotechnology and Dept of Zoology participated in this program. The speaker enlightened the rules and regulations pertaining to patenting in India. He also explained the process of patenting and the role of WIPO in patenting. The guest speaker also encouraged the students to enroll an online course conducted by WIPO. The students showed interest in enrolling the free online course on Intellectual Property Rights conducted by World Intellectual Property Rights Organization. WIPO has been offering distance learning (DL) courses, covering all aspects of intellectual property (IP), to both professionals and those new to the field. The students enrolled in the course and attended the exam. About 4 of them have passed in the exam. The job opportunities available for the people who completed IPR course were also explained in this workshop. The speaker guided the students to register IPR course through online portal for the various courses on payment basis conducted by World Intellectual Property organization.
