ACADEMIC EXCELLENCE

Institutional Project Proposal on Teaching-Learning-Evaluation framework at Lady Doak College

Project Title:

Collaborative review and enhancement of Teaching-Learning Outcomes: Indicators, Benchmarks, and Innovation Pathways

Introduction

Lady Doak College has embraced Outcome-Based Education (OBE) with a learner-centered and digitally supported teaching-learning model. Yet, ensuring consistency in measurement, faculty preparedness, and innovation sharing across departments continues to be a challenge. To strengthen our academic ecosystem, this project proposes a structured, collaborative approach to review and enhance key teaching-learning indicators. It involves stakeholder consultation, validation of benchmarks, interdepartmental sharing of best practices, and development of a dynamic action plan. This initiative will align the College's academic processes with NEP-2020, NAAC, NIRF, SDGs, and emerging global education standards.

Origin of the Research Problem

Despite having implemented an OBE framework with digital support, Lady Doak College still faces several systemic issues. Benchmark interpretation differs across departments, digital adoption is uneven, and faculty training needs more focus. Student engagement and employability are tracked quantitatively but lack robust qualitative analysis. Departments often work in isolation, reducing opportunities for interdepartmental learning and innovation. This project aims to address these gaps through structured, participatory, and strategic review mechanisms.

Review of Research and Development

The global shift towards learner-centered education has led to institutional reforms across the world. National frameworks such as NEP-2020, NAAC, NIRF, and UGC-IDP call for evidence-based teaching, digital integration, and alignment with Sustainable Development Goals (SDGs). Research shows that collaborative institutional reviews can enhance faculty effectiveness and student learning outcomes. However, very few institutions have implemented scalable and inclusive models. This proposal seeks to bridge this gap in the context of Lady Doak College.

Significance of the Study

The project directly supports Lady Doak College's mission of nurturing competent, ethical, and globally aware women leaders. It will:

- Define and validate academic performance indicators
- Support faculty and student development
- Foster interdepartmental collaboration
- Integrate student and employer feedback
- Ensure alignment with national and international benchmarks

The outcomes will help the College sustain excellence and remain future-ready.

Objectives

- Review and refine teaching-learning indicators and benchmarks
- Validate Programme Outcome (PO), PSO, and CO attainment systems
- Document departmental innovations and best practices
- Facilitate stakeholder discussions
- Recommend improvements to the TLE system
- Align academic strategies with NAAC, NIRF, UGC-IDP, and SDGs
- Promote inclusive and engaging learning for all students

Methodology

- **Consultation:** Focus groups and town hall meetings
- **Benchmark Validation:** Expert review of academic indicators
- **Best Practice Documentation:** Collection from departments
- **Feedback Collection:** Surveys from students and employers
- **Gap Analysis:** Academic audit-based assessments
- **Action Planning:** Data-informed strategy creation
- **Capacity Building:** Workshop and hands-on training
- **Monitoring:** Continuous review and adaptation

Plan of Work and Timeline (August 2025 – July 2026)

Month	Activity	Outcome
Sep 2025	Initial Meeting & orientation	Finalize team roles and tools
Sep 2025	Stakeholder consultation begins	Gather input from departments
Oct 2025	Benchmark and indicator review	Validate CO-PSO-PO tools
Nov 2025	Document best practices	Create interdepartmental toolkit
Dec 2025	Gap analysis and feedback review	Identify key challenges
Jan 2026	Draft Action Plan	First draft of revised benchmarks
Feb 2026	Faculty workshop	Improve pedagogical capacity
Mar 2026	Stakeholder group discussion	Validate recommendations
Apr 2026	Finalize report and toolkit	Ready for implementation
May 2026	Dissemination of findings	Sharing with stakeholders
Jun-Jul 2026	Audit follow-up & wrap-up	Integration into IQAC cycle

Expected Outcomes

- A refined and validated benchmark system
- Repository of teaching-learning best practices
- Enhanced digital integration and faculty capacity
- Data-informed curriculum and assessment planning
- Improved stakeholder engagement and inclusivity
- Institutional alignment with NAAC, NIRF, and SDG frameworks

Challenges

- Limited faculty time
- Varied levels of digital proficiency among faculty and students
- Difficulties in assessing qualitative outcomes
- Resource and infrastructure constraints

These will be addressed through scheduled training, modular tools, and cross-departmental collaboration.

I CURRICULUM ENHANCEMENT

a) CURRICULUM PLANNING AND IMPLEMENTATION

Curriculum Planning

- Proposed **course revisions** in select **Undergraduate (UG)** and **Postgraduate (PG)** programmes and updated **course content** for **Semesters III to VI** of the **B.Sc. Data Science** programmes to be presented in the **forthcoming Board of Studies meeting**
- Upon approval, the curriculum changes will be passed **in the Academic Council meeting**
- Aimed at ensuring **academic relevance**, **industry alignment**, and **compliance with OBE & NEP 2020**
- Proposed to revise the Undergraduate (UG) and Postgraduate (PG) programmes if necessary
- few Departments are requested to frame the NEW Skill Enhancement (NME) courses (Computer Science (Information Technology & Data Science), BBA, Commerce (CS or BI)) and IDM courses (Computer Science (Data Science), Mathematics (Aided & SF), Physics (SF), Botany, Zoology, Biotechnology, Psychology, English, History, Economics & Commerce (Aided))
- Upon approval, the curriculum changes will be passed in the Academic Council meeting
- The Boards of Studies Meeting to be held by all departments between 16.02.2026 and 20.02.2026 and the Academic Council Meeting will be conducted on 26.03.2026.
- Minor course revisions were carried out in the Undergraduate (UG) and Postgraduate (PG) programmes
- Few Departments have passed new Skill Enhancement (NME) courses (Computer Science (Information Technology & Data Science), BBA, Commerce (CS or BI)) and Inter Disciplinary Major (IDM) courses (Computer Science (Data Science), Mathematics (Aided & SF), Physics (SF), Botany, Zoology, Biotechnology, Psychology, English, History, Economics & Commerce (Aided)) in the Board of Studies meeting between 16.02.2026 and 20.02.2026

NON-MAJOR ELECTIVE & INTERDISCIPLINARY COURSES

COURSE CODE	COURSE TITLE
NON-MAJOR ELECTIVE COURSES (FROM 2025 BATCH ONWARDS)	
BADS3221EP	MARKETING ANALYTICS
CSDS3221EP	3D ANIMATION
DSIT4221EP	FUNDAMENTALS OF DATA ANALYSIS AND VISUALIZATION
CRDS4221EP	FINANCIAL ANALYTICS
INTERDISCIPLINARY COURSES (FROM 2024 BATCH ONWARDS)	
ECHI5321DM	HISTORICAL AND ECONOMIC PERSPECTIVE OF LABOUR
ECEN5321DM	LITERATURE AND GLOBAL ECONOMICS
MAPY5321DM	FOUNDATIONS IN MATHEMATICAL PSYCHOLOGY
PYZO5321DM	BRAIN AND BEHAVIOUR
COEN6321DM	BUSINESS ETHICS AND LITERATURE
MAPY6321DM	QUANTITATIVE APPROACHES IN PSYCHOLOGY
BOPY6321DM	ECOPSYCHOLOGY

On approval, the curriculum changes will be passed in the Academic Council meeting on 26.03.2026

CO & PSO attainments

The CO & PSO attainments will be computed with the Formative Continuous Assessments and Summative Examination for the following batches

Batch	UG	PG
2025	Sem. I & II	Sem. I & II
2024	Sem. III & IV	Sem. III & IV
2023	Sem. V & VI	-

The **Odd semester** attainment will be computed **during January 2026,** and the **Even semester** attainment will be computed **during May 2026.**

a) INSTITUTIONAL PROJECT - TEACHING-LEARNING-EVALUATION FRAMEWORK AT LADY DOAK COLLEGE

Collaborative Review and Enhancement of Teaching–Learning Outcomes: Indicators, Benchmarks, and Innovation Pathways

PHASE I:

To simplify and unify TLE processes through automation into a single platform

Key Actions:

- Automate the Course syllabus, faculty workplans and integrate them with the workload
- Digitally link the Academic Council Booklet with faculty workplans
- Fuse teaching plans with assessment methods for seamless monitoring
- Connect the CA (Continuous Assessment) mark entry with the assessment methodology
- Map CA marks to PSO–CO attainment for accuracy and transparency

Outcome:

A unified digital workflow enabling consistency, efficiency, easy retrieval and reduced manual effort.

Phase I of the project, focusing on integration and automation of the Teaching–Learning–Evaluation (TLE) process, has been completed. Faculty work plans, course syllabus, teaching plans, and assessment methods were digitally integrated to create a unified workflow. Continuous Assessment (CA) mark entry was linked with assessment methodology and mapped with PSO–CO attainment. Updates were made in the module based on faculty feedback, including revised dropdown options, work plan ordering by date, and system modifications for pedagogical approaches and assessment methods. A practical demonstration was also conducted for faculty to facilitate smooth implementation. All the faculty has completed the process, making data retrieval at all levels possible.

The project has now entered Phase II, which will involve analysis of outcome attainment and review and can be validated by an external member.

b) **CURRICULUM PLANNING AND IMPLEMENTATION**

ONLINE COURSE INTEGRATION

In alignment with the CPEC Recommendations (17/05/2022), Lady Doak College has institutionalized a multi-tier online course framework. This initiative bridges pedagogical tradition with digital innovation, ensuring academic rigour through Board of Studies (BoS) validation and external expert validation.

DEPARTMENTAL COURSE MATRIX

Five departments have successfully launched specialized Short term online courses designed for high-impact, flexible learning:

Department	Course Title	Level
Economics	1. Game Theory in Operations Research 2. Data Visualization for Research	Short-term
BBA	Logistics Management	Short-term
Chemistry	Online Tools for Construction of Molecules	Short-term
Computer Science	Responsible Artificial Intelligence	Short-term
Mathematics	Introduction to Cryptography	Short-term

INSTRUCTIONAL DESIGN (FOUR-QUADRANT APPROACH)

- To maintain international e-learning standards, all courses adhere to a balanced 4-quadrant delivery model:
- Content: Video lectures (max. 30 mins) and comprehensive reading materials
- Engagement: Synchronous/asynchronous interactions via discussion forums
- Application: Real-world tasks requiring learners to apply theoretical content

Balance: Video-based learning is capped at 70% of total course hours to prioritize active participation

QUALITY ASSURANCE

The college maintains high academic standards through a structured assessment pattern:

- Duration: Courses range from Short-term (2-8 hrs) and Certificate (12-15 hrs) to Diploma (32-45 hrs)
- Assessment: A continuous evaluation model is followed. For the final grade, the best 70% of total assignment scores are considered
- Certification: A passing minimum of 40% is required. Certificates are generated automatically upon successful completion of all modules and tasks

II QUALITY SUSTAINABILITY

a. NATIONAL LEVEL RANKING AND OTHER QUALITY MEASURES

- **AISHE Survey 2024 – 25**
  For the AISHE Survey 2024–25, mails were sent to various offices for data submission, and the process of data collection is currently underway.

- **IQAC Internal Meeting (08.08.2025)**
  The IQAC Internal Meeting was held on 08.08.2025 in Clapp Hall to review the action plans of various centres and to finalise quality initiatives for the academic year 2025–2026. Suggestions related to the conduct of workshops, special programmes and MOUs planned by the centres were given in the meeting and were well taken by the respective centre Heads. Following the

discussions, centres were instructed to revise and resubmit their academic plans in the prescribed format as suggested.

Road Map Implementation
All departments were guided to complete pending activities from the 2024–25 Road Map and initiate planned activities for the academic year 2025–26.

- **Work Plans and Assessment Planner**
  Faculty members were directed to upload the Odd Semester Work Plans, including course content, Entry Behaviour Tests, and the corresponding analysis. In addition, departments were required to prepare their Assessment Planners to facilitate the systematic and well-coordinated conduct of course assessments.

- **Quality Circle orientation (AY 2025–26)**
  For the academic year 2025–26, IQAC activated the Quality Circle, with departments nominating student volunteers. An orientation session was conducted on 31.07.2025, followed by the formal launch of activities on 01.08.2025. On the same day, the student volunteers, together with the DSA and Eco-Initiative representatives, attended a briefing to chart out the action plan.

- **AQAR Preparation (2024–25)**
  Two preliminary meetings were conducted 30.06.2025 to discuss the retrievable data from the Documentation Centre for AQAR 2024–25 and to plan further actions. Feedback from the convenors of the various criteria were discussed and suggestions were noted.

b. NATIONAL LEVEL RANKING AND OTHER QUALITY MEASURES

- **NIRF Ranking*:***

  As an initiative to enhance the college's NIRF ranking, the IQAC shared a set of recommendations with the departments and have guided them to discuss strategies for implementing these recommendations, along with a corresponding timeline, during their departmental meeting. The departments were further asked to send the report of the measures taken to the IQAC.

  As part of the efforts to enhance the perception and visibility of our college, all faculty members, NTS and students were encouraged to follow/subscribe to the official College accounts on social media

platforms such as LinkedIn, Facebook, Twitter (X), Instagram, and YouTube.

Departments were also requested to share all their events with the Centre for Communication and Multimedia (CCM) team, so that these can be featured on the official platforms for enhanced visibility.

- **AISHE (All India Survey on Higher Education):**

  The AISHE data for the survey year 2024-2025 was successfully submitted on 13th November 2025. This submission contributes to the national database on higher education statistics and aids in policy formulation.

- **Academic Audit**

  The IQAC has taken certain preliminary measures for the conduct of Academic Audit for the year 2024-2025. An audit template was prepared and shared with the departments along with the guidelines for the preparation of the PPT. They were asked to prepare a comprehensive Self Study Report (SSR) of their department for the assessment year 2024–2025, incorporating their AQAR data. Guidelines were provided to them to prepare a PowerPoint Presentation highlighting the department's key achievements, best practices, and quality initiatives during the assessment year. Departments were requested to ensure accuracy, consistency, and completeness of data pertaining to the assessment year.

- **Feedback:**

  The course wise feedback collected from the faculty and students for the odd semester 2025-2026 have been made open in the HoD's portal for further analysis.

- **Audit Compliance of course files:**

  The departments were asked to conduct the internal audit of their course files for the odd semester 2025-2026 and the audit compliance certificates were received from all the departments.

b. TRAINING WORKSHOP FOR QUALITY ENHANCEMENT

- **Two-Week Joint Faculty Development Programme on AI for Teaching and Learning (18–29 August 2025)**

b. Centre for Human Resource Development

- New Faculty Workshop on 'Being an Effective Teacher' was organised on 19th & 20th June 2025 from 9.30 a.m. - 4.00 p.m. for 51 newly recruited teaching faculty. The Resource Persons were
    - Dr. Beulah Jeyashree, Principal
    - Dr. Nimma Elizabeth, Vice Principal
    - Dr. Helen Mary Jacqueline M, Dean of Academic Affairs - Humanities
    - Dr. Priscilla, Dean of Academic Affairs - Sciences
    - Dr. Mercy Packiam, COE
    - Dr. Suja, CPEC Convenor
    - Dr. Devi Priya, CPEC Convenor
    - Dr. Padmaja, CIT Coordinator
    - Ms. Sangeetha, CIT Coordinator
    - Dr. Siva Priya, CCM Coordinator

- Ms. Kajal, CCM Coordinator
- Dr. Karthikeyan, Principal Vivekanada College, Thiruvedagam

- Online Workshop on "AI Tools for Teaching & Research" was organised on 21st June 2025 for all teaching faculty. The Resource Person was

  Dr. R. Vijay Solomon,
  Assistant Professor of Chemistry &
  Associate Dean for Research & Development,
  Madras Christian College (Autonomous), Chennai.

- Workshop on 'Whole Person Development' for junior faculty members (54) was organised on 4th July 2025 from 12 Noon - 2.00 p.m. The Resource Persons were
  - Dr. Esther Elizabeth Grace, Assistant Professor, Dept of Physics
  - Dr. Nissi Karunya, Assistant Professor, Dept of English
  - Dr. Rani Rosline, Assistant Professor, Dept of Chemistry
- Formulating Job Descriptions, Job Specifications, and Performance Appraisals for the Non-Teaching Staff is an ongoing process, done as and when required, in consultation with the Vice-Principal.
- Liaison with HR for NTS Management Recruitment
- Preparation and maintenance of Service Registers for Management Staff

- Workshop on "Assessment Methods" was organized on 19 th September 2025 from 10 a.m. to 12 noon (SF Faculty) and 2 p.m. to 4 p.m. (Aided Faculty) for faculty members with less than 5 years of teaching experience. 69 faculty members across the different departments participated in the workshop. The resource person was Dr. R.S. Kumar, Professor & Controller of Examinations, Annamalai University, Chidambaram.
  - Formulating Job Descriptions, Job Specifications, Performance Appraisals for the Non-Teaching Staff is an ongoing process, done as and when required, in consultation with the Vice-Principal.
    - No. of JD &JS - 3
    - No. of Performance Appraisals - 7
  - Coordinated with the HR for the smooth organization and effective management of the recruitment process of non-teaching staff conducted on 6th November 2025.
  - Collaborated with IQAC to discuss the implementation of the 360-degree feedback system. Review meetings with the IQAC convenors were held on 2nd and 8th September 2025 in which the draft feedback structure was examined. Subsequently, a set of questions was reviewed on 20th November 2025.

c. Faculty Achievement

Department of Biotechnology

- ***Dr. S. Anitta, Mrs. A. S. Merlyn Diana, Dr. P. Saranya, and Ms. L. Lavanya*** attended the New Faculty Orientation Programme ***"Being an Effective Teacher"*** on 19th–20th June 2025.
- ***Dr. P. Abirami attended the online workshop on Metabolomics Data Analysis organized by Rajiv Gandhi Centre for Biotechnology, Trivandrum on 4th July, 2025***
- ***Dr. P. Suguna*** served as a **resource person** in a **two-day workshop on *"Tools and Techniques in Bioinformatics"*** organized by Nadar Saraswathi College of Arts and Science, Theni, on 24th–25th July 2025.
- ***Mrs. A. S. Merlyn Diana*** presented a **paper** titled ***"Exploring the Osteoprotective Potential of Pisonia grandis: An Integrated Phytochemical and Network Pharmacology Based Approach"*** in the ***International Conference on Innovations in Biomolecular Sciences*** organized by Department of Zoology, Lady Doak College from 5th–9th August 2025.
- ***Ms. L. Lavanya*** presented a paper on ***"Harnessing Bioactives from Endophytic Fungi of Medicinal Plants for Therapeutic Application"*** in the ***International Conference on Innovations in Biomolecular Sciences*** organized by Department of Zoology, Lady Doak College from 5th–9th August 2025.
- ***Ms. P. Saranya*** was awarded the Doctor of Philosophy (Ph.D.) degree in Biotechnology on 18th August 2025 for her thesis titled ***"Characterization of Adult Human Lens Epithelial Stem Cells in the Maintenance of Tissue Homeostasis and Their Functional Status in Cataractous Lens."***
- ***Dr. P. Suguna*** was invited as a **resource person** in the **Skill Enhancement Programme** ***"Drug Discovery in the Digital Age"*** at The Madura College, Madurai, on 25th August 2025.
- Dr.J.Ananthi, Dr.S.Kalaivani Priyadarshini, Dr.R.Christynal Oliviya, Dr.P.Abirami, Dr.S.Lakshmi Subha, Dr.P.Suguna, Dr.S.Nancy Catherine, Mrs.A.S.Merlyn Diana, Dr.P.Saranya, and Dr.S.Anitta Assistant professor(s) Department of Biotechnology LDC, has participated in

different capacities as Organizing secretary, conveners, Members of various committee in the International Academia-Industry-Innovation conclave-**AIIC 2025 organized by the Departments of Physical, Chemical and Biological Sciences from 27th -29th November 2025.**

- Dr. S. Lakshmi Subha was the Trainer for teacher professional development programme on 18th September 22nd September and 25th September in Madurai conducted by State Council of Educational Research and Training Chennai.
- *Dr*. J. Ananthi has participated in the online webinar conducted by Anchrom Enterprises (1) Private Limited on 22nd November 2025 on the topic "Checking cough syrup poisoning -HPTLC Method for detecting and quantifying DEG & cough syrup samples**".**
- Dr.K. Bhavani, Instructor, has participated in Eppendorf webinar on A Reliable Sample preparation: Precision Mixing Meet Temperature Excellence on 11th September 2025.
- Dr.K.Bhavani an Instructor, has participated in Eppendorf Virtual Webinar titled gForce 360- Enhance Centrifuge Maintenance on 14th October 2025.

Department of Biotechnology

A **School Outreach Programme** titled ***"Experiential Inquiry in Biology"*** was conducted on **08th January 2026** under the theme ***"Popularization of Science among School Children."*** The programme was organized at BCMMT–I and the Biotechnology Laboratory for **61 students of XII Standard** from Appar Higher Secondary School, Karuppayurani, Madurai by the volunteer from IIIUG & PG Biotechnology. The initiative provided hands-on exposure to biological experiments and received positive feedback from the participants.

.

The Department conducted a **Workshop on Animal Cell Culture Techniques** from **29th – 31st January 2026**. The workshop included expert lectures and hands-on training sessions. **Twenty-four participants**, including faculty members, research scholars, and postgraduate students from various institutions, benefited from the programme. As an outcome of the MoU signed recently between the College a faculty from Rev. Jacob Memorial College Ambilikkai participated and benefitted from the workshop

The Department organized a **Student Training Programme** for **III UG and II PG Biotechnology students** on **3rd & 4th February 2026** in collaboration with the **Career Guidance and Placement Cell**. The sessions were conducted by

TerV-Pro, Chennai. Resource persons were Mr. Arun Prakash and Ms. Evangelin, guided the students on **career opportunities in biotechnology across government and private sectors**.

A **Guest Lecture and Hands-on Training** on "*Excel for Biostatistical Analysis: From Data to Inference*" was organized on **9th February 2026 for the II PG biotechnology students.** The resource person, Dr. C. Binu Ramesh, provided training on **hypothesis testing, descriptive statistics, t-test, ANOVA, correlation, regression using MS-Excel, and an introduction to R programming**. **Seventeen postgraduate students** got trained.

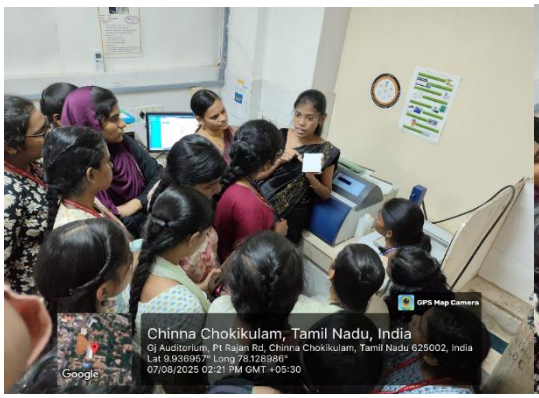

The Department of Biotechnology organized **BIOVERSE'25**, a State-level Intercollegiate Meet on the theme "*Revolutionizing Life Sciences through Artificial Intelligence*" on **17th December 2025**. The programme concluded with a valedictory address by Dr. Dheep, Madurai. A total of **141 students from seven different Colleges** participated in various academic and cultural events. The **Overall Trophy** was awarded to the Department of Microbiology, Thiagarajar College, Madurai

Department of Botany

1. **Ms. R. Judith Gloriah**, Assistant Professor of Botany participated in the International Conference organised by Department of Zoology, Lady Doak College on 'International conference on Innovation in Biomolecular Sciences: Integrating Technology and Discovery from 05.08.2025 to 09.08.2025"

2. On August 07, 2025, the II UG Chemistry students had the opportunity to engage in a High-Performance Thin Layer Chromatography (HPTLC) demonstration as part of their Value-Added Course by **Ms. R. Judith Gloriah**, Assistant Professor of Botany, Lady Doak College. This immersive session not only sharpened the students' analytical skills but also gave them a glimpse into the role of cutting-edge instrumentation in modern chemical and phytochemical research, inspiring them to approach future studies with enhanced scientific curiosity and competence. Flower extracts were analyzed for bioactive compounds such as catechol, and results were validated against standard reference compounds, bridging theoretical knowledge with hands-on experience. Through a live demonstration, they observed the complete workflow — from meticulous sample preparation and precise plate development to densitometric analysis. Using the state-of-the-art DST-FIST

sponsored HPTLC system, students were introduced to the scientific principles and real-world applications of this advanced analytical tool.

3. Dr. P. Sakthieaswari, Assistant Professor, participated in the International Conference on Emerging Frontiers and Innovation in Biotechnology held on 13th August 2025. The event was organized by the Department of Biotechnology, The American College (Satellite Campus), in association with the Microbiologists Society of India (MBSI).

4. **Dr. H. Shyla Jebashree and Dr. N. Reena Navaroja**, Assistant Professors, participated in the IPR Orientation Programme organized by the CED-IPR Cell on 11th August 2025.
5. **Dr. G. Priscilla Sweetlin, Ms. G. Janet Jeeva Anandhi, Dr. M. Packia Lincy, Dr. D. Joy Marjorie Annal, Dr. H. Shyla Jebashree and Dr. N. Reena Navaroja**, Assistant Professors, participated in the Two-Week Joint Faculty Development Programme on *"AI for Teaching and Learning"* held from 18–29 August 2025.

6. **Dr. G. Priscilla Sweetlin,** Assistant Professor & Head, participated in the online quiz organized by the Indian Biodiversity Conservation Society on the occasion of International Vulture Awareness Day on 6th September 2025.
7. **Dr. G. Priscilla Sweetlin,** Assistant Professor & Head, participated in the online series "The Art of Proposal Writing" organized by MCC Research Colloquium from 22nd September 2025 to 26th September 2025.
8. **Dr. P. Sakthieaswari**, Assistant Professor, appointed as an external examiner for the Botany practical examinations at Thiagarajar College, Madurai, on 8th October 2025.
9. **Dr. G. Priscilla Sweetlin, Mrs. G. Janet Jeeva Anandhi, Dr. P. Sakthieaswari, Ms. Judith Gloriah R.** Assistant Professors, participated in the Virtual International Faculty Development Programme (FDP) on "Research Paper Drafting and Refinement: From Idea to Publication" organized by The Department of Corporate Secretaryship, ST. Joseph's College (Arts & Science), Kovur, Chennai form 10th November to 14th November 2025.
10. **Dr. G. Priscilla Sweetlin,** Assistant Professor & Head, served as Resource Person to the BT Assistants DIET Training Programme for Teachers held at Pillar Institute, Madurai, on 13th November 2025.

3. **Dr. G. Priscilla Sweetlin,** Assistant Professors, participated in the online quiz organized by the Indian Biodiversity Conservation Society, India and World Pheasant Association United Kingdom on the occasion of World Peacock Day on 15th November 2025.
4. **Dr. G. Priscilla Sweetlin , Mrs. G. Janet Jeeva Anandhi, Dr. Packia Licny M., Dr. Joy Marjorie Annal D., Dr. Reena Navaroja D., Dr. Shyla Jebashree H., Dr. P. Sakthieaswari, Ms. Judith Gloriah R. and Dr. N. Dhurigai**, Assistant Professors, participated in the International Academia-Industry-Innovation conclave-AIIC 2025 (Science Driven- Industry Powered- Future Focused) organized by Departments Of Physical, Chemical and Biological Sciences (Physics, Chemistry, Botany, Zoology and Biotechnology, Lady Doak College, Madurai held from 27th November to 29th November 2025.

5. Kiruba J, **Priscilla Sweetlin G.** presented a paper titled " Effect of Various Biofertilizers On The Growth Parameters Of Few Selected Pulses " at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27th November to 29th November 2025.
6. Esther Elizabeth Grace C, Briget Mary M, **Sakthieaswari P**, Srisudha S. and Seetharaman Vaidyanathan presented a paper titled "Nutrient-Driven Pigment Modulation in Pseudomuriella sp. analyzed by FTIR and Raman Spectroscopy for Bio-Solar Cell Applications"at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27th November to 29th November 2025.
7. Sweatha Pugalenthi & **Judith Gloriah Rajasekar** presented a paper titled "Molecular and Biochemical Characterization of Lignin Degrading Bacteria from Compost and Industrial Effluents" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27th November to 29th November 2025.
8. Aarthy Kannan, **Sakthieaswari P & Srisudha S** presented a paper titled "Green route for the synthesis of Iron oxide Nanoparticles from Turbinaria ornata collected from Mandapam Coast, Tamil Nadu, India" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27th November to 29th November 2025.

Department of Botany

Orchid Endowment Lecture Report

The Department of Botany, Lady Doak College, Madurai, organized the Online Orchid Endowment Lecture on 27 January 2026 from 2.00 PM to 4.00 PM at BCMMT. The programme aimed to enhance students' knowledge in plant systematics and provide exposure to global career opportunities. **Session I:** by Dr. Senthilkumar Umapathy, Madras Christian College, focused on molecular phylogenetics in plant systematics. **Session II**: by Mr. Sanjay Elangovan, General Motors, USA, highlighted global career development and entrepreneurship. The programme witnessed enthusiastic participation from students, research scholars, and faculty members and concluded successfully.

The Department of Botany, Lady Doak College, organized a one-day *Workshop on Bioinformatics Tools* for 45 undergraduate and postgraduate students to enhance their modern research skills. The programme was organized by Dr. Joy Marjorie Annal D., Assistant Professor of Botany. The session began with a prayer by Dr. Priscilla Sweetlin, Head of the Department, followed by the introduction of resource persons. Dr. N. Janakiraman (Madura College) and Dr. J. C. Walter Devaa (Madurai Kamaraj University) conducted hands-on training on sequence analysis and data retrieval. Students also learned to submit nucleotide sequences to NCBI, gaining valuable practical exposure in bioinformatics.

The Department of Botany and Research Centre and the Research and Development Cell, Lady Doak College, jointly organized a Faculty Development Programme on **"Research Grant Proposal Writing"** on **24th February 2026 at 2:00 PM in CH37**. The session was led by **Dr. J. Rajendhran**, Associate Professor, Department of Genetics, School of Biological Sciences, Madurai Kamaraj University. He delivered an informative talk on key aspects of research proposal preparation, including problem identification, objective framing, methodology, and budgeting. The programme, coordinated by **Dr. P. Sakthieaswari**, was interactive and highly beneficial. Overall, the FDP successfully enhanced the research skills and motivation of faculty members.

Department of Business Administration

- Ms. Kajal J Mehta, Department of Business Administration, Participated the Faculty Development Programme on "Beyond the Numbers The Evolving Power of Quantitative Research" organized by Thiagarajar Schoool of Management, Madurai on 26.06.2025
- All the faculty members participated in the Online Workshop on "AI Tools for Teaching and Research" organised by the CHRD on 21.06. 2025

Faculty Consultancy

- Dr. K. Vijayalakshmi K, Associate Professor, Department of Business Administration collaborated with JK Fenner (India) Ltd and conducted a community-based study from February 2025 to October 2025 on the topic "Community awareness and engagement of CSR activities of JK Fenner" among the nearby village residents and submitted a detailed report with suggestions to improve the method of creating awareness of their CSR

activities to the public. The suggestions were given to the administrative team of the company.

- Kajal J. Mehta, Associate Professor, Department of Business Administration, collaborated with JK Fenner (India) Ltd. And conducted from February 2025 to October 2025 an employee studies on the impact of organisational measures on job satisfaction, with a focus on the mediating role of employee well-being. The findings were presented to the company's administrative team.

- **Paper presentation and publication**
- Dr. Anbu Selvi S presented and published a paper titled ***"Fearless Restart: Overcoming Bravery Bias in Post-Failure Entrepreneurship"*** at the International Conference on Behavioural Economics: Redefining Economic Approach, — Emerging Insights Beyond Unbounded Rationality, organized by the Research Centre and Department of Economics, Lady Doak College in collaboration with the Agapuram Policy Research Centre, Erode, on 11th and 12th September 2025.
- Dr. Anbu Selvi S published a paper titled ***"Entrepreneurial Bias and Resilience: Building Sustainable Startups"*** in the online publication of the Agapuram Policy Research Centre, Erode, on 29th September 2025.
- Dr. Anbu Selvi S & Dr. Beulah Mabel S of Business Administration presented a paper titled ***"Harnessing Elder Wisdom for SDG Implementation: Insights from Indian Communities"*** at the National Conference on "Navigating India's Ageing Population: A Roadmap for Viksit Bharat 2047", organized by Department of Applied Research, School of Health Science and Rural Development, Gandhigram Rural Institute in collaboration with the Heritage Foundation, Hyderabad, and the Department of Social Sciences, Lady Doak College, Madurai, on 15th October 2025.

Department of Business Administration

The Department of Business Administration through the Vrithik Club successfully organised STRATESSA'26 an Inter Departmental Meet on 09.01.2026. The event was designed to foster business knowledge, analytical thinking, and competitive skills among students, while also encouraging Inter Departmental interaction and experiential learning. STRATESSA'26 was structured into four competitive levels for Brainiac Battle (Business Quiz, Biz Busters (Business Puzzle), Market Mavericks (Ad Zap) and Trade Titans

(Stock Market Simulation). A totally 44 students from various department actively participated in the event.

The Department organised an Inter Departmental Competition on Business Proposal in observance of "Global Change Management Day" on 11.02.2026 at the JX Miller Auditorium. The programme was organized by the Vrithik Club with the objectives of fostering innovation, sustainability awareness and entrepreneurial thinking among the students. The event provided a dynamic platform for students from various departments to present creative and sustainable business proposals.

Department of Chemistry

i) Faculty as Resource Person:

a. **Dr. V. Sridevi** delivered an online lecture in the **Summer Online Internship Program designed for M.Sc. Chemistry students**, aimed at enhancing their academic and research exposure, organised by The Academy of Sciences, Chennai on June 3, 2025.

b. **Dr. V. Sridevi – External Expert, Ph. D. Viva-Voce Examination** for the Research Scholar Ms. Nithya K held at P.G. Research School of Chemistry, Madurai Kamaraj University, Madurai on **08.07.2025.**

c. **Dr. S. Julie Ranee** and **Dr. G. Jayanthi Kalaivani** delivered a lecture titled "Service-Learning with SDG Themes at Lady Doak – An Overview" as part of the International Service-Learning Programme at Lady Doak College, addressing 11 international participants from the International Christian University, Japan on 21.07.2025.

d. **Dr. G. Jayanthi Kalaivani** served as a resource person for the Two – Day Intensive Workshop on "Community Engagement for Sustainable Living" held on 1st and 2nd of August, 2025, organized by Women's Christian College, Chennai, as a part of the United Board-Funded Integrated Scholarship Project "Building a Better Future: An Integrated Approach to Empower Women Living in Chennai Slums" at Bethel Agricultural Fellowship, Salem.

e. **Dr. S. K. Suja** served as a Resource Person and delivered a lecture in the Faculty Development Programme on 'Outcome Based Education-A Framework for Quality Education ' on 03.09.2025 organized by Government Arts College for Women, Nilakkottai.

f. **Dr. M. Anusha Rani** served as a Resource Person and delivered a lecture in the capacity building workshop for the III UG LiFE Students'

Team Leaders on **"Methods in Community-based Participatory Research"** on 17.09.2025, organised by Centre for Life Frontier Engagement, Lady Doak College, Madurai.

g. **Dr. V. Sridevi** has delivered a guest lecture on Electrochemistry and Problem-solving approach in the CSIR-NET/GATE/JAM special drive programme organized by the PG and Research Department of Chemistry, Thiagarajar College, Madurai on 29.09.2025

h. **Dr. V. Sridevi** has delivered a guest lecture on Electrochemistry and Problem-solving approach in the CSIR-NET/GATE/JAM special drive programme organized by the PG and Research Department of Chemistry, Thiagarajar College, Madurai on 29.09.2025

i. **Dr. V. Sridevi** has delivered two insightful sessions in the Workshop on "Designing Effective Assessments: Question Paper Setting Using Bloom's Taxonomy for Outcome-Based Education" held on l8th October 2025 at Bhavan's Vivekananda College of Science, Humanities and Commerce, Sainikpuri, Secunderabad.

j. **Dr. V. Sridevi** appointed by the Alagappa University as the university nominee for the Board of Studies in Chemistry, Thassim Beevi Abdul Kader College for Women, Kilakarai, Ramanathapuram District for a period of three years form the Academic year 2025-2026 to 2027-2028. Attended the BoS meeting on 7.11.2025.

ii) Paper Presentation in International Conference:

a) Dr. P. Silviya Reeta has presented the paper titled by offline mode **A Ph-Responsive Tetra Carboxy Porphyrin As A Dual-Mode Colourimetric and Fluorescent Sensor For Mercury (II) Ions** in the International Conference on Chemistry Innovation: Current Developments, Challenges and Future Perspectives (ICCI – 25) jointly organized by the PG and Research Departments of Chemistry on 15th and 16th September 2025, held in Bishop Heber College (Autonomous) and St. Joseph's College (Autonomous), Tiruchirappalli.

Commemoration of National Science Day & Prof. Evelyn Rhine Endowment Lecture

The Department of Chemistry, commemorated National Science Day 2026 on 23rd February 2026, aligning with the theme *"Women in Science: Catalysing Viksit Bharat."* The event also featured the Prof. Evelyn Rhine Endowment Lecture in honour of the pioneering former Head of the Department.

Resource Person

Dr. A. Gomathi, Alumna (1999 Batch), Assistant Professor of Chemistry, Mahindra University

She delivered the Endowment Lecture on "Engineering Nanomaterials for a Sustainable Future: Advancing Water Splitting for Hydrogen Production."

Highlights

- Introductory address by Dr. R. Beulah Jeyashree, Principal Secretary, Lady Doak College.
- Tribute video commemorating Prof. Evelyn Rhine (1950–1980), former Head of the Department of Chemistry.
- Reflections and reminiscences shared by Dr. Geetha Sivasubramanian (Former Head of Chemistry) and Mrs. Lydia Jeyanthy Jeyaveerasingam (Alumna, 1963 Batch).
- Insightful lecture by Dr. A. Gomathi on:
    - Advances in electrochemical water splitting.
    - Challenges in the Oxygen Evolution Reaction (OER).
    - Engineering layered hydroxide nanomaterials for enhanced catalyst efficiency.
    - Sustainable and cost-effective hydrogen production technologies.

Beneficiaries

- 152 Undergraduate and postgraduate students of Chemistry
- Research scholars (4) and faculty members (11)

Outcome

- Enhanced awareness of the role of women in scientific advancement.
- Exposure to cutting-edge research in nanomaterials and sustainable hydrogen energy.
- Inspiration drawn from the visionary contributions of Prof. Evelyn Rhine.
- Strengthened academic and alumni engagement within the department.

The programme successfully celebrated scientific excellence while honouring the rich legacy and enduring contributions of Prof. Evelyn Rhine to the Department of Chemistry.

- Skill Enhancement:
    - Special Coaching Programme for IIT-JAM Aspirants

    The Amalchem Club of the Department of Chemistry organized a Special Coaching Programme for IIT-JAM aspirants on 4th, 9th, and 11th February

2026 to enhance conceptual clarity and competitive exam readiness among undergraduate Chemistry students. The internal faculty members acted as the resource persons.

- Sessions Conducted
  - 4th February 2026: Dr. V. Sridevi, Head and Associate Professor, handled Thermodynamics and Electrochemistry, focusing on core concepts and problem-solving strategies.
  - 9th February 2026: Dr. S. Julie Ranee, Assistant Professor, conducted a session on Organic Name Reactions, emphasizing reaction mechanisms and exam-oriented preparation.
  - 11th February 2026: Dr. S. K. Suja, Associate Professor, delivered a session on Stereochemistry, covering configurational analysis and structured problem-solving techniques.

o Beneficiaries

Undergraduate Chemistry students (6) aspiring to appear for IIT-JAM benefited from the programme by gaining deeper subject knowledge and strategic exam preparation guidance.

o Outcome

The programme strengthened students' analytical skills and conceptual understanding, enabling them to approach competitive examinations with greater confidence. It reflected the Department's commitment to academic enrichment and student progression.

· Hands on Training Programme:

The Department of Chemistry offers an elective course Textile Chemical Processing to the II PG students. 21 students from various disciplines such as Biotechnology (1), Chemistry (8), Botany (2), Commerce (5), Physics (2) and Psychology (3) registered under the course were the beneficiaries of this programme. The training included a field visit and was organized on 10.02.2026 accompanied by the course teachers, Dr. S. Mahalakshmi and Dr. D. Rani Rosaline. The training was offered by the Textile Unit of Gandhigram Rural Institute, Dindigul, wherein the students have undergone a hands-on-training program on eco-printing as well as indigo and madder dyeing techniques. The program emphasized traditional dyeing practices using natural dyes, while encouraging the reduction of synthetic dye usage, a focus that aligns with recent trends in the textile and fashion industries, where sustainability and eco-friendly

production are gaining momentum. The visit was highly informative and beneficial, as it provided valuable practical exposure beyond classroom learning.

Venue: Textile Unit, Gandhigram Rural Institute, Dindigul

Activities Conducted

- Demonstrations of natural dyeing methods:
  - Eco printing
  - Indigo dyeing
  - Madder dyeing
- Hands-on training sessions for students in sustainable and eco-friendly textile processing techniques.

Outcomes

- Students gained practical exposure to natural dyeing methods.
- Enhanced understanding of sustainable textile practices beyond classroom learning.
- The visit was informative and beneficial, bridging theory with real-world application.

Department of Commerce

1. Dr. J. Akila Mary and Ms. S. Sharon Assistant Professor, Department of Commerce, Lady Doak College, Madurai presented the paper titled "*Effectiveness of AI Tools among College Teachers*" in a two-day International Conference on 'AI driven Strategies for Sustainable Business Excellence" on 21st and 22nd August 2025.
2. Ms. Hemavathy M., Ms. Kousalya M., and Dr. Barani Rani B Assistant Professor, Department of Commerce, Lady Doak College, Madurai presented the paper titled "*Industries' Generative AI Adoption: A Functional And Comparative Analysis*" in a two-day International Conference on 'AI driven Strategies for Sustainable Business Excellence" on 21st and 22nd August 2025.
3. Dr. S. Shankari, Ms. M. Priyadharshini and Dr. S. Amutha Associate Professor, Department of Commerce, Lady Doak College, Madurai presented the paper titled "*AI-Enabled Cyber-Conscious Culture: Empowering the Human Firewall for Sustainable Business Excellence*" in a two-day International Conference on 'AI driven Strategies for Sustainable Business Excellence" on 21st and 22nd August 2025.
4. Ms. Deepa R and Ms. Satyavani S Assistant Professor, Department of Commerce, Lady Doak College, Madurai presented the paper titled "*Assessing*

the Impact of Artificial Intelligence Adoption on Customer Satisfaction in the Indian Banking Sector" in a two-day International Conference on 'AI driven Strategies for Sustainable Business Excellence" on 21st and 22nd August 2025.

5. Dr. Shankari S. presented a paper entitled "An Investigate study on the Challenges in Taxing Digital Assets in India" at the International Conference on Global Business Resilience: Strategies for Navigating Uncertainty and Digital Transformation from 23.07.2025 to 25.07.2025 at Christ (Deemed to be University), Bengaluru.
6. Mrs. Gajalakshmi P. presented a paper entitled "Exploring Economic, Social, Environmental and Governance Factors Influencing FPO Sustainability" at the International Conference on Global Business Resilience: Strategies for Navigating Uncertainty and Digital Transformation from 23.07.2025 to 25.07.2025 at Christ (Deemed to be University), Bengaluru.
7. Dr. Vanitha C. cleared the ACS executive module 2 conducted by Institute of Company Secretaries of India (ICSI), in the month of August 2025

Faculty Participation:

1. Dr. Shankari S. attended the Board of Studies meeting held at RL Institute of Management Studies, Madurai on 14.10.2025

2. Dr. Saral Rajamani C. attended the Scrutiny Committee meeting at Nadar Saraswathi College of Arts & Science, Theni on 24.10.2525

Rules, regulations, and college functions were explained, and a guided campus tour wrapped up the day. The programme fostered a positive and engaging atmosphere, receiving excellent feedback for its organization and content.
2. The Department of Computer Science organized the I UG Orientation Programme on 3rd July 2025 at JXM Auditorium. The event began with a prayer song, followed by a welcome address and a keynote address by Dr. N. Jayachandra, Head of the Department. Faculty introduction, college rules, and department highlights were presented. The programme concluded with a vote of thanks, college song, and campus tour. A total of 155 students participated:

Information Technology 'A'– 43, Information Technology 'B' – 43, Computer Science – 33, and Data Science – 36.

3. The Department of Computer Science organized the Jupito Club Inaugural Ceremony and Freshers' Party at the GJ Auditorium to introduce the office bearers for the academic year 2025–2026 and welcome the newly admitted first-year students. The event was graced by Ms. Jerushah Oscar, Director of 'Boostimize Technologies Pvt. Ltd.,' Madurai, and an alumna of the 2017–2020 batch On 15th July 2025.

4. Industry Institution Interaction - held on 4th August 2025 with Synpro Soft, Chennai.

5. The Jupito Club of the Department of Computer Science successfully organized an intra-departmental competition titled Innoverse '25, held on the 13th and 14th of August 2025. This vibrant cluster of tech events was designed to ignite innovation, technical skill, and creative expression among students. The lineup included Paper Presentation, Debugging, Quiz, Tech Meme Designing, Photography, and Stress Interview, each conducted in the respective department laboratories. The Paper Presentation was coordinated by Ms. Madhu Nisha, Vice President, while Debugging was jointly managed by Ms. Rithika, President, and Ms. Shahina Begum, Secretary. The Stress Interview event was overseen by Ms. Varshini, PG Representative (IT), and Photography was led by Ms. Amala Rufina, PG Representative (CS). Tech Meme Designing was handled by Ms. Ragadharshini, Joint PG Representative, and the Quiz event was coordinated by Ms. Kiruthika, Treasurer, along with Ms. Parveen Fatima, Joint Secretary. Each event was executed with precision and enthusiasm, offering participants a platform to demonstrate their technical prowess and creativity. The entire initiative was guided and supported by the club coordinators, Dr. J. Melba Rosalind and Dr. P. Sudhasini, whose mentorship was pivotal to the success of Innoverse'25. Their unwavering encouragement and strategic direction ensured that every aspect of the event was carried out with professionalism and purpose, making Innoverse'25 a memorable and enriching experience for all involved.

The Department of Computer Science held a Parent-Teacher Meeting on August 20, 2025, for III UG and II PG students at the J X M Auditorium. The event began with a prayer, followed by a welcoming address by Ms. M. Guru Dharshini. Dr. N. Jayachandra, Head of the Department, discussed key academic aspects such as remedial classes, self-learning courses, attendance, assessments, and student support resources. A video on the college's satellite campus development for

women was also shown. Parents interacted with faculty to discuss their children's progress, fostering collaboration. The meeting ended with a vote of thanks by Ms. S.Z. Fazilath, expressing gratitude to all participants for their contributions.

Department of English

A Project Report Writing workshop for the final year students was held on 8.09.2025 from 11:30 a.m. to 1 p.m. at MMT – II. Dr. D. M. Amala, Associate Professor & Head, Department of English, Sri Meenakshi Government Arts College for Women was the resource person. Around 170 students participated.

Department of French

- The Department of French organised the celebration of La Fête Nationale (Bastille Day) on 24th July 2025. It also inaugurated its club 'Les Jeunes Tricolores' on the same occasion. Mr. Dhamodaran S, French Catalog Associate, Amazon IT, graced the celebration as the Chief guest. 408 students from different majors participated in this event.
- The Department organised an On-the-Spot study trip to Pondicherry, the nearest French colony on 14th and 15th August 2025. 108 students took part in this study trip where they got an opportunity to get a first-hand experience of the lifestyle of the French people and to interact with French native speakers which increased immensely their confidence and the fluency in this language. They also gained an experiential learning of French culture, architecture and cuisine.
- The Department organised its annual activity 'Grand Écran' on 30th August 2025 in which it screened 'Les Choristes', a French musical drama film directed by Christophe Barratier. 411 Part-I French students watched this movie.
- The Department of French organised a International Level Faculty Development Programme on « Les Défis et les Nouvelles Stratégies de l'Enseignement du FLE » on 3.10.2025. Ms.Véronique Françoise Courtois, Professor, Alliance Française de Los Angeles (United States), Dr.Sarmila Acharif. Head & Associate Professor and Dr. C.Thirumurugan, Professor, both from Department of French, Pondicherry University were the three resource persons of this FDP and 29 faculty from different universities, colleges and schools from many regions and states participated with enthusiasm. The objective of this FDP was to train the faculty teaching French as a foreign language to incorporate recent methodologies in their day-to-day

classroom. It also introduced the Language teaching AI tools which could be effectively integrated in their teaching and research.

Department of History

- The PG and Research Department of History, Lady Doak College, Madurai, has entered into a significant academic collaboration with the Department of Archaeology, Government of Tamil Nadu. **A Letter of Understanding (LoU)** was formally signed on July 11, 2025, at the college premises. The LoU was signed by Dr. R. Beulah Jeyashree, Principal and Secretary of Lady Doak College; Dr. S. Mercy Packiam, Controller of Examinations, Head and Associate Professor of Department of History; Dr. B. Asaithambi, Archaeological Officer; and Ms. Anitha, Archaeological Officer, Tamil Nadu State Department of Archaeology.

- The Doctoral Committee was convened at the PG & Research Department of History, Lady Doak College on 22.08.2025 to admit the candidate Ms. C.Anusha Packiam under the guidance of Dr. S. Mercy Packiam, Controller of Examinations, Head and Associate Professor of History, Lady Doak College, Madurai in the presence of internal and external experts and participants.

- The PG and Research Department of History along with the Department of Social Sciences, Lady Doak College, Madurai released the book titled "Recent Developments and Innovations in Social Science, Law, Arts and Humanities'' (ISBN Number: 978-81-962552-3-7) on 24.07.2025 at BCMMT I. The book is the outcome of the 5th International Research Conference organized by the PG & Research Department of History, Research Centre and Department of Economics, and the Department of Social Sciences, Lady Doak College, in collaboration with the Research Institute for Social Science, Palayamkottai, Tirunelveli on 25.02.2025.
- The PG and Research Department of History, Lady Doak College, Madurai released the Newsletter highlighting the various activities organised by the Department during the academic year 2024-2025 on 27.07.2025 at BCMMT I. The release was graced by Dr. Aroon J, Legal Consultant, Advocate, and Assistant Professor at Bharath Institute of Law, Chennai.
- **GUEST LECTURE**

  As a first step after signing LOU with the Department of Archaeology, the PG and Research Department of History, Lady Doak College, organised a guest lecture on the topic "Megalithic Culture – A View and Introduction to

Iron Age" on 11.07.2025 at Clapp Hall. Dr. B. Asaithambi, Archaeological Officer from the Department of Archaeology, Government of Tamil Nadu, was the resource person. The session provided valuable insights into the Megalithic period and its significance in early Indian history.

- The PG & Research Department of History, Lady Doak College, Madurai, organised a guest lecture on "Economic history of India since 1857" on 22.07.2025 at Clapp Hall from 12:00 noon to 1:30 pm. The session was enriched by the presence of Dr. Helen Mary Jacqueline, Dean of Academic Affairs (Humanities), Head and Associate Professor, Department of Economics, who served as the Chief Guest. The lecture provided valuable insights into India's economic transformation since 1857, offering students a deeper understanding of historical economic trends.
- The PG and Research Department of History organised a guest lecture and discussion forum on "Facilitating the Selection of Topics on LFE at Clapp Hall on 18.08.2025 from 10:20 am to 12:05 pm. The session was led by Mr. C. Sundar, Lab Assistant, Department of Physics, Lady Doak College, who served as the resource person. The programme is aimed at guiding students in identifying and refining topics for their Learning from Experience (LFE) projects, ensuring greater clarity and focusing on their academic pursuits.
- The PG & Research Department of History organised an interactive session on "Learning Beyond the Classrooms'' for the III B.A History students on 15th September 2025. The resource person was alumna Ms.S.Rajalakshmi (Batch 2015-2018), CSR officer, HCL Foundation, Noida. She shared her experiences of studying LFE, highlighting the challenges and opportunities in her field and motivating the students to explore diverse career prospects.
- The PG & Research Department of History organised the Annual Event (ICM) – History Day on 23rd September 2025, at the J.X. Miller Auditorium with the theme Historio 25-26 : "Voice of the Voiceless." Dr.V.Vedachalam, Retired Archaeological Officer, State Archaeology Department was the chief guest. A total of three colleges from Madurai and surrounding regions participated in the event.
- As part of 'Thaenmathura Tamil Thiruvizha', commemorating the day when Tamil was declared as the first classical language of India on 12th October, 2025, the Indian National Trust for Art and Cultural Heritage (INTACH), Madurai Chapter, in collaboration with the Departments of History and Tamil, Lady Doak College, Madurai, organised a symposium on "Evolution of Tamil Script" on 14th October, 2025 from 9 am to 4 pm.

Department of Mathematics

Guest Lectures Organised:

1. The Department of Mathematics organized a guest lecture on 16th July 2025 from 2 PM to 3 PM in AV 2 for M.Sc. (I and II year) and B.Sc. (III year Aided and Self-financed) students. The topic of the lecture was "Learning Beyond the Classroom: Bridging the Mathematics Gap". The resource person for the event was Ms. Vaideki R. Krishnan, our alumna of 95' batch, a mathematics instructor from Shelby County Schools, Memphis, Tennessee, USA. She shared valuable insights on innovative teaching methods and the scope of Mathematics in various fields. The session was highly informative and engaging.

i. 

2. The Department of Mathematics had the privilege of having Dr. N. Prabhu, Lecturer in the Mathematics Section at the College of Computing and Information Science, Al Musannah, Sultanate of Oman, for a guest lecture on "Mathematics Behind Satellite Image Processing" in AV 2 hall, on July 18, 2025. Dr. Prabhu provided deep insights into the utilization of distinct color bands in image processing, elucidating how disparate components within an image yield unique signatures in hyperspectral color bands, illustrated through graphical representations. Beneficiaries of this event include M.Sc. Mathematics (I and II year) students.

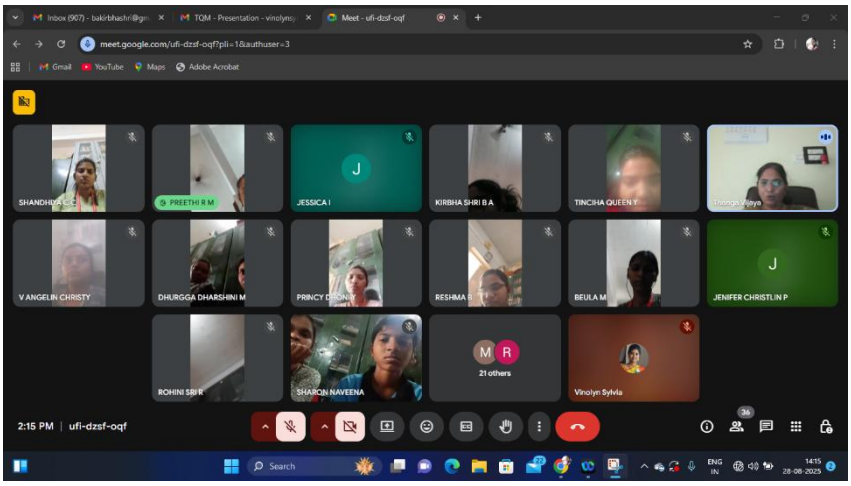

3. The Department of Mathematics organized a guest lecture for M.Sc. Mathematics (I and II year) students on 24th July 2025 from 2 PM - 3:30 PM. The lecture was on the topic "Multiplicative Calculus and Its Applications", and was delivered by Dr. K. R. Karthikeyan, Assistant Professor at the National University of Science and Technology, College of Engineering, Department of Applied Mathematics and Science, Muscat, Sultanate of Oman. Dr. Karthikeyan introduced us to the concept of "Multiplicative Calculus". He explained its theoretical framework, fundamental definitions, and properties

4. On 28th August 2025, the Department of Mathematics organized an online guest lecture at the Mathematics Department library from 2 pm to 3:30 pm for II M.Sc. Mathematics students. The lecture was on Industrial Applications of Statistics. Mrs. Thanga Vijaya, Head of Governance, Risk and Compliance for Vedanta was the resource person. In this session the students learnt about the 7 basic tools of TQM (Total Quality Management), “Why-Why Analysis” technique, the 6 M principle (Man, Machine, Method, Material, Measurement,

and Mother Nature/Environment) with a focus on practical problem-solving approaches.

5. The Department of Mathematics, in collaboration with the Institute's Innovation Council, organized a three-day hands-on workshop titled "Idea to Validation: Math-Based Approach for Student Entrepreneurs" for interested students of B.Sc., M.Sc. Mathematics, and B. Sc. Mathematics with Computer Applications from 12th to 14th August 2025. The workshop aimed to equip students with practical knowledge of entrepreneurship using mathematical tools and design thinking principles.

NET/ SET Coaching:

A training programme on Metric Spaces and Topology was organised for I M.Sc. and II M.Sc. Mathematics students on 21.07.2025. The resource person, Dr. P. Veeramani, Retired Professor, Department of Mathematics, IIT Madras, Chennai, provided a well-structured and in-depth explanation of key topics in metric spaces and topology, including open and closed sets, convergence, compactness, and

continuity. He also encouraged the students to solve relevant questions using these concepts. The session was highly interactive, with students actively engaging and responding to the questions posed by the resource person.

A training programme on Algebra for qualifying examinations was organised for Postgraduate Mathematics students on 11.08.2025. Mr. S. Senthil Kumar, Proprietor and Managing Director of Sai sMart Academy, was the resource person. He explained several problems, providing step-by-step procedures for solving algebraic questions. He also outlined effective study strategies and discussed various problem-solving techniques. The session was highly interactive and engaging, with active student participation and meaningful discussions throughout.

Department of Physics

Research Enrichment Lecture:

The Departments of Physics and Chemistry, in collaboration with the Research & Development Cell of Lady Doak College, Madurai, organized a Research Enrichment Lecture on "Innovating Medical Devices through Interdisciplinary Science" on 11.07.2025, for the M.Sc. students and faculty members from the Physics and Chemistry departments. Dr.V.Krishnakumar, Chief Technology Officer of Oculotix Inc., USA, and founder of multiple biomedical ventures, served as the resource person. Drawing on his global entrepreneurial

experience, Dr. Krishnakumar highlighted how the convergence of Physics, Chemistry, and Life Sciences is revolutionizing the development of next-generation medical technologies.

Bridge Course (UG): (04.08.2025)

The Department of Physics organised a Bridge Course in Mathematical Physics for the first-year undergraduate students. Dr. M. Senthilvelan, Former Head and Professor, Department of Nonlinear Dynamics, Bharathidasan University, Tiruchirapalli facilitated the session. The session helped the students gain confidence and skills to solve problems

Bridge Course (PG):

The Department of Physics, Lady Doak College, conducted a series of Bridge Courses for first-year postgraduate students to facilitate a smooth academic transition and strengthen their foundational knowledge.

The sessions were held on the following topics:

1. Integrated Electronics (10.07.2025)

Resource Person: *Dr. Beulah J. M. Rajkumar*, Former Head and Associate Professor, Department of Physics, Lady Doak College

2. Numerical Methods with Python (24.07.2025)

Resource Person: *Dr. M. Sharmila Banu*, Assistant Professor, Department of Computer Science, Lady Doak College

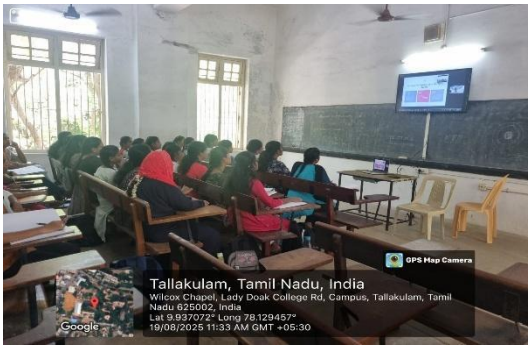

3. Mathematical Physics (05.08.2025)

Resource Person: *Dr. M. Senthilvelan*, Former Head and Professor, Department of Nonlinear Dynamics, Bharathidasan University, Tiruchirapalli

These sessions provided a strong academic base and equipped students with the necessary skills for their postgraduate studies.

Guest Lecture:

The Department of Physics and Research Centre, Lady Doak College, Madurai, organized a Guest Lecture on "IIT JAM Overview & Fundamentals of Mathematical Physics" on 19.08.2025. Dr. Biswarup Biswas, Assistant Professor, Mahindra University, Hyderabad was the resource person. The lecture was conducted online from 11:00 AM to 1:00 PM via Zoom Platform. He provided an insightful overview of the IIT JAM examination pattern, preparation strategies, and subject-specific approaches. He also explained the techniques to solve the problem on Matrices, Eigen values, Complex Algebra, and linear simultaneous equations.

- The Department of Physics organized a JAM coaching class for undergraduate students on 13/09/2025. Dr. E. Praveen, Lecturer, Department of Basic Engineering, Government Polytechnic College, Theni, served as the resource person and delivered a session on Solid State Physics.

- The Department of Physics and Research Centre organized an online guest lecture on 24 September 2025 as a part of Experiential Learning for the course Research Methodology (Course Code: PHY5202CM and PGP3221ST) for the students of III UG (Aided and Self-Financed) and II PG on the topic "Understanding Research Metrics: From Citations to Impact".
- A two-day field trip was organized to the Indian Institute of Astrophysics (Headquarters), the Jawaharlal Nehru Planetarium, and the Visvesvaraya Industrial and Technological Museum in Bangalore, Karnataka. A total of 82 students took part, including 37 from III B.Sc. Physics, 24 from III B.Sc. Physics with Computer Applications, and 21 from II M.Sc. Physics. The trip, held from 27th to 30th September, gave students valuable exposure to astronomy research, scientific displays, and technological developments.

Department of Social Sciences

- Master of Social Work (MSW) fieldwork conference was conducted on 15th July 2025 by external expert Mr. Mohammed Gowth, Senior faculty, Laico Aravind Eye Care System.

Department of Tamil

1. Tamil Literary Club **(**தமிழ் இலக்கியக் கழகம்**)** was Inaugurated by Mr. Laxmihar, Yuva Paraskar awardee 2025 on 01.08.2025
2. Orientation programme on "Online Education - MOOC, SWAYAM, NPTEL" was conducted for I. B.A. Tamil students on 07.08.20
3. Rajammal Selvanayagam Endowment Lecture was conducted by the Department of Tamil on 17.10.2025. Ms. Selva Geetha, Hello FM, Madurai was the resource person. Title of the programme was "பொருநை முதல் வைகை வரை."
4. The Department of Tamil & Department of History organised a seminar on "தமிழ் எழுத்துகளின் பரிமாணங்கள்" in collaboration with the Department of History and Indian National Trust for Art and Cultural Heritage (INTACH). Students from various colleges in and around Madurai participated in this seminar.
5. The Department of Tamil organised a One-day-Workshop on Poetry on 25/11/2025. With Manushyaputhiran as the resource person, students were trained to write poems of their own. Students from all the departments of Lady Doak College participated in this workshop.
6. The Department of Tamil organised the NET Coaching Classes for I & II PG Tamil Students on 24.11.2025 and 26.11.2025 to 28.11.2025.
7. Ms. M. Sivabakiya, research scholar from the Department of Tamil presented a paper titled "இயற்கை பற்றிய கவிஞர் வாணிதாசனின் அழகியல் நோக்கு" in "மணற்கேணி - Research Forum of the Department of Tamil" on 28.11.2025.

Department of Zoology

Guest Lecture:

Dr. M. Arun Nagendran, Associate Professor, Department of Zoology, Thiagaraja College, Madurai, addressed the students on the topic: Ecological disasters on 10.07.2025

International Conference

Department of Zoology organized an **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025 in a hybrid mode.

Speakers:

- **Dr. Wahyu Widowati**, Faculty of Medicine, Aretha Medika Utama Biomolecular and Biomedical Research Centre, Maranatha Christian University Indonesia Topic: *"Potential Of Freeze Dried - Secretome From Human Wharton's Jelly Mesenchymal Stem Cells for Wound Healing"*
- **Dr. Jeyalakshmi Kandavelu** *(Alumna: 2001 – 2004)* Staff Scientist, Metabolomics Shared Resource Center, Georgetown University, Washington DC, USATopic: *"Emerging Proteomic Technologies in Early Detection and Prognosis Of Disease"*
- **Dr. Rizal Azis** Assistant Professor in Translational Stem Cell Biology, Biomedical Engineering, Universitas Indonesia. Topic: *"Generation Of Multiple Cell Types Derived From hiPSCS in Xeno-Free and Chemically Defined Medium for Disease Modelling"*
- **Dr. Sathya Priya Chandrasekar** *(Alumna: 2004 – 2007)* SMB (ASCPi) CMClinical Variant Scientist, Revvity Health Science, ChennaiTopic: *"Precision Medicine in India: High-Yield Ngs Diagnostics and Applications"*
- **Dr. Merlin P. Thangaraj (***Alumna: 2006 – 2009)* Post-Doctoral Scientist, Nationwide Children's Hospital, Centre for Gene Therapy Columbus, Ohio, USA. Topic: *"Split Intein Mediated Gene Replacement Therapy for Facioscapulohumeral Muscular Dystrophy"*
- **Dr. Abirami Veluchamy (***Alumna: 2004 – 2007).* Deputy Genomics Core Facility Manager. Tayside Centre for Genomic Analysis, School of Medicine, University of Dundee Scotland, United Kingdom. TOPIC: *"Current Trends in Harnessing Population Genomics for Health Data Research"*
- **Dr. Rathika Pothi (***Alumna: 2004 – 2007).* Vendor Management, PSI CRO AG, England, UKTOPIC:*"Advancing Therapeutics with Innovations in Clinical Trials"*

Guest lecture on "**Harnessing Collective Power: Citizen Science Initiatives for the Madras Hedgehog Conservation**" by **Dr. R. Brawin Kumar**, Research Biologist, Tamil Nadu Forest Department, Salem. 3rd September 2025. 47 1st Ug and 16 1st PG students benefited from the lecture.

3. LEARNING AND TEACHING

a. Student Engagements and Achievements

Department of Biotechnology

- **Ms. Padma Priya R (23BTYE029), Ms. Sakthipriya M (23BTYE037), and Ms. Jacintha M (23BTYE014)** of III B.Sc. Biotechnology participated in the **International Seminar on Emerging Frontiers and Innovation in Biotechnology** organized by the Department of Biotechnology, The American College, Madurai, on 13th August 2025.
- **Skill Development Course:** Students of II M.Sc. Biotechnology (Ms. Aloysia Meric S, Ms. Jasmin Izzath A, Ms. Kasthuri Mahalakshmi B, Ms. Muhil Bharathi R, Ms. Niranjana S, Ms. Noor Azleena S, Ms. Nusrath Thara S, Ms. Suriya Dharshini S, Ms. Yaazhini Raina I, Ms. Yuthiksha R, and Ms. Dhivyadharshini S) attended a **Skill Development Course on Molecular Diagnostic Techniques** at the **Department of Immunology, SBS, Madurai Kamaraj University**, from 19th –21st August 2025.
- **Ms. Muhil Bharathi R** (24PBTE06) of II M.Sc. Biotechnology won **III Prize (Oral Presentation)** in the **State-Level Intercollegiate Meet "Microbes"** at Ayya Nadar Janaki Ammal College on 29th August 2025.
- **Ms. Suriya Dharshini S** (24PBTE13) of II M.Sc. Biotechnology won **I Prize (Poster Making)** in the **State-Level Intercollegiate Meet "Microbes"** at Ayya Nadar Janaki Ammal College on 29th August 2025.
- **Ms. Yuthiksha R** (24PBTE16) and **Ms. Sri Uthra** (24PBTE12) of II M.Sc. Biotechnology won **III Prize (Quiz)** in the **State-Level Intercollegiate Meet "Microbes"** at Ayya Nadar Janaki Ammal College on 29th August 2025.
- **Ms. Yaazhini Raina I** (24PBTE14) of II M.Sc. Biotechnology won **III Prize (Petri Art)** in the **State-Level Intercollegiate Meet "Microbes"** at Ayya Nadar Janaki Ammal College on 29th August 2025.
- **Ms. Jacintha M** (23BTYE014) of III B.Sc. Biotechnology won **I Prize (Turn Coat)** in the **State-Level Intercollegiate Meet "Microbes"** at Ayya Nadar Janaki Ammal College on 29th August 2025.
- **38 students from PG and 9 students from UG participated in International Academia-Industry-Innovation conclave-AIIC 2025**

International Academia Industry-Innovation Conclave on 27th, 28th & 29th November 2025 organised by Departments of Physical, Chemical and Biological Sciences

- **Ms. Surya Dharshini won the best paper award for oral presentation in the International Academia Industry Innovation Conclave from 27th to 29th November 2025**

Department of Botany

- II M.Sc. Botany students participated in the International Conference on Innovation in Biomolecular Sciences: Integrating Technology and Discovery, organized by the Department of Zoology, Lady Doak College, from 5th to 9th August 2025. The conference featured a series of lectures on recent advancements in biomolecular sciences, providing in-depth insights into cutting-edge topics such as CRISPR gene editing, stem cell culture, and the use of pluripotent media for regenerative research.

- 12 I M.Sc. students participated in the International Conference on Emerging Frontiers and Innovation in Biotechnology held on 13th August 2025. The event was organized by the Department of Biotechnology, The American College (Satellite Campus), in association with the Microbiologists Society of India (MBSI).

- 12 I PG students & 4 II PG students and 6 III UG students are participated in the International Academia-Industry-Innovation conclave-AIIC 2025 (Science Driven- Industry Powered- Future Focused) organized by Departments of Physical, Chemical and Biological Sciences (Physics, Chemistry, Botany, Zoology and Biotechnology, Lady Doak College, Madurai held on 27th November to 29th November 2025
- 45 B.Sc. and M.Sc. Botany students, participated in the State-Level Intercollegiate Meet "Denovo Fest–2K26" on 06.02.2026 organized by the Department of Biotechnology, The American College (Satellite Campus). The students actively took part in various competitions and won the Overall Winner's Trophy, marking a proud achievement for the department.
- The Department of Microbiology, The American College, organized an Intercollegiate Meet titled "Microfiesta" on 10.02.2026. A total of 30 students were participated in various competitions conducted during the programme. Our students performed remarkably well and secured prizes in events such as AI Video Generation , Adzap and Pencil sketching. The event provided an excellent platform for students to interact with peers from other colleges, enhance their skills, and gain valuable exposure. Overall, the participation in Microfiesta was a memorable and enriching experience for all the students involved.
- Twelve Students of III B.Sc., Botany actively participated in the State Level Intercollegiate Meet PLASCIA 2K26, organized by the The American College, on 02nd March 2026. The event provided a vibrant platform for students from various colleges to showcase their talents, creativity, and competitive spirit. Our students enthusiastically took part in several cultural and creative competitions and brought laurels to the department by securing prizes in multiple events. Prize Winners Rangoli – II Prize: Harini V (23BOT014) & Vaishnavi V.M. (23BOT040) Vegetable Carving – III Prize: Deepika S (23BOT031) & Hemalatha R (23BOT029) Art from Waste – II Prize: Afrin Fathima S. (23BOT002) & Kaviya G. (23BOT018) Dance – III Prize: Anushiya Banu (23BOT003), Rajeshwari G (23BOT043), Deepika S (23BOT031), Harini V (23BOT014), Vaishnavi V.M. (23BOT040). The remarkable achievements of the students reflect their dedication, teamwork, and creative excellence. Their success has added pride and honor to the Department of Botany.

Outstanding Curricular Achievement:

Ms. Nawfa Mohamed Ismail (24CHE025) has been selected for a prestigious national-level Summer Research Fellowship offered by Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bengaluru.

Name of the Fellowship: Project Oriented Chemical Education - POCE 2025 Fellowship programme.

Ms. Nawfa will be doing her summer project at Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bengaluru for three consecutive years, May 2025, 2026, and 2027 with a stipend of Rs. 1000/- per month.

She is one among the ten selected candidates at the national level.

1. **Paper Presentation in International Conference by students**:
   i) **Ms. Harishmaa M (24PCHE02) and Roshini K B (24PCHE13)** have presented the paper titled by offline mode **A Ph- Responsive Tetra Carboxy Porphyrin As A Dual-Mode Colourimetric and Fluorescent Sensor For Mercury (II) Ions** in the International Conference on Chemistry Innovation: Current Developments, Challenges and Future Perspectives (ICCI – 25) jointly organized by the PG and Research Departments of Chemistry on 15th and 16th September 2025, held in Bishop Heber College (Autonomous) and St. Joseph's College (Autonomous), Tiruchirappalli.
   ii) **Nasrin Sahana M (24PCHE06)** has presented a paper titled Gallic Acid Assisted Reduced Graphene Oxide/Silver Nano-Particles Nanocomposite for Heavy Metal Sensing and Antibacterial Applications at the INTERNATIONAL ACADEMIA-INDUSTRY-INNOVATION CONCLAVE, AIIC 2025, jointly organized by the Department of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai, India during 27th – 29th November 2025.

2) NPTEL (Online) Course Completion:

A Total of 14 Students successfully completed the NPTEL courses offered by eminent institutions in India, out of which **six students got Elite Certificate with Silver Medal**

1) **M Harini Vaishna (24CHE012)** Completed NPTEL Online Certification course in "Fundamentals and Applications of Supramolecular Chemistry" organized by IISCR - Indian Institute of Science Education and Research, Bhopal and Cleared the NPTEL Course with the score of **77%. Elite**
2) **Murugalakshmi M S (24CHE024)** Completed NPTEL Online Certification course in "Introductory Organic Chemistry - II" organized by IISCR - Indian Institute of Science Education and Research, Pune and Cleared the NPTEL Course with the score of **45%.**
3) **C M Joshica (24CHE017)** Completed NPTEL Online Certification course in "Biochemistry" organized by Indian Institute of Technology, Kharagpur and Cleared the NPTEL Course with the score of **81%. Elite**
4) **S Nishar Fathima (24CHE026)** Completed NPTEL Online Certification course in "Fundamentals and Applications of Supramolecular Chemistry" organized by IISCR - Indian Institute of Science Education and Research, Bhopal and Cleared the NPTEL Course with the score of **72%.**
5) **M Sudiksha (24CHE042)** Completed NPTEL Online Certification course in "Fundamentals and Applications of Supramolecular Chemistry" organized by IISCR - Indian Institute of Science Education and Research, Bhopal and Cleared the NPTEL Course with the score of **75%. Elite**

Department of Zoology

1. Shifforah Rajam.P and Lourdhu Mary A presented a paper titled *Prediction of CCND1 Gene Variants (exon 1 and exon 4) and the Associated Oxidative Stress Among Cancer Patients* in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.
2. Madhumithra S and Mahalakshmi A presented a paper titled *In-silico Investigation of Multi-target Therapeutic Actions of a Polyphenol Formulation Against Diabetic Foot Ulcer via Network Pharmacology and Molecular Docking* in the **International Conference on Innovations in Biomolecular Sciences:**

Integrating Technology and Discovery from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.

3. Abirami and Lourdhu Mary A presented a paper titled *Evaluation of brca2 gene Polymorphism and Associated Oxidative Stress among Breast Cancer Patients in and around Madurai* in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.
4. Lavanya Laxmanan and Mowna Sundari Thangamalai presented a paper titled *Harnessing Bioactive from Endophytic Fungi of medicinal plants for therapeutic applications* in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.
5. **Merlyn Diana A.S**, Priscilla A. S., Sadhana Sri R, and Aishwarya S presented a paper titled *Exploring the osteoprotective potential of Pisonia grandis: an integrated phytochemical and network pharmacology-based approach* in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.
6. **Murugesan Monica**, Natesan Sankar and Rajendran Priyatharsini presented a paper titled "*From shoreline to synapse: Halo type polyphenols in immune-compatible brain cancer therapy*" in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.
7. S. Priyadharshini and A.S. Priscilla presented a paper titled *Phytochemical fingerprinting and drug-likeness of Ormocarpumsennoides for osteoporosis* in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.
8. **Priyavarshini A, Jessica Angelin J** and A.P.A. Rani presented a paper titled *Isolation, purification, spectral analysis, and antibacterial activity of pigments from sword tip squid Uroteuthis edulis* in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.

9. **Santhiya S, Devadharshini S**, and Lourdhu Mary A. presented a paper titled *Association of the variant genotype of Exon 4 of ccnd1 with the relative risk of breast cancer* in the **International Conference on Innovations in Biomolecular Sciences: Integrating Technology and Discovery** from 5th August to 9th August 2025, Conducted by the Department of Zoology and Research Center, Lady Doak College, Madurai.
10. **Ms. Prekshitha Gayathri (24PGZ010**) bagged the 3rd prize for paper presentation in Ecdysia held by Department of Zoology, Fatima College, Madurai on 16.09.2025.
11. **Ms. Harini (23ZOO010)** received 2nd prize in collage making in Bio De Fiesta 2025 organised by Department of Biotechnology, St. Joseph's College, Trichy on 22.09.2025
12. **Ms. Prekshitha Gayathri (24PGZ010**) and **Ms. Priyavarshini A. (24PGZ011**) won a cash prizeof Rs. 2000/- in Exploria - Intercollegiate Research Competition, organised by Fatima College on 23.09.2025.

Paper presentation:

- **Ms. A. Priyavarshini (25PGZ011), Ms. J. Jessica Angeline (25PGZ008)** and Dr. A. P. A. Rani, Associate Professor, presented a research paper titled "Antibacterial Activity of Isolated Sword-Tip Squid *Uroteuthis edulis* Pigment" at the International Conference on Advances in Life Sciences (ICALS 2025), organised by the P.G. & Research Department of Zoology, The American College, Madurai, held from 29.09.2025 to 30.09.2025

Poster Presentation:

- **Ms. Prekshitha Gayathri P (25PGZ010), Priyavarshini A (25PGZ011)** and **A.P.A. Rani** presented a poster titled " Harnessing Animal-Derived Biopolymers for a Greener Future: Perspective on Energy, Environmental and Biomedical Frontiers " for the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organized by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai during 27th - 29th November 2025

Research Scholars – Paper presentation:

- **Ms. Irene Kezi Lois** presented a paper entitled 'Green synthesis and characterization of Bullatacin-loaded zinc oxide nanoparticles from Annona squamosa seeds for prospective anticancer applications' at the "International Conference on Advances in Life Science" (ICALS'25) organized by the PG & Research Department of Zoology, The American College, Madurai on 29th & 30th September 2025.

- **Ms. Abitha R (24RSZOOP01), K.** Sujatha and A. Mahalakshmi presented a paper titled " Antidiabetic Activity of Polyherbal Formulations in Diabetic Mice Model "for the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organized by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai during 27th - 29th November 2025

b. Centre for Entrepreneurship Development

Vocational Skills Development

The Centre for Entrepreneurship Development implemented the model of integrating development of value additions, product promotions, writing out a business plan and stall presentations and demonstrations into the curriculum of the vocational skills courses held from 23rd June-18th July 2025, for the 2024 batch II UG students. Two events were held for students to showcase their newly acquired skills and for the course teachers to facilitate this process.

DEMO Day - On 18.7.2025, a Demo Day of the products/services and skills developed by students was inaugurated by Thiru S. Rethinavelu, Founder & CMD, Agro Food Trade Centre, Madurai and special address by Thiru. Nanu Swamy, Founder, Maxelerator Foundation, Madurai in the presence of Dr. R. Beulah Jeyashree, Principal & Secretary, Lady Doak College, Madurai. The event, held at GJ Auditorium, showcased a vibrant array of stalls of products and services developed by over one thousand students during the period of training for their vocational skills development in 22 thriving platforms in employability and entrepreneurship. Students could foster their creativity by displaying their skills as well as products they produced. A significant crowd of more than 2000 students eagerly engaged with the diverse offerings.

Skills Highlights – The following is a listing of some of the stalls and activities showcased by the students:

- Skillup.AI
- GPT_SM2S
- LDC AI-Driven Smart City
- Bike Luxe Service
- Tune your Ride
- Get your Hands Dirty
- Power up Your Day
- Expert Electrical Solutions & Exclusive Home Appliances
- Ice Auro
- Cool Zone (Cool Ideas for a Warming World)
- LDC Groove Fit
- Earthnique & The Paperia Hub

- Mystical Canvas & Tanjore Treasure
- Eve lyn
- LDC's Shutterbugs
- Lushe: Polished Perfection
- Jutique & Jutella

Faculty Workshop on Design Thinking for Course Teachers of Vocational courses: A three-day workshop titled **"Design Thinking – From Problem to Pitch" was** held for faculty members from **25th June 2025 to 27th June 2025**. The workshop was led by **Mr. Arin Suddarshan**, Chief Design Officer at **Dot2Dot (R)evolution by Design**, who brought valuable industry insights and expertise to the sessions. The workshop introduced participants to the principles and methodologies of design thinking, focusing on problem identification, ideation, prototyping, and pitching innovative solutions. Over the three days, faculty engaged in hands-on activities and collaborative projects to develop practical problem-solving skills. Mr. Suddarshan guided participants through the stages of design thinking, emphasizing user-centric innovation and effective communication of ideas. The interactive format encouraged creativity, critical thinking, and teamwork among attendees. The workshop concluded with participants presenting their pitches for innovative solutions in developing students' entrepreneurship zones ranging from arts to digital products within Lady Doak College.

A Special Lecture on **"Innovation & Entrepreneurship for Nation Building"** organized by the Centre for Entrepreneurship Development at Lady Doak College on **25th June 2025** received positive feedback from the II UG students of the 2024 batch. Delivered by **Mr. Gautham Prakash**, Head of Operations at V7 Lancers Products & Services and Regional Trainer at BNI Himalayas, the session provided valuable insights into the role of innovation and entrepreneurship in national development. Students appreciated the practical knowledge shared on generating startup ideas, understanding the entrepreneurial process, and the importance of innovation in creating impactful businesses. Key learning points included how to identify business opportunities, develop a clear business model, and the significance of perseverance and networking in the entrepreneurial journey.

Department of Chemistry

The Department of Chemistry, in collaboration with the R&D Cell, organized an interactive session with Dr. Nancy David, a representative of IMAI LLC,

California, USA. IMAI LLC is a company engaged in cutting edge research and development of implantable biomedical devices on 01.08.2025. During the session, Dr. Nancy shared insights into the research focus of IMAI LLC and discussed potential avenues for collaboration with the Departments of Physical, Chemical, and Biological Sciences at Lady Doak College. She emphasized the possibility of establishing a mutually beneficial Memorandum of Understanding (MoU) between IMAI LLC and the college. Dr. Nancy suggested that Lady Doak College could contribute by providing space, manpower, and knowledge sharing to set up a centre dedicated to implementing IMAI's innovative ideas. Collaborative projects could then be developed and submitted to funding agencies. She recommended that the MoU will initially focus on student engagement and training programs to build a strong foundation for future collaborations

The Department of Chemistry is the first department to sign MoU with Central Government Institution, Central Institute of Petrochemicals Engineering & Technology (CIPET).
Department of Chemistry, Lady Doak College signed MoU with CIPET to Foster Academic and Research Collaborations in the field of Polymer science and technology.

Name of the Industry: IMAI Research & Development (IMAI R&D), Aliso Viejoo CA 92656, USA.

Collaborative activity: Explore the possibilities of a potential Joint research project in the area of Biopolymer based hydrogels for Ocular Applications.

Names of the Faculty Members participated in the activity: Dr. V. Sridevi, Dr. G. Jayanthi Kalaivani and Dr. D. Rani Rosaline

Lady Doak College entered into a Memorandum of Understanding (MoU) during the International Academia–Industry Innovation Conclave held on 27th November 2025. The Departments of Biotechnology, Botany, Chemistry, Computer Science, Physics, Zoology, and the Centre for Information Technology were nominated to collaboratively work with Dr. Krishnakumar Venkateswaran, President and Chief Technology Officer of IMAI Research & Development (IMAI R&D). The MoU aims to strengthen academic–industry partnerships, promote research and innovation, and create meaningful opportunities for students and faculty through joint projects, training programmes, and knowledge exchange.

As a follow-up to the MoU, two meetings were organised by the Department of Chemistry with the CTO of IMAI R&D and the liaison person, Dr. Nancy David, Principal Scientist, IMAI, Aliso Viejo, CA.

The first meeting on 17.01.2026, involved a brainstorming session to understand IMAI's to discuss the scope and objective of the project and the expectations from the Department of Chemistry. IMAI expressed interest in collaborating on the design and development of hydrogels for ocular applications, particularly for post-surgical treatment with the potential for drug delivery using the developed hydrogel systems.

During the subsequent meeting on 06.02.2026, a presentation was made outlining the previously done work related biopolymer based super absorbent hydrogels and the proposed hydrogel systems that can possibly meet their requirements, preliminary concepts, proposed methodologies, and possible research directions for the development of the hydrogel systems.

Department of Economics

Department of Mathematics

On 22nd September 2025, the Department of Mathematics organised an online guest lecture at the AV -2 hall from 2 p.m. to 3:30 pm for II M.Sc. Mathematics students as a part of their industry-based course. This was the second session of the Industrial Applications of Statistics lecture. The topic was predictive analysis. Mrs. Thanga Vijaya, Head Governance, Risk and Compliance for Vedanta was the resource person. Predictive analysis in statistics is the process of using historical data, statistical models, and machine learning techniques to forecast future outcomes and trends. It relies on methods such as regression and time-series analysis, to identify patterns and quantify uncertainty in predictions. Predictive analysis helps

organizations anticipate customer behaviour, detect risks, optimize resources, and support strategic decision-making. The lecture was highly engaging and provided participants with valuable knowledge.

Department of Physics

(i) A group of 21 students from II M.Sc. Physics, accompanied by Dr. Esther Elizabeth Grace and Ms. Anitha, visited Vadamalayan Hospital, Madurai, a renowned multi-specialty hospital in Tamil Nadu, on July 30, 31, and August 1, 2025. Over three insightful days, the group explored a wide array of **diagnostic and therapeutic instruments**, gaining hands-on familiarity with how each works and their clinical applications. The exposure helped the students develop a deeper understanding of how imaging modalities and therapeutic equipment are integrated into patient care—highlighting the importance of precision, safety, and multi-disciplinary collaboration.

(ii) Meeting for MoU:

Dr. Nancy David, Principal Scientist, IMAI LLC, visited the Department of Physics for a meeting with the faculty members to discuss the possibility of joint research and collaboration on 21.08.2025

A Memorandum of Understanding between the Departments of Physical, Chemical, and Biological Sciences of Lady Doak College and IMAI Research & Development, USA, was signed on 28th November 2025, aimed at promoting joint research initiatives, internships, and training programs.

Sophia**, Assistant Professor, Department of Tamil, Lady Doak College, served as the **Resource Person** for the session. A total of **27 faculty members** from various departments participated in the session. The primary objective was to familiarize the faculty with Moodle's assessment tools, specifically focusing on the **assignment** and **quiz** features. The session aimed at enhancing effective assessment management and improving learner engagement through the strategic use of Moodle's functionalities.

3. A Techno sharing session on "**Hands-on Training on LDC ERP Portal for New Faculty"** on 22.07.2025. **Dr. S. Padmaja and Ms. R. Sangeetha, Coordinators, Centre for Information Technology, Lady Doak College, served** as a Resource Person. They clearly emphasized ensuring that new faculty can confidently navigate and utilize the LDC ERP portal for tasks like attendance, mark entry, course registration, and feedback.

4. A Techno sharing session on "**Advanced Assessment Tools in Moodle"** on 14.08.2025. Dr. K. Suganya, Assistant Professor, Department of Economics, Lady Doak College served as a Resource Person. The activities such as Workshop, Database, Glossary, Choice, which are in Moodle -LMS were covered by the resource person. The resource person emphasized the importance of integrating these tools in Moodle for innovative teaching practices and continuous assessment. The session was highly informative and interactive, enabling participants to explore new pedagogical strategies using technology. The Techno Sharing Session provided valuable insights into the effective utilization of Moodle as a dynamic platform for assessment, thereby equipping faculty with practical knowledge to enhance student-cantered learning.

ORIENTATION PROGRAMME

The Centre for Communication and Multimedia organized an orientation programme on the **Effective Usage of Audio-Visual Equipment on Campus** on the **24th, 25th, and 28th of July 2025** at the AV Room. The programme aimed to enhance faculty proficiency in using AV tools effectively in classrooms and events.

Ms. Kajal Mehta and Dr. Evangeline jointly facilitated sessions on the effective use of televisions installed in classrooms. They covered topics such as the different types of TVs available on campus, detailed usage of remotes, HDMI cable connections, switching input modes, and preventive care to avoid equipment damage.

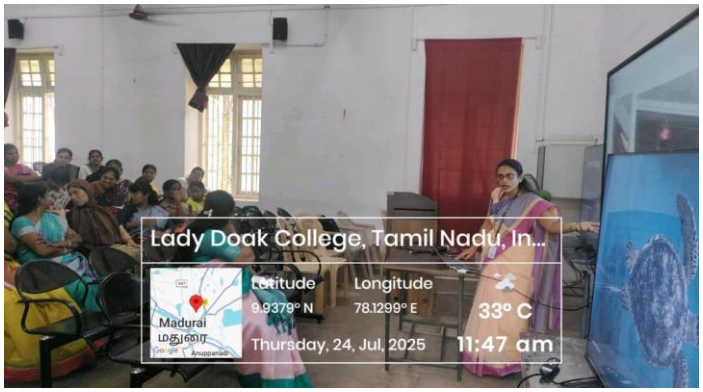

Mr. Bennet led an engaging session on event photography, guiding participants on how to capture high-quality photographs and emphasising the importance of geo-tagging. He introduced a geo-tagging application and explained the institutional rules related to event documentation through images.

Mr. Madhavan conducted a practical session on screen sharing and demonstrating wireless connection with a Television through mobile phones and laptops. He also explained the correct usage of remotes and related accessories to ensure seamless functioning during classroom sessions and presentations.

Faculty members from various departments attended the sessions enthusiastically. The programme was well-received for its clarity, hands-on demonstrations, and practical relevance, significantly boosting faculty confidence in managing audio-visual resources across the campus.

STUDENTS TRAINING PROGRAMME

The students training on geotagged photos and effective use of electronic equipment on campus conducted in 2 sessions both Aided and Self-Financed Stream on 01.08.2025. Mr. Bennet and Mr. Madhavan were served as a Resource Person. Mr. Bennett trained the students on Basic photography, Photo angles and capturing Geo tag photos. Mr. Madhavan trained the students how to connect the laptop and mobile phones with Google TV and Android TV. The training was an eye-opening session for the students in this Digital Era.

AV CLUB

The inaugural ceremony of the Audio-Visual Club of the Centre for Communication and Multimedia was held on 31st July 2025 at BCMMT. The event commenced with a prayer led by Ms. Vaishnavi (24MATOS6).

The Student President, Ms. Sri Vaishnavi (23COMO59), delivered the welcome address to formally open the proceedings. The special guest for the occasion was renowned photographer, model, and actress Ms. Aruna Varshini, who shared her life experiences and inspired the students. She emphasized that with talent and enhanced skills, one can excel in the field of photography. Ms. Varshini encouraged the students to continuously enhance their learning experiences and to seize every opportunity that comes their way.

Following her address, a video presentation showcasing the highlights and achievements of the Audio-Visual Club was screened. College photographer Mr. Bennet elaborated on the notable activities and accomplishments of the club.

Mr. Madhavan, Administrator of the Centre for Communication and Multimedia, provided a detailed explanation of the roles and responsibilities of the club members. The club Treasurer, Ms. Gisma (23ENGO11), shared her insights on the club's strengths based on her personal experiences. Former club member Ms. Sruthi recounted the benefits she gained through her involvement in the club.

The Vote of thanks was delivered by the Student Vice President, Ms. Nithya (23ENGO29). The event was hosted by Ms. Adhiksha (24HIS004).

The function was coordinated by Mrs. E. Sheeba Sugantharani, Associate Professor; Mrs. M. Betsy, Assistant Professor; and Dr. P. Dhanalakshmi, Assistant Professor, with support from CCM coordinators Ms. Kajal J. Mehta and Dr. Evangeline Prathibha.

TECHNO SHARING SESSION

Dr. M. Sharmila Banu, Assistant Professor (SF), Department of Computer Science, Lady Doak College, served as a Resource Person. She emphasised the importance of safe digital practices to protect users from online threats such as hacking, phishing, and identity theft. The resource person covered various topics, including the use of strong passwords and two-factor authentication, managing privacy settings, identifying phishing attempts, securing devices and connections, and responding to suspicious activities.

2. A Techno Sharing Session titled "Reels for Reach: Content Strategy for Academia" on 14th October 2025 at the AV Room. The resource person, Ms. Josphine Lincy P, Assistant Professor (SF), Department of English, highlighted the growing relevance of digital visibility in academic institutions. She emphasised that Instagram Reels are not merely tools of entertainment but powerful instruments for academic storytelling, institutional branding, and student engagement. The session offered valuable insights into creating impactful Reels for educational promotion, covering topics such as Instagram algorithms, micro-content creation, aesthetic and technical guidelines, and analytics tracking.

3. Techno Sharing Session titled "Technology Enhanced Gamification for Active Student Participation" on 27th November 2025 at the AV2 Room. The session was facilitated by Dr. M. Evangeline Prathibha, Assistant Professor (Aided), Department of Mathematics. The resource person introduced the faculty to various digital platforms such as Interactive TV, Nearpod, and Quizalize, outlining their relevance in creating dynamic and interactive learning environments. She provided hands-on training on the effective use of Nearpod, focusing on features like gamified quizzes, interactive slides, polls, and collaborative boards. Additionally, she demonstrated Quizalize, showcasing its AI-powered quiz generation capabilities, including options for creating assessments in regional languages such as Tamil and Hindi, thereby making the tool inclusive and accessible for linguistically diverse learners. A total of 11 participants attended the programme and actively engaged with the tools and activities.

Session I: Basics of Photography

The Introduction to Photography session, organised by the Audio-Visual Club, was successfully conducted on 1st September 2025. The program commenced with a prayer rendered by Ms Gishma, followed by a warm welcome address delivered by Ms. Nithya. The event documentation was meticulously handled, with videography by Ms. Monisha using a Canon R8. Photography was handled by Ms Priya, Ms.

Gishma, and Ms. Nithya using Canon and Nikon cameras. The Master of the Ceremony duties were gracefully managed by Ms. Priya Dharshini.

Mr K. Silverster Bennet, photographer, Lady Doak College, served as a Resource Person, providing an insightful and engaging theory session on the Art of Photography. He elaborated on the evolution of cameras from the film era to modern digital technology, touched upon the history of photography, and explained critical technical aspects such as sensors, pixel calculations, and the functioning of cameras, including mirrorless systems.

Furthermore, he shed light on the key photography parameters — shutter speed, ISO, and aperture — and discussed white balance, lighting techniques, and various genres of photography. Important composition principles like the Rule of Thirds and the Golden Spiral were also explained in depth, providing participants with a solid understanding of framing and visual storytelling. The session proved to be highly informative and inspiring, equipping participants with valuable knowledge and practical insights into the fundamentals of photography. It successfully sparked curiosity and enhanced the creative perspectives of everyone involved.

Session II: Basics of Photography

The Introduction to Photography session, organized by the Audio-Visual Club, was successfully conducted on 9th September 2025. The program commenced with a prayer led by Ms. Faridha, followed by a warm welcome address delivered by Ms.Nithya. The event documentation was handled, with photography by Ms. Priya, and Ms.Nithya using Canon and Nikon cameras. The Master of Ceremony duties were gracefully managed by Ms. Priya Dharshini.

Mr. K. Silverster Bennet, photographer, Lady Doak College served as a Resource Person. He explained in detail the concept of angles, frames, and short videos in photography.

He also explained technical aspects such as sensors, pixel calculations, and the functioning of cameras, including mirrorless systems. Students understood how different angles can change the look of a picture and how framing makes a photo

more attractive. The session proved to be highly informative and inspiring, equipping participants with valuable knowledge and practical insights into the fundamentals of photography. It successfully sparked curiosity and enhanced the creative perspectives of everyone involved. The session was designed to be hands-on training, and students benefited by being able to do photography and also practically apply the various techniques discussed.

After the explanation, Mr. Bennet assigned an activity to the students. They were asked to go around the college campus and take photos by applying the techniques they had just learned. This made the session interesting for students who were able to practice photography individually and showcase their newly learned skills.

NATIONAL LEVEL PHOTOGRAPHY AND SHORT FILM COMPETITION

i. Centre for Life Frontier Engagement

An Orientation Programme for LiFE faculty facilitators was organised by the centre for Life Frontier Engagement on 09.07.2025.

Objectives:

- To orient/ reorient the faculty facilitators about the unique features of LiFE Course
- To identify and link the most relevant SDGs with the LiFE themes
- To motivate them to plan for collaborative LiFE projects (Interdisciplinary/ Multidisciplinary)
- To facilitate the students to carry out outcome-based LiFE projects

Highlights:

The faculty facilitators shared the classroom activities related to the LiFE course that enhances effective LiFE classroom management. It was emphasised that the facilitators must guide students in adopting a holistic service-learning approach that integrates cognitive, emotional, and practical skills—building social responsibility and lifelong learning.

Number of Beneficiaries: 42 Faculty Facilitators from different disciplines.

- The Centre for Life Frontier Engagement (LiFE), Lady Doak College, organized a Capacity Building Programme on the theme "Methods in Community-Based Participatory Research" on 17 September 2025. The programme was designed for third-year undergraduate LiFE student leaders and 125 students from various departments participated in the programme. The session began with a welcome address by Dr. S. Julie Ranee, LiFE Coordinator, who highlighted the significance of student involvement in community-oriented research and the importance of cultivating meaningful partnerships with communities. Her address set the tone for the day's discussions, emphasizing the need for sensitivity, collaboration, and responsibility in engaging with real-world issues. The resource persons for the programme were Dr. M. Anusha Rani, Assistant Professor, Department of Chemistry, and Dr. K. Suganya, Assistant Professor, Department of Economics, both from Lady Doak College. They

shared their insights and expertise on Community-Based Participatory Research (CBPR), elaborating on its principles, relevance, and practical applications. The discussions focused on essential aspects such as how to approach and engage with communities, the importance of building trust, and the value of collaborative partnerships in research. A key feature of the programme was the second session, which provided a comparative discussion on humanities- and science-based approaches to community research. This interdisciplinary exchange helped students appreciate how different academic fields contribute uniquely to understanding and addressing community issues through participatory methods. The students responded positively to the programme. The sessions enriched their understanding of community-based research and equipped them with valuable perspectives and strategies for future fieldwork and engagement

- On 3rd October 2025, a training programme on Intellectual Property Rights (IPR) was held from 1.30 to 3.00 PM for LIFE Faculty Guides. The session explained in a simple way what discoveries, inventions, and innovations are, and how ideas can be protected through patents, copyrights, and trademarks. Teachers also learned how to guide students in making projects that are new, useful, and safe to share. The programme helped everyone understand that protecting ideas is important for learning, creativity, and building a better future.

I. Centre for Value Education

The Centre for Value Education organised the Faculty Training Programme for VBC and IVBC Aided and Self-Financed Faculty on 17.7.2025. The main focus of the programme was to foster a deeper understanding of Value Based Education and its relevance to the present academic and social landscape. The programme commenced with a prayer led by Dr. S. Annie Priyadharsini, followed by the welcome address delivered by Ms. A. Sophia. Dr. Ann Nirmala Carr, Coordinator, Centre for Women's Studies, introduced the guest speakers of the day Mrs. Shalini Manohar, Chief Operating Officer, Life Focus Society, Chennai and Mrs. Sharmini Samuel, Director of Donor Development, WOS & Church Relationships, Chennai and acknowledged their valuable contributions to the field of education and human development.

The Principal and Secretary, Dr. R. Beulah Jeyashree, delivered the introductory remarks by highlighting the significance of value education in today's context. Both the guest speakers emphasised that education should not be merely income-oriented but value-oriented, underscoring the role of early philanthropists who viewed education as a means of service to society.

They skilfully connected past and present educational trends, reminding participants on the importance of instilling purpose and integrity in learners. They also addressed the changing mindset of today's generation, stressing the need for educators to engage meaningfully with students, cultivating the spirit of empathy among the youngsters by sharing personal anecdotes and drawing references from scriptures. The participants felt that the sessions to be insightful, interactive, and thought-provoking. The session came to an end with a vote of thanks proposed by Dr. J. Nirmala Devi, Coordinator, CHRE.

SF VBC and IVBC Teachers

Aided VBC and IVBC Teachers

Guest Lecture on 'Marriage Laws and Fundamental Duties'

The Centre for Value Education organised a guest lecture for II UG VBC and IVBC (Aided and SF) students on *"Marriage Laws and Fundamental Duties"* on **17.09.2025** at the G.J. Auditorium.

The session began with a prayer by *Dr. S. Sudha, Assistant Professor, Department of Economics. Dr. K. Rajam, Assistant Professor, Department of Chemistry*, delivered the welcome address.

The Chief Guest, ***Mr. K. Samidurai, Senior Advocate****, Secretary of the Indian Association of Lawyers, and Senior Mediator at the Mediation and Conciliation Centre, Madurai Bench of Madras High Court,* spoke on challenges in marital life and the role of law in addressing them. He explained key provisions of the Hindu Marriage Act, Christian Marriage Act, Muslim Marriage Act, and the Special Marriage Act, noting that the latter supports inter-caste and inter-religious marriages. He outlined grounds for divorce such as adultery, impotence, no contact for two years, absence of information about a spouse for seven years.

He stressed that the pillars of a successful marriage are listening, appreciation, and thanking. With humour, he also pointed out common societal expectations, summarised as "A to G": Age, Beauty, Caste, Dowry, Education, Family, and Gold. Highlighting the role of women, he remarked, *"Both construction and demolition of a house is in the hands of a woman."*

In the second part of his lecture, Mr. Samidurai spoke on fundamental duties. He emphasised respect for the National Flag, recalled the sacrifices of freedom fighters, and urged students to honour their legacy. He also stressed the duty of protecting public property and monuments such as Thirumalai Nayakkar Mahal, stating that "*Law will always help us if we uphold it with sincerity.*"

The session ended with a vote of thanks by *Dr. A. Akila Mary, Assistant Professor, Department of Commerce.*

Guest Lecture on "Prophets – Voice to the Voiceless"

The IVBC Guest Lecture on the topic "*Prophets – Voice to the Voiceless*" was conducted on 5.2.2026 for all II UG IVBC Aided and SF students. The session began with prayer by one of the IVBC student, Ms. Jeba Sharon Singh. The welcome and introductory address was delivered by Dr. S. Julie Ranee, Assistant Professor, Department of Chemistry, who warmly welcomed the gathering and introduced the theme and the Chief Guest.

The Guest speaker, Pastor (Mrs.) J. Deborah Christina, Good Samaritan Global Church, Dubai, delivered an inspiring message on the role of prophets as the voice of God who stood boldly for justice and righteousness. She emphasised Scriptural teachings such as "Let justice roll like a river" and "Act justly, love mercy, and walk humbly with God." She reminded the audience that spiritual life and social responsibility are inseparable. She highlighted the need to oppose oppression, greed, and injustice, and to defend the rights of the defenceless. She also reminded the gathering that the spiritual life and social responsibility are closely connected and cannot be separated.

She further noted that this prophetic message continues in the New Testament through John the Baptist, the "voice in the wilderness," who called people to righteousness and repentance. She concluded by reminding everyone of the greatest commandment—to love God wholeheartedly and to love our neighbour as ourselves—stating that every human being deserves dignity and equality because all are created in the image of God. The session highlighted the prophetic call for justice, righteousness, compassion, and humility, emphasising that true faith is expressed through standing for truth, defending the oppressed, and caring for the poor and vulnerable. The programme concluded with the vote of thanks delivered by Ms. C. Priyadharshini, expressing gratitude to the Chief Guest, organisers and participants.

Academic Audit

The templates for the Academic Audit for the academic years 2022–2023 and 2023–2024 have been framed and validated by the Deans of Academic Affairs.

AISHE Survey 2024 – 25

For the AISHE Survey 2024–25, mails were sent to various offices for data submission, and the process of data collection is currently underway.

Road Map Implementation

All departments were guided to complete pending activities from the 2024–25 Road Map and initiate planned activities for the academic year 2025–26.

IQAC Internal Meeting (08.08.2025)

The IQAC Internal Meeting was held on 08.08.2025 in Clapp Hall to review the action plans of various centres and to finalise quality initiatives for the academic year 2025–2026. Suggestions related to the conduct of workshops, special programmes and MOUs planned by the centres were given in the meeting and were well taken by the respective centre Heads. Following the discussions, centres were instructed to revise and resubmit their academic plans in the prescribed format as suggested.

Quality Circle orientation (AY 2025–26)

For the academic year 2025–26, IQAC activated the Quality Circle, with departments nominating student volunteers. An orientation session was conducted

on 31.07.2025, followed by the formal launch of activities on 01.08.2025. On the same day, the student volunteers, together with the DSA and Eco-Initiative representatives, attended a briefing to chart out the action plan.

Two-Week Joint Faculty Development Programme on AI for Teaching and Learning (18–29 August 2025)

To promote professional growth, IQAC hosted a Two-Week Joint Faculty Development Programme on AI for Teaching and Learning, organised from 18–29 August 2025 in collaboration with IIT Guwahati and MeitY. The programme included participants from the aided faculty and management faculty handling aided classes.

AQAR Preparation (2024–25)

Two preliminary meetings were conducted 30.06.2025 to discuss the retrievable data from the Documentation Centre for AQAR 2024–25 and to plan further actions. Feedback from the convenors of the various criteria were discussed and suggestions were noted.

Outgone Students – Record Maintenance

The departments were instructed to maintain updated records of all outgone students—UG (2022 batch) and PG (2023 batch)—indicating their current status, whether pursuing higher education, employed, self-employed, or engaged in other activities, along with relevant supporting documents (such as a scanned copy of CTC details, ID card, etc.).

Work Plans and Assessment Planner

Faculty members were directed to upload the Odd Semester Work Plans, including course content, Entry Behaviour Tests, and the corresponding analyses. In addition, departments were required to prepare their Assessment Planners to facilitate the systematic and well-coordinated conduct of course assessments.

QUALITY SUSTAINABILITY: - Ranking and Other measures

- *NIRF Ranking:*

  As an initiative to enhance the college's NIRF ranking, the IQAC shared a set of recommendations with the departments and have guided them to discuss strategies for implementing these recommendations, along with a corresponding timeline, during their departmental meeting. The departments were further asked to send the report of the measures taken to the IQAC.

  As part of the efforts to enhance the perception and visibility of our College, all faculty members, NTS and students were encouraged to follow/subscribe to the official College accounts on social media

platforms such as LinkedIn, Facebook, Twitter (X), Instagram, and YouTube.

Departments were also requested to share all their events with the Centre for Communication and Multimedia (CCM) team, so that these can be featured on the official platforms for enhanced visibility.

- AISHE (All India Survey on Higher Education):

  The AISHE data for the survey year 2024-2025 was successfully submitted on 13th November 2025. This submission contributes to the national database on higher education statistics and aids in policy formulation.

- *Academic Audit*

  The IQAC has taken certain preliminary measures for the conduct of Academic Audit for the year 2024-2025. An audit template was prepared and shared with the departments along with the guidelines for the preparation of the PPT. They were asked to prepare a comprehensive Self Study Report (SSR) of their department for the assessment year 2024–2025, incorporating their AQAR data. Guidelines were provided to them to prepare a PowerPoint Presentation highlighting the department's key achievements, best practices, and quality initiatives during the assessment year. Departments were requested to ensure accuracy, consistency, and completeness of data pertaining to the assessment year.

Feedback: IQAC has obtained the feedback anlaysis report for the courses of Even semester 2024-2025 as given by the students and the faculty, consolidated the suggestions given and have sent to the Deans of Academic Affairs for further action.

The course wise feedback collected from the faculty and students for the odd semester 2025-2026 have been made opened to the HoD's portal for further analysis.

Audit Compliance of course files:

The departments were asked to conduct the internal audit of their course files for the odd semester 2025-2025 and the audit compliance certificate were received from all the departments.

I. Workshops, Seminars, Conferences, Skill Enhancement and Hands-on Training Programmes Conducted:

1. Meeting on AQAR Data Collection and Future Readiness – 04.12.2025

A meeting was held on 04.12.2025 at 12:15 p.m. in the IQAC Office to discuss the collection and organization of data required for the Annual Quality Assurance Report (AQAR). The focus was on ensuring completeness, accuracy, and systematic documentation aligned with quality assurance requirements. *Subsequently, the AQAR team compiled and organized the data to ensure readiness for the revised NAAC accreditation format.*

2. External Academic Audit (Assessment Year 2024–2025)

- SSR format and PowerPoint guidelines circulated to departments – 25.11.2025
- Orientation for Internal Observers – 12.01.2026
- Orientation for Heads of Departments – 20.01.2026
- External Academic Audit – 22.01.2026

The audit comprehensively reviewed curriculum delivery, teaching–learning and evaluation practices, research and extension activities, infrastructure, student support, and governance. Departments presented Self-Study Reports with documentary evidence. The External Experts provided constructive feedback aligned with the parameters of the National Assessment and Accreditation Council (NAAC).

The scores and suggestions provided by the External Experts, along with the recommendations of the Internal Observers, were systematically documented and preserved in both soft and hard copy formats to ensure proper record maintenance and future reference. The audit recommendations have been formally communicated to the concerned departments for necessary action, compliance, and structured follow-up.

The Internal Quality Assurance Cell (IQAC) will further undertake the following measures to ensure effective follow-up and sustained quality enhancement:

- Preparation of Department-wise Action Plan Reports.
- Periodic monitoring of implementation of the plans.
- Integration of audit findings into institutional quality enhancement initiatives.

Preliminary Review and Submission of NIRF 2026 Data

- Preliminary Review Meeting – 18.02.2026
- NIRF 2026 Data Submission – 25.02.2026

The data compiled for the National Institutional Ranking Framework (NIRF) 2026 was reviewed for accuracy and completeness. The submission and account statements were shared with Dr. Baba Gnanakumar, Professor, Institute of Management, School of Business and Management, Kristu Jayanti Deemed to be University, for expert evaluation. Based on that necessary refinements were incorporated prior to final submission.

II. Faculty Participations:

1. Participation in Workshop on State Institutional Ranking Framework (SIRF) – 19.01.2026

   The IQAC Coordinator and an IQAC member attended the workshop conducted by the Tamil Nadu State Council for Higher Education (TANSCHE). The session focused on institutional ranking publication, limitations of the existing ranking framework, and the need for a comprehensive, outcome-oriented evaluation system.

2. Participation in AIACHE–AAT Academic Enrichment Series – 27.01.2026

   The IQAC Coordinators, AQAR Coordinators, and IQAC members participated in the Academic Enrichment Series on Sustainability Outcomes and Green Initiatives aligned with the proposed NAAC revised framework (Attribute 10). Recommendations were received to strengthen sustainability practices and AQAR performance.

III. Outreach Activities:

Interaction with Government Arts and Commerce College, Tarad, Gujarat – 24.11.2025

Faculty members from Government Arts and Commerce College, Tarad, Gujarat visited the IQAC during the forenoon for academic interaction and knowledge sharing. The IQAC Coordinators elaborated on the structure, functions, best practices, AQAR preparation, documentation processes, and quality assurance mechanisms aligned with NAAC requirements.

Alumnae Spotlight

The **Alumnae Spotlight Module** is a dedicated feature designed to showcase and celebrate the achievements of Lady Doak College alumnae across various fields. This module serves as a platform to highlight their contributions, success stories, and inspiring journeys, reinforcing the strong bond between the institution and its graduates.

Through this initiative, the college recognizes alumnae who have excelled in academics, research, entrepreneurship, social service, leadership, arts, and other domains. Their stories not only honor their accomplishments but also serve as role models for current students, motivating them to strive for excellence.

The module is updated periodically with new profiles, photographs, and career highlights of distinguished alumnae. It provides a space for alumnae to stay connected with the college community and strengthens the legacy of Lady Doak College by illustrating the global impact of its graduates.

By spotlighting alumnae achievements, the module fosters pride, strengthens networking opportunities, and enhances the visibility of the college's contributions to society through its graduates.

Research Scholar API Provision

The **Research Scholar API Provision** is a dedicated platform that empowers research scholars to systematically record and update their academic and professional accomplishments. This provision enables scholars to upload details of their research presentations, workshops, seminars, publications, and other notable achievements in a structured manner.

By providing this facility, the college ensures transparency, accuracy, and ease of access in maintaining research-related records. It also helps in streamlining the documentation process for performance assessment and academic progression, while fostering a culture of research excellence.

The system not only benefits research scholars by giving them a centralized space to showcase their work but also assists the institution in tracking and recognizing scholarly contributions, thereby strengthening the overall research ecosystem.

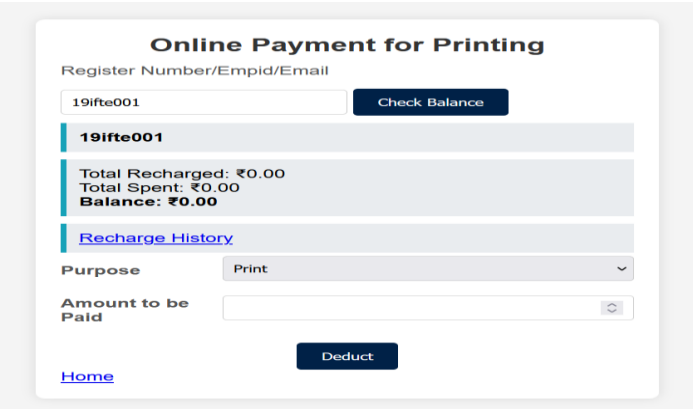

Student Recharge System

The Student Print Recharge System is a convenient facility introduced to support the academic needs of students by providing an easy and accessible way to take printouts for their coursework, assignments, and research purposes.

Through this system, students can recharge their print accounts in advance and utilize the balance whenever required. This not only ensures a hassle-free process but also promotes efficient use of resources by minimizing cash transactions.

The provision helps students manage their printing requirements seamlessly within the campus, ensuring timely access to academic materials while maintaining accountability and transparency in the usage of printing services.

CCTV Surveillance Camera Installation

To enhance campus safety and security, the college has significantly upgraded its surveillance infrastructure through the installation of **50 new CCTV cameras** and **100 monitoring systems** across key locations.

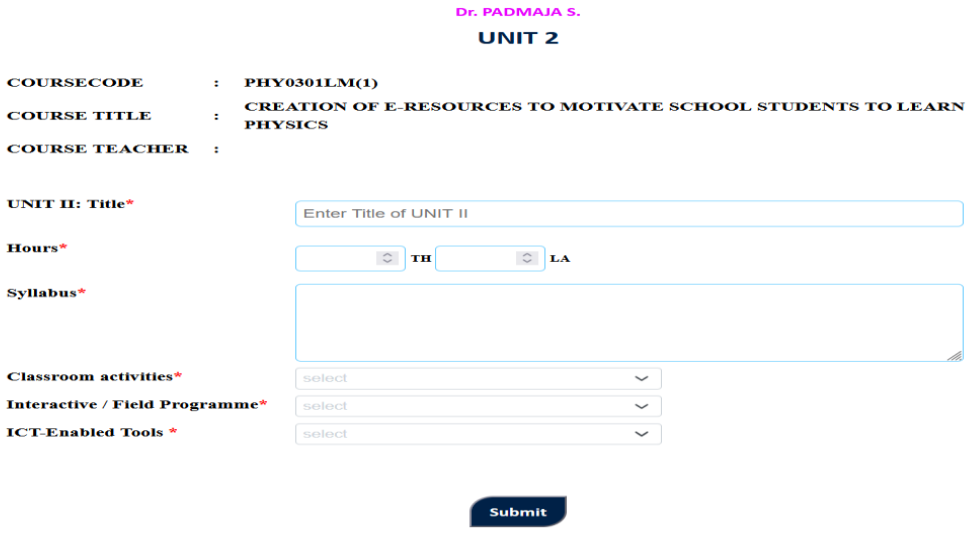

This advanced setup ensures 24/7 monitoring of academic blocks, laboratories, libraries, hostels, and common areas, thereby creating a safe and secure environment for students, faculty, and staff. The system also aids in efficient campus management by enabling quick response to incidents, ensuring discipline, and safeguarding institutional property.

Work Plan and Syllabus Entry Module

The **Work Plan and Syllabus Entry Module** has been developed to streamline academic planning and monitoring. Through this system, each faculty member can **create and update the syllabus** for the courses they handle, ensuring clarity and transparency in curriculum delivery.

Faculty members can also **prepare and access their work plan**, which becomes visible during student attendance marking. This feature enables seamless integration of teaching plans with classroom execution, helping faculty track progress against the planned syllabus in real time.

The module enhances **accountability, systematic course coverage, and academic efficiency**, while also serving as a valuable reference for curriculum monitoring and institutional reporting.

Moodle Backup 2024-2025

To ensure uninterrupted access to learning resources and safeguard academic data, the Moodle Learning Management System (LMS) backup for the academic year 2024–2025 has been successfully created.

The backup process includes course materials, assignments, student submissions, evaluation records, and faculty resources uploaded during the academic year. This initiative guarantees data security, easy retrieval of content, and continuity in the teaching-learning process.

By maintaining a systematic backup, the college ensures that the digital repository of courses remains preserved for future reference, audits, and academic planning, while also aligning with best practices in academic data management.

Migration to Framework-Based Development and Training for Programmers

As part of the institution's digital enhancement initiatives, a strategic decision has been made to **migrate all modules to a framework-based development environment**. This transition ensures better scalability, security, maintainability, and faster deployment of institutional applications, aligning with modern software development practices.

To support this initiative, a **40-hour intensive training programme** was organized for the **programmers in the Centre for Information Technology (CIT)**. The training covered:

- Introduction to modern frameworks and their advantages
- Best practices in structured coding and modular development
- Hands-on sessions for converting existing modules into framework-based systems
- Security, optimization, and maintainability features in framework usage
- Real-time case studies and application building

This training not only upgraded the technical expertise of the CIT team but also empowered them to handle future development and upgradation tasks more efficiently. By adopting framework-based development, the college ensures a **robust, future-ready digital ecosystem** that supports all academic and administrative processes.

Two-Week Joint Faculty Development Programme on "AI for Teaching and Learning"

A **Two-Week Joint Faculty Development Programme (FDP)** on *"AI for Teaching and Learning"* is scheduled to be held from **18th to 29th August 2025**. This programme is an initiative of the **Ministry of Electronics & Information Technology (MeitY), Government of India**, organized in collaboration with the **Electronics & ICT Academy, IIT Guwahati**, and hosted by the **Internal Quality Assurance Cell (IQAC), Lady Doak College**.

The FDP is designed to enhance the knowledge and teaching practices of faculty members by providing hands-on exposure to **Artificial Intelligence applications** in the field of education. The programme will focus on integrating AI-driven tools into curriculum design, classroom delivery, student assessment, and research, thereby enabling faculty to adopt innovative, technology-enabled teaching methodologies.

The sessions will be led by eminent academicians, researchers, and industry experts who will share insights on topics such as:

- AI applications in higher education and e-learning platforms
- Machine learning and natural language processing for teaching enhancement
- AI-powered student performance analytics

- Case studies and practical demonstrations on AI tools for pedagogy

Through this programme, participants will develop the ability to leverage AI not only for **improving teaching efficiency** but also for **fostering interactive and personalized learning experiences** for students.

Module Upgradation Initiatives

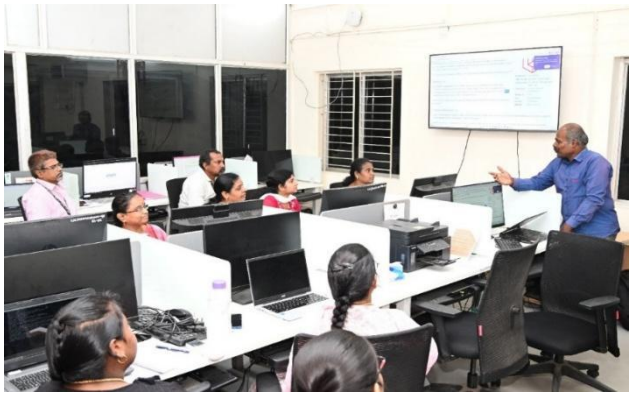

As part of strengthening the digital infrastructure, Lady Doak College has undertaken significant **system upgradations** to enhance efficiency, transparency, and user experience in academic and administrative processes. The upgraded modules include:

- **Reports –** Enhanced generation of academic, administrative, and performance reports with advanced filtering and analytics for quick decision-making.
- **Staff Profile Management –** A dynamic module enabling faculty and staff to update and maintain their academic credentials, achievements, and contributions in a structured format.
- **Online Payment System –** A secure and user-friendly platform for fee payments, ensuring transparency, convenience, and reduced manual intervention.

- **Admission Portal** – Digitally upgraded admission system that streamlines student applications, merit list generation, selection, and communication with applicants.
- **Student Registration** – Improved registration process for regular programs with automated validations, reducing manual errors and enhancing accuracy.
- **Vocational Course Registration** – A dedicated portal for students enrolling in vocational programs, allowing flexible choices and easy tracking of enrollment data.
- **Skill-Based Course Registration** – Provision for students to register for add-on/skill-based courses aligned with employability and career development goals.
- **Documentation Committee**

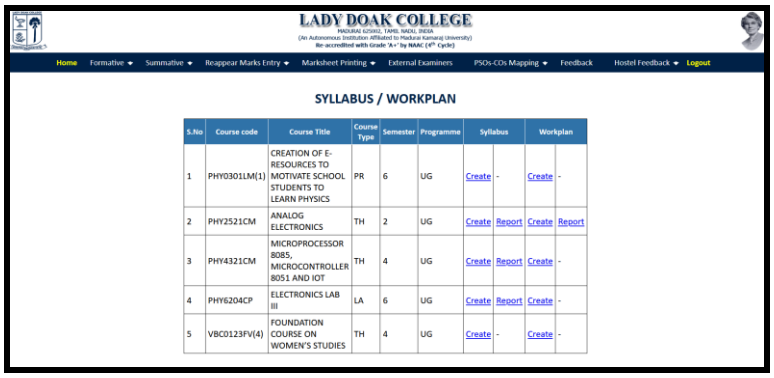

Migration to Framework-Based Development and Training for Programmers

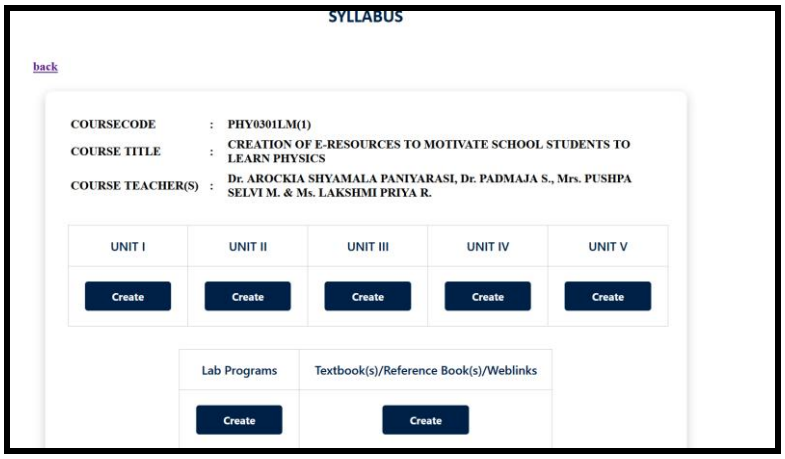

As part of the institution's digital enhancement initiative, all modules are being migrated to a framework-based development environment to improve scalability, security, and maintainability. A 40-hour intensive training programme was conducted for CIT programmers, covering modern frameworks, best coding practices, hands-on module conversion, and real-time case studies. This initiative strengthens the technical capability of the team and ensures a robust, future-ready digital ecosystem for the college.

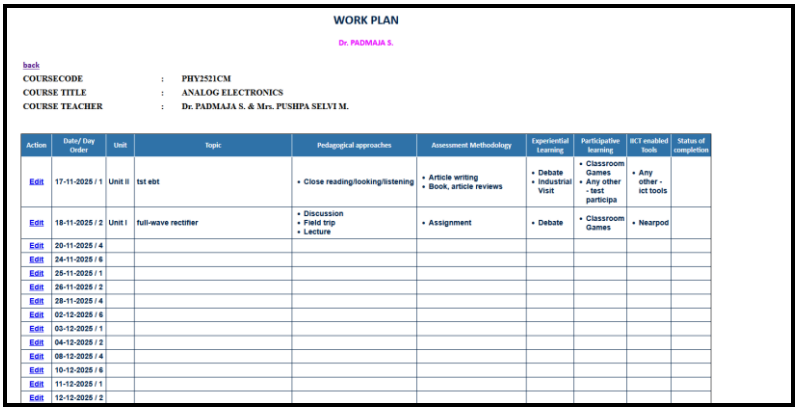

Syllabus/ Work Plan

The Syllabus/Workplan Module helps faculty plan and deliver courses using diverse pedagogical and assessment methods, including case studies, group activities, experiential learning, and ICT-enabled tools. It supports continuous evaluation through assignments, discussions, and cooperative tasks, ensuring innovative teaching practices and improved learning outcomes.

Condonation

The Condonation Module automates attendance-based eligibility for semester examinations, calculating fees and updating status as per institutional policy. Students with 65%–75% attendance can write exams by paying a Rs. 300/- condonation fee, while those below 65% are restricted as per guidelines, ensuring transparency and streamlined processing.

Examination Result Passing:

Examination results are published through the Automation Portal, allowing students to easily view their Pass/RA status and overall semester results once evaluations are

completed. This digital process ensures accuracy, timely communication, and convenient access without manual delays

Awards

Lady Doak College has been recognized as the Open-Source Geospatial Knowledge Centre for Madurai District and honoured as a Best College Award–Winning Institution with the National Geospatial Award. The award was presented by the Madurai Collector and received by the Principal of Lady Doak College.   The programme will support institutional teams in developing ethical and context-specific **AI governance frameworks and action plans** for teaching,

research, and administration through expert-led interactive sessions and mentoring

- **Migration of Admission Module to React JS Framework**

The **Admission Module** has been successfully migrated to the **React JS framework**, enhancing system performance, scalability, and user experience through faster page loading, improved responsiveness, and a more intuitive interface for applicants and administrators.

This upgrade enables modular development, easier maintenance, and seamless backend integration, ensuring efficient workflows, future-ready enhancements, and a more reliable and streamlined digital admission process.

- **Implementation of College Election Module**

The **College Election Module** has been implemented to digitize and streamline institutional elections by enabling secure voter verification, candidate nomination, online polling, and automated result compilation.

- **Implementation of Comprehensive Moodle e-Assessment System**

A comprehensive **e-Assessment system using the Moodle platform** has been implemented to support online assessments, including student enrolment mapping, attendance management, formative and summative tests, secure question paper delivery, automated evaluation, and structured mark entry.

This framework improves transparency, accuracy, and efficiency in examination management, reduces manual work, and enables outcome-based digital assessment aligned with modern educational standards.

- **Module Upgradation Initiatives**

Lady Doak College has implemented major system upgradation initiatives to strengthen its digital infrastructure and enhance efficiency, transparency, and overall user experience across academic and administrative functions. These initiatives reflect the institution's commitment to building a robust and future-ready digital ecosystem.

The key upgraded modules include:

- **Reports Module** – Advanced report generation with analytics and dynamic filtering to support faster and informed decision-making
- **Staff Profile Management** – A comprehensive and dynamic system for maintaining academic, professional, and service records
- **Online Payment System** – A secure, transparent, and user-friendly digital platform for fee payments

Department of Social Sciences

The Department of Social Sciences, Lady Doak College, conducted a One-Day UGC NET Training on 23th February 2026 for MSW and M.Sc. Psychology students. A total of 94 postgraduate students benefitted from the programme. The programme aimed to strengthen exam preparedness and boost confidence among NET aspirants. Ms. Angel Ratchanya handled the inaugural Paper-I session, offering strategies on logical reasoning, teaching aptitude, and research methodology. In the afternoon, Ms. Pooja Sri, JRF and Research Scholar, trained M.Sc. Psychology students on Paper-II, while MSW students attended a specialization-focused Paper-II session by Ms. Angel. The training proved highly beneficial, offering structured guidance and exam-oriented techniques

Report on the Inauguration of the Tailoring Project – "Earn While You Learn"

The Alumnae Association of Lady Doak College, in collaboration with the Career Guidance and Internship Cell, inaugurated a new initiative – the Tailoring Project "Earn While You Learn" – on 18th August 2025 at NRSC Upstairs. This project aims to provide opportunities for students and alumnae who are interested in stitching, enabling them to take up orders from the college and develop their skills while earning.

The event was graced by the Principal, Dr. R. Beulah Jeyashree, the Vice Principal, Dr. Nimma Elizabeth R, Mr. Nawas Babu and Mr. Venkatesan of Meena's Fashion, along with other members of the administrative staff. The program began with a prayer led by the Chaplain, Dr. Jessie Ranjitha Jebaselvi C, followed by a warm welcome address and introduction by Dr. Marie Serena McConnell, Coordinator – Internship cell.

Special appreciation was extended to Mr. Nawas Babu and Mr. Venkatesan for their valuable support and encouragement in launching this project. They also shared motivating remarks with the students and the gathering.

The Principal and Secretary, Dr. R. Beulah Jeyashree, delivered her inspiring remarks, appreciating the initiative and highlighting its potential to benefit both students and alumnae. This was followed by the vote of thanks delivered by Dr. Joy Marjorie Annal D, Secretary - Alumnae Association.

The event concluded with a group photo session, capturing the memorable inauguration

Lady Doak College, Madurai, held its annual Alumnae Meet on 27.09.2025, drawing an impressive attendance of around 430 alumnae from across batches and disciplines. The event was marked by reflection, celebration, and the reaffirmation of the enduring bonds between the institution and its former students. The proceedings commenced with a prayer song rendered by the College Choir, followed by a prayer led by the College Chaplain, Dr Jessie Ranjitha Jebaselvi C. The welcome address was delivered by Ms. Felcia Vasanthakumari J, President of the Alumnae Association. The Secretary's Report was presented by Dr Joy Marjorie Annal D, and the Treasurer's Report by Ms. Deva Sangeetha D, both of whom provided a detailed account of the Association's activities during the past year. A central feature of the gathering was the address of Dr R. Beulah Jeyashree, Principal and Secretary of Lady Doak College, who reflected on the college's growth as a center of learning, character, and service. She also shared developments concerning the forthcoming Satellite Campus, noting that Lady Doak College continues to evolve in keeping with its founding vision.

The event also witnessed the installation of new office-bearers. Dr Sriilatha, Former Associate Professor and Coordinator of B. Com (Hons.), assumed office as the new President of the Alumnae Association, while Dr Bridget Mary, Former

Head of the Department of Physics, was installed as Vice President. Outgoing leaders, including Ms. Felcia Vasanthakumari J and Ms. Beryl Jenifer S, were honoured for their dedicated service to the Association. The gathering was enriched by reminiscences shared by alumnae across generations. Among them were Mrs. Jayalakshmi, Former Director of Schools and alumna of Zoology; Mrs. Pauline Daniel, from the first batch of Commerce (1976); Mrs. Pramila, alumna of English and Retired Headmistress; as well as younger alumnae including Ms. Pavithra and Ms. Suganthi, Engineers at Madura Coats, from the Department of Computer Science. Their recollections captured the spirit of fellowship and continuity that define the Lady Doak alumnae community. A reflective poem composed and recited by Ms. Brindha, Alumnae Development Officer, added a personal and evocative note to the occasion. The meeting concluded with the Vote of Thanks delivered by Ms Beryl Jenifer S, followed by the rendition of the College Song.

II. Patent Applied

1. Dr. Marie Serena McConnell submitted a provisional patent on 15.09.2025 for a device titled: Floating Solar-Powered Biofilm–Activated Carbon Microplastic Filtration Device (Application No. – IN202541087423)

2. Dr. S.K. Suja and Dr. S. Mathiya have filed a patent on 28.1.2025 for ""Pyrimidine catenated poly-β-cyclodextrin biogels for capturing ammonia from urine to effectively convert into pathogen-free bionanofertilizer with good water loading ability" (Application No. 202541006870)

II. Awards and Fellowship

II (a) Awards

Dr. M. Helen Mary Jacqueline and Dr. S. Sudha received the Global Scholarly Excellence Award on 28.06.2025 for paper presentation at an event jointly organized by Cape Forum–Of, By and For You Trust (India), JCI Kanyakumari (India), and Share to Care Volunteers (Indonesia).

Ms.M. Priyadharshni received the *"Mahatma Gandhi Memorial Award – 2025"* by the Indian Research & Innovation Professionals Association in collaboration with LKP Academy, during the 79th Independence Day celebrations, in recognition of her recently published book, which received the *Best Publication Award*.

Dr. T. R. Sivapriya, Associate Professor of Computer Science, received the Active SPOC Award at the National level in December 2025 from NPTEL, MHRD, Government Recognised Agencies or Bodies.

Dr. Anitha Selvaraj, Assistant Professor of Economics, received the International Teaching & Research Excellence Award 2026 for Academic Excellence in January 2026 from LKP Academy, Madurai.

College

1. Lady Doak College was honoured with a Certificate of Recognition at the national level, awarded by MongoDB and the ICT Academy, both government-recognised agencies. This recognition, received in September 2025, acknowledges the college's dedicated coordination and guidance during the MongoDB Skill-a-Thon.
2. Lady Doak College was honoured with the Most Engaged Institution of the Year award at the national level by the ICT Academy, a government-recognised agency. The award, received in September 2025, was given in recognition and appreciation of the college's active participation in the initiatives of the ICT Academy.
3. Lady Doak College was honoured with "Inclusive College of the Year 2025" award by Resource Education and Charitable Trust (REACT) – Government Recognised Agency in October 2025.

Department of Hindi

1. Dr. S. Priti Latha, Assistant Professor of Hindi, received the Indira Gandhi Women Leadership and Empowerment Excellence Award 2025 for Teaching and Research Excellence in November 2025 from the National Institute of Research and Development, India.

Department of English

2. Dr. M. Keerthana, Assistant Professor, is currently at Oberlin College, Ohio, USA, as a Visiting Scholar with Oberlin Shansi. She will be there for the fall semester, from September to December 2025.
3. Ms. Hannah Sophiah Samuel, Assistant Professor, received the Faculty Enrichment Programme Abroad (FEPA) Visiting Scholar Award for Oberlin College's Fall Semester 2026 from Oberlin Shansi on 22.09.2025.
4. Ms. K. Hemalakshmi, Assistant Professor (SF), presented a paper titled "Is Development a Form of Domination? An Eco-Imperialist Critique of *The Adivasi Will Not Dance*" at the 5th International Conference on "Contemporary Perspectives in English Language, Literature and Cultural Studies" organised

by the Department of English, Chandigarh University, Chandigarh, on 26.09.2025 and 27.09.2025, and received the Best Paper Award

Department of Economics

5. Dr. M. Helen Mary Jacqueline, Head and Associate Professor, received the Empowered Educator Excellence Award on 05.09.2025 by United Teachers Alliance for Empowerment (UTAE).
6. Dr. M. Helen Mary Jacqueline, Head and Associate Professor, received the Outstanding Researcher Award in acknowledging of outstanding leadership, visionary contributions and remarkable achievements in advancing global education, at the International Conference on Innovative Pathways in Education and Multidisciplinary Research: Bridging Cultures and Disciplines for a Sustainable Future, held on 30.09.2025 and 01.10.2025 at Shinawatra University, Thailand.
7. Dr. Anitha Selvaraj, Assistant Professor, presented a research paper titled "Bridging the Digital Divide: Strategic Roadmaps for MSMEs in Emerging Economies — An Experimental Study" at the International Conference on Global Research Frontiers 2025: Innovation, Sustainability and Digital Transformation, organised by Scicraft Publication, Mumbai, on 12.10.2025. The paper received the Best Paper Award.
8. Dr. Anitha Selvaraj, Assistant Professor, received the Dr. APJ Abdul Kalam Memorial Excellence Award (Teaching and Excellence Award) from LKP Academy, Madurai, in collaboration with the Indian Research and Innovation Professionals Association, on 15 October 2025.

Department of Physics

9. Dr. C. Esther Elizabeth Grace, Assistant Professor (SF), presented a research paper titled "Nutrient-Driven Pigment Modulation in Pseudomuriella sp. Analyzed by FTIR and Raman Spectroscopy for Bio-Solar Cell Applications" at the International Academia–Industry–Innovation Conclave (AIIC-2025), held from 27.11.2025 to 29.11.2025. The paper received the Best Paper Award.

   Authors: C. Esther Elizabeth Grace, M. Briget Mary, P. Sakthieaswari, S. Srisudha, and Seetharaman Vaidyanathan
10. Ms. S. Susanna Victoria Backiyaleela (MKU24FFOS11389), presented a research paper titled "Predicting Catalytic Sites for Efficient HER Activity on Nitrogen/Boron-Doped Graphene: A First-Principles Study" at the International Academia–Industry–Innovation Conclave (AIIC-2025), held from 27.11.2025 to 29.11.2025. The paper received the Best Paper Award.

Authors: S. Susanna Victoria Backiyaleela, Harsha Varthni A. P., A. Suresh, and S. Sinthika.

Department of Computer Science

11. Dr. N. Jayachandra, Head & Associate Professor of the Department of Computer Science, was honoured with the Best Coordinator Award 2025 (Arts and Science), conferred by the ICT Academy, a government-recognised national body. The award, received in September 2025, in recognition and appreciation of distinguished performance in the role of ICT Academy Coordinator.
12. Dr. N. Jayachandra, Head & Associate Professor of the Department of Computer Science, received the Rising Contributor Award from MongoDB and the ICT Academy, both government-recognised national agencies. Presented in September 2025, in appreciation of your outstanding support and active participation in MongoDB skill-a-thon. Your institution has achieved a remarkable milestone by enabling 200+ students to successfully complete the program.

I. (a) Research Fellowship (NEW) - TNCHR

Ms. A. Vasavi (MKU24FFOA11678), Research Scholar, Department of History, has been awarded a Fellowship by the Tamil Nadu Council of Historical Research (TNCHR), Government of Tamil Nadu, for the academic year 2025–2026, for a period of one year commencing from 09.01.2026, with a financial grant of ₹50,000/- per month.

II. (b) Research Fellowship – UGC

A total of seven full-time research scholars (six from the PG & Research Department of Tamil and one from the Department of Zoology) of Lady Doak College are recipients of the UGC Fellowship.

11. R. Ranjani – Department of Zoology (February 2025 onwards)
12. S. Jesfa Pouline – Department of Tamil (August 2025 onwards)

III. Research Programmes Organized

1. The Science Instrumentation Centre and R & D Cell organized the "Summer Internship Programme in Analytical and Instrumentation Techniques in Sciences (DST – FIST supported)" from 19.05.2025 to 06.06.2025.
2. The Departments of Chemistry and Physics, in collaboration with the R & D Cell organised a Research Enrichment Lecture on "Innovating Medical Devices through Interdisciplinary Science" on 11.07.2025. Dr. V. Krishnakumar, Chief Technology Officer of Oculotix Inc., USA, and founder of Multiple Biomedical Ventures, was the resource person. A total of 27 faculty members and 76 PG students from the Departments of Physics and Chemistry actively participated in the lecture.
3. The Department of Chemistry, in collaboration with R & D Cell, organised an interactive session with Dr. Nancy David, a representative of IMAI LLC, California, USA on 01.08.2025. A total of 15 faculty members participated in the interaction. During the session, Dr. Nancy provided valuable insights into the research focus of IMAI LLC and explored potential avenues for collaboration with the Departments of Physics, Chemistry, Botany and Zoology at Lady Doak College. She also emphasised the possibility of establishing a mutually beneficial Memorandum of Understanding (MoU) between IMAI LLC and the college.
4. The Department of English, in collaboration with the R & D Cell, organised a "Project Writing Workshop" on 08.09.2025. Dr. D. M. Amala, Associate

Professor & Head, Department of English, Sri Meenakshi Government Arts College for Women, Madurai, served as the resource person for the session. A total of 140 students and five faculty members participated in the event. The session was highly informative and benefited the participants in strengthening their academic writing competencies.

5. The Science Instrumentation Centre, in collaboration with the R & D Cell, organised a Training of Trainers: Advanced Laboratory Instrumentation Programme 20.09.2025. Non-teaching staff members of the Science Departments served as resource persons, offering hands-on guidance to fellow technical assistants of the science departments. The training focused on instrument handling, maintenance, safety practices, and laboratory efficiency. The programme strengthened technical competency and promoted effective knowledge sharing within the institution.
6. The Department of Physics, in collaboration with the R & D Cell, organised an online Guest Lecture for the III UG and II PG students on "Understanding Research Metrics: From Citations to Impact" on 24.09.2025. A total of 126 students actively participated in the lecture. The resource person for the session was Dr. Anjana Tripathi, Postdoctoral fellow, Technical University of Denmark.
7. The Department of History and the Department of Tamil, in collaboration with INTACH, Madurai, organised a symposium on "Evolution of Tamil Scripts" on 14.10.2025. The event was conducted as part of the *Thaenmathura Tamil Thiruvizha*, commemorating October 12 (2004), the historic day when Tamil was officially declared the first classical language of India. A total of 91 participants, including students, research scholars, and faculty members from various institutions, took part in the symposium.
8. The Department of Economics organised an International Conference on "Behavioural Economics: Redefining Economic Approach, Emerging Insights Beyond Unbounded Rationality" in collaboration with the Agapuram Policy Research Centre, Erode on 11.10.2025 and 12.10.2025. A total of 239 participants including 14 faculty members and 225 students attended the conference.
9. The Department of Economics organised a guest lecture on 'Applications of Tobit Model in Research' on 15.10.2025. A total of 120 students and 5 faculty members participated in the session.
10. The Department of English organised a 'Writing Abstracts for Research' workshop on 18.11.2025, facilitated by Dr. Hillela P. and Ms. Sharon Jeevarajathy E., with six students receiving hands-on training and completing a draft abstract.

11. The Departments of Physics, Chemistry, Botany, Zoology and Biotechnology of Lady Doak College jointly organized the CSIR-sponsored International Academia–Industry–Innovation Conclave (AIIC-2025) from 27 to 29 November 2025. The Conclave was inaugurated by Honourable Dr. N. Kalaiselvi, Director General, CSIR, and brought together academia, industry, and research experts through invited talks, a hackathon, oral and poster presentations, a panel discussion with startup leaders, and an industry expo. The event witnessed enthusiastic participation with more than 90 external participants, including 45 paper presenters and 32 Hackathon participants, along with over 250 internal participants. Delegates represented institutions from Tamil Nadu, Karnataka, West Bengal, New Delhi, and several other Indian regions, as well as international universities from Taiwan, Indonesia, New Zealand, and the Philippines. Prominent invited speakers included Dr. N. Valarmathi (Former Deputy Director, URSC–ISRO), Dr. V. Krishna Kumar (CTO, Oculotix, USA), and Dr. N. Vijayan (Senior Principal Scientist, CSIR–NPL). A significant outcome of the Conclave is the signing of an MoU between Lady Doak College and IMAI Research and Development, USA, to promote joint research, internships, collaborative workshops and industry engagement. The beneficiaries include students, researchers, industry partners, academicians, entrepreneurs, and startups.
12. The R & D Cell organised a Faculty Development Programme on "Interdisciplinary Research Proposal Design" on 12.01.2026. The programme featured a Research Enrichment Lecture by **Prof. V. Samuel Raj**, Registrar & Dean (R&D) and Director (C4D), SRM University, Delhi–NCR, on **"Deep Science and Deep Tech: Journey from Research Discovery to Product Development."** The lecture was attended by **36 participants across the Science and Humanities departments**. **Twelve interdisciplinary faculty members from four teams** presented their research proposals and received expert feedback.
13. The R & D Cell organised a Hands-on Training Programme on "UV-Visible Spectrophotometer" on 12.02.2026. Twelve faculty members, twelve students, and one non-teaching staff member participated in the programme.

IV. (b) Collaborative Activities for Research

The Department of Zoology successfully initiated an applied learning and industry-collaborative project titled "Preparation of Medicinal Oil for Leg Pain" in partnership with VVV Oil Company, Virudhunagar. This one-year project, scheduled from October 2025, involved two postgraduate students—Ms. Priyavarshini A (25PGZ011) and Ms. Prekshitha Gayathri (25PGZ010)—under the guidance of Dr. A. P. A. Rani. The project aimed to familiarize

students with the scientific formulation of therapeutic oils while strengthening academia–industry collaboration. As part of this collaboration, the industry supplied the oil to the project students at 50% of the original cost, supporting their research activities.

Department of Tamil

The Department of Tamil organised a Seminar on "தமிழ் இலக்கியங்களில் பன்முகத்தன்மை" (International Conference) on 24.02.2026. A total of 71 participants attended the seminar, including 40 faculty members (13 external and 27 internal), 18 research scholars (6 external and 12 internal), 11 students and other participants, and 2 international participants. The seminar provided a valuable platform for scholarly discussion and exchange of ideas in the field of Tamil literature.

Department of English

- The Department of English organised a workshop on "Academic Paper Writing: Principles and Practice" on 27.01.2026. Eighty-five students participated in the workshop. The session helped participants understand the principles, structure, and practical aspects of writing academic papers for research and publication.
- The Department of English organised a Workshop on "Identifying Journals for Publication" on 16.12.2025. Twelve students participated in the workshop. The session helped participants identify suitable journals for their research publications.
- The Department of English, in collaboration with the Centre for Women's Studies, organised a Two-Day International Conference on "Voices of Women across Cultures" on 16.02.2026 and 17.02.2026. A total of 169 participants attended the conference in hybrid mode, with 54 presenters contributing papers. The conference resulted in the publication of the Conference Proceedings, published as a book with ISBN.

Department of History

The Department of History, in collaboration with the Dravidian Historical Research Centre, Chennai, organised a One-Day State Level Conference on "Redeeming India's History from Distortions" on 21.01.2026. A total of 312 students, 7 research scholars, and 33 faculty members (both internal and external) participated in the conference.

Department of Social Sciences

- The Department of Social Sciences organised a Guest Lecture on "Effective and Responsible Use of AI for Research" on 01.12.2025. Eight faculty members and fifty-eight students participated in the programme.
- The Department of Social Sciences organised a Guest Lecture on "Constructing Effective Research Tools: Scaling Techniques" on 11.02.2026. One faculty member and twenty-two students participated. The session enhanced participants' ability to design various scaling techniques and interpret scale-based data effectively.
- The Department of Social Sciences organised a Workshop on "Quantitative Research Workshop for Social Workers" on 13.02.2026. Five faculty members and fifty-eight students participated in the workshop. The session enabled students to apply quantitative methods, analyze and interpret data, and critically assess quantitative studies with ethical and culturally sensitive approaches.

Department of Economics

- The Department of Economics organised a Guest Lecture on "Smart Investing: Tools and Techniques for Managing Risk in Modern Financial Markets" on 17.12.2025. Thirty-six postgraduate students participated in the programme.
- The Department of Economics organised a Guest Lecture on "Social Media Communication for Career" on 19.01.2026. Ninety undergraduate students participated in the session.
- The Department of Economics organised a Guest Lecture on "Introduction to Open-Source Packages for Econometrics" on 17.02.2026. Twenty-two postgraduate students participated in the session.
- The Department of Economics organised a Skill Enhancement Programme for UGC NET Economics Aspirants on 18.02.2026 – 19.02.2026. Thirty-seven postgraduate students benefited from the programme.

Department of Commerce

- The Department of Commerce organised a Guest Lecture on "Introduction to Research" on 11.12.2025 for M.Com. students. Seventy students participated in the session. The lecture enabled students to gain a clear understanding of the fundamentals of research and the systematic approach required for conducting a research study.

- The Department of Commerce organised a Symposium titled "Commerce Connect" on 19.12.2025. A total of 1100 students participated in the event.
- The Department of Commerce organised a National Conference on "Forensic Accounting and Fraud Analytics in the Digital Era" on 30.01.2026. A total of 110 students participated in the conference.
- The Department of Commerce, in collaboration with the R & D Cell, Lady Doak College, organised a One-Day Workshop on "Data Analysis for Research" on 10.02.2026. Thirty students participated in the workshop. The programme strengthened their understanding of research concepts and enhanced their practical skills in data analysis.

Department of Mathematics

The Department of Mathematics organised a Workshop on "Exploring Differential Equations with SageMath: Theory to Computation" on 08.12.2025. Eighteen faculty members participated in the workshop, which enhanced their computational and analytical skills in differential equations.

Department of Physics

- The Department of Physics organised a Guest Lecture on "Role of Optics in Modern Society" on 10.02.2026. Sixteen faculty members and 211 students participated in the session.
- The Department of Physics organised a Training Programme on "Typesetting and Graphing Tools for Undergraduate Students" on 14.02.2026. Sixty-four students participated in the training.

Department of Botany

The Department of Botany organised a Faculty Development Program on "Research Grant Proposal Writing" in collaboration with the R&D Cell on 24.02.2026. A total of 8 faculty members participated in the programme. The Faculty Development Programme proved to be highly successful, equipping participants with essential knowledge, practical guidance, and motivation to actively engage in securing research funding.

Department of Zoology

21. The Department of Zoology organised a Guest Lecture on "Project Writing" in association with the R&D Cell, Lady Doak College, on 30.01.2026. A total of 45 students (33 UG and 7 PG) and 5 faculty members participated in the programme. The session provided valuable insights into the fundamentals of

project preparation, research structuring, and academic writing, thereby enhancing the participants' understanding of effective project development.

Centre for Women's Studies

The Centre for Women's Studies organised a Guest Lecture on "National Geo-Spatial Research Internship" focusing on themes of women in rural development, sustainability, water, among others, on 11.02.2026. The session was handled by the FOSSEE GIS Team of IIT Mumbai. Fifteen faculty members and 501 students participated. The lecture provided insights into geo-spatial research applications and encouraged interdisciplinary engagement in community-based development initiatives.

IV. Publication

IV. (a) Scopus and Peer-Reviewed Journals

Between June and August 2025, Lady Doak College faculty published 20 research papers in reputed national and international journals. Of these, four papers appeared in Scopus/Web of Science indexed journals from the Departments of Chemistry and Zoology. The remaining 14 peer-reviewed publications included contributions from Tamil – 2, Hindi - 1, Economics - 4, Commerce - 2, Business Administration - 1, Mathematics - 2, Botany - 1, and Zoology - 3.

Dr. Anitha Selvaraj, Assistant Professor, presented a research paper titled "Building Tomorrow's India: Green Infrastructure as the Cornerstone of Viksit Bharat" at the International Conference titled *Viksit Bharat: Developed India @ 2047* organized by the Department of Economics & Centre for Research in Economics, The Madura College, on 08.01.2026.

Department of Commerce

1. Ms. S. Deva Dharshini (23COM014) and Ms. A.Linda Joselyn (23COM034) presented a paper titled "Post-Pandemic Fiscal & Monetary Policies in India" at Two-Day National Conference on Reimagining Indian Commerce (Innovation, Sustainability and Global Integration in the post-pandemic Era) organised by The Department of Commerce & Research Centre, Sourashtra College, Madurai on 18.09.2025 and 19.09.2025.
2. Ms. J.Catherine Kulhman (23COM010) and Ms. K.Harini (23COM019) presented a paper titled "Innovation in Indian Commerce" at Two-Day

National Conference on Reimagining Indian Commerce (Innovation, Sustainability and Global Integration in the post-pandemic Era) organised by The Department of Commerce & Research Centre, Sourashtra College, Madurai on 18.09.2025 and 19.09.2025.

3. Ms. K. Dharshini (23COM015) and Ms. Riana Peeter (23COM053) presented a paper titled "Sustainability in Business Practices (CSR & ESG)" at Two-Day National Conference on Reimagining Indian Commerce (Innovation, Sustainability and Global Integration in the post-pandemic Era) organised by The Department of Commerce & Research Centre, Sourashtra College, Madurai on 18.09.2025 and 19.09.2025.
4. Ms. C. Harsha Patel Chiminlal (23COM021) and Ms. S. Mahima Grazy (23COM037) presented a paper titled "Global Integration and Trade: Evolution of India's Role" at Two-Day National Conference on Reimagining Indian Commerce (Innovation, Sustainability and Global Integration in the post-pandemic Era) organised by The Department of Commerce & Research Centre, Sourashtra College, Madurai on 18.09.2025 and 19.09.2025.
5. Ms. R. Kaviya (23COM031) and Ms. S. Yohameena (23COM067) presented a paper titled "Sustainability in Business Practices" at Two-Day National Conference on Reimagining Indian Commerce (Innovation, Sustainability and Global Integration in the post-pandemic Era) organised by The Department of Commerce & Research Centre, Sourashtra College, Madurai on 18.09.2025 and 19.09.2025.
6. Ms. S. Angel Selsiya (23COM004) and Ms. R.S.Preethika (23COM048) presented a paper titled "Virtual Shopping Experiences: An Innovation in Commerce in Post Pandemic" at Two-Day National Conference on Reimagining Indian Commerce (Innovation, Sustainability and Global Integration in the post-pandemic Era) organised by The Department of Commerce & Research Centre, Sourashtra College, Madurai on 18.09.2025 and 19.09.2025.
7. Ms. A. Rahima Rifaya (23COM051) and Ms. S.S. Sivapratha (23COM055) presented a paper titled "From curriculum to competence: Commerce Education for Digital Economy" at Two-Day National Conference on Reimagining Indian Commerce (Innovation, Sustainability and Global Integration in the post-pandemic Era) organised by The Department of Commerce & Research Centre, Sourashtra College, Madurai on 18.09.2025 and 19.09.2025.
8. Ms. A. Sophy Askgilla (24PGCE30) and Ms. Theophilia (24PGCE35) presented a paper titled "A Conceptual Study on PAYG Solar Models and their Impact in Rural Areas" at ICSSR sponsored National Seminar on Renewable Energy

Resources - Perform, Reform and Transform organised by PG Department of Commerce, Sri Meenakshi Government Arts College for Women, Madurai on 09.10.2025 and 10.10.2025.

9. Ms. P. Anushree (24PGCE03) and Ms. V. Emile Mishba (24PGCE13) presented a paper titled "A Study on the Role of Micro, Small, and Medium Enterprises (MSMES) in Renewable Energy Adoption" at ICSSR sponsored National Seminar on Renewable Energy Resources - Perform, Reform and Transform organised by PG Department of Commerce, Sri Meenakshi Government Arts College for Women, Madurai on 09.10.2025 and 10.10.2025.
10. Dr. E. Bobby, Assistant Professor (SF) and Ms. Rohini, Part-Time Lawyer (SF) presented a research paper titled "Fiduciary Duties in the Age of Climate Risk - Re-Shaping Director's Legal Obligations for Sustainable Corporate Governance" at the International Conference on FOS2026-GRIE organized by Thigarajar School of Management, Madurai on 24.01.2026.
11. Ms. Praisy R. (25PGCE22) and Ms. F. Shereen Bhakya (25PGCE28) presented a research paper titled "A Study on Human Technology Collaboration and Its Impact on the Industry 5.0 Workforce" at the One-Day National Conference on *Industry 5.0 Workforce in the Digital Era* organized by the PG and Research Department of Commerce on 18.02.2026.

Department of Mathematics

1. Ms. V. K. Susitha (24PGM035) presented a research paper titled *"Sudoku Number of Corona Product of Graphs"* at the National Conference on *"Recent Trends in Discrete Mathematics"* organized by Sadakathullah Appa College, Tirunelveli, on 05.02.2026.
2. Ms. E. Ruby Angel (24PGM026) presented a research paper titled *"Cover Edge Pebbling Number of Mobius Ladder Graph"* at the National Conference on *"Recent Trends in Discrete Mathematics"* organized by Sadakathullah Appa College, Tirunelveli, on 05.02.2026.
3. Ms. Y. Tinciha Queen (24PGM037) presented a research paper titled *"2-Exact Dominating Independent Number of Graphs"* at the National Conference on *"Recent Trends in Discrete Mathematics"* organized by Sadakathullah Appa College, Tirunelveli, on 05.02.2026.
4. Ms. V. Angelin Christy (24PGM038) presented a research paper titled *"Super Domination of Some Special Graphs"* at the National Conference on *"Recent Trends in Discrete Mathematics"* organized by Sadakathullah Appa College, Tirunelveli, on 05.02.2026.
5. Ms. D. Carolin (24PGM005) presented a research paper titled *"Efficient Key Generation of Code-Based Post-Quantum Cryptosystem"* at the National

Conference on *"Recent Trends in Discrete Mathematics"* organized by Sadakathullah Appa College, Tirunelveli, on 05.02.2026.

6. Ms. T. Devi (24PGM007) presented a research paper titled *"Exploring Rainbow Coloring of Jacobson Graphs"* at the International Conference organized by Fatima College, Madurai, on 13.02.2026.

Department of Business Administration

1. Dr. S. Anbu Selvi, Assistant Professor (SF), presented a research paper titled "Fearless Restart: Overcoming Bravery Bias in Post-Failure Entrepreneurship" at the International Conference organised by the Department of Economics, Lady Doak College, Madurai, on 11.09.2025 and 12.09.2025.
2. Ms. T. Nandika, Ms. G.M.A. Aasiya Mariyam, Ms. J. Dhivya, Ms. R. Jeya Varsini, and Ms. Kajal J. Mehta, Associate Professor (SF) presented a research paper titled "Direct Marketing Prospects: A Study Among Eco-Friendly Bamboo Artisans of Thathaneri, Madurai" at the International Conference on Research Pathways to 2030: Insights for Sustainable Development, organised by the Department of Corporate Secretaryship, Patrician College of Arts and Science, Chennai, on 26.09.2025.
3. Dr. S. Beulah Mabel, Assistant Professor (SF), presented a research paper titled "Harnessing Elder Wisdom for SDG Implementations: Insights from Indian Communities" at the National Conference on Navigating India's Ageing Population: A Roadmap for Viksit Bharat 2047, organised by The Gandhigram Rural Institute (Deemed to be University), Gandhigram, Dindigul, on 15.10.2025.
4. Dr. S. Anbu Selvi, Assistant Professor (SF), presented a research paper titled "Harnessing Elder Wisdom for SDG Implementations: Insights from Indian Communities" at the National Conference on Navigating India's Ageing Population: A Roadmap for Viksit Bharat 2047, organised by The Gandhigram Rural Institute (Deemed to be University), Gandhigram, Dindigul, on 15.10.2025.
5. Ms. B. Mamta (24BBAE060) and Ms. Kajal J. Mehta, Associate Professor (SF), Department of Business Administration, presented a research paper titled "Investigating the Awareness and Intention to Purchase Eco-Friendly Products among NSS Cadets in Tamil Nadu" at the Two-Day International Conference on "Green Capitalism Remained: Evolving Ecosystems of Commerce and Sustainability (ICGCREECS)", held at Shrimathi Devkunvar

Nanalal Bhatt Vaishnav College for Women (Autonomous), Chennai, on 07.01.2026 and 08.01.2026.

6. Ms. M. Manju (24PDHE26) and Ms. Kajal J. Mehta, Associate Professor (SF), Department of Business Administration, presented a research paper titled "Investigating the Causes of Rework in Garment Manufacturing: An Examination among Shop-Level Employees" at the Two-Day International Conference on "Green Capitalism Remained: Evolving Ecosystems of Commerce and Sustainability (ICGCREECS)", held at Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women (Autonomous), Chennai, on 07.01.2026 and 08.01.2026.
7. Ms. Manisha M. (24PDHE25) and Ms. Kajal J. Mehta, Department of Business Administration, presented a research paper titled "Threads of Loyalty: A Study on the Dimensions of Organizational Commitment in Madurai's Garment Industry" at the International Conference on "Redefining Business & Society: Multidisciplinary Perspective on Sustainable Growth", held at Madha Arts and Science College, Chennai on 20.02.2026.
8. Mrs. R. Ruth Rebecca, Assistant Professor of Economics, and Dr. Anbu Selvi, Assistant Professor of Business Administration (SF), presented a research paper titled "Contemporary Economic Implications of Beggar-Thy-Neighbour Policy" at *Ecofluence 3.0: Conference on Economic and Public Policy for India in the Digital Century* organized by Indus Business Academy (IBA) in association with the Indian Economic Association (IEA), Association of Indian Management Schools (AIMS), and supported by AMDISA, on 20.02.2026 and 21.02.2026.
9. Dr. Anbu Selvi, Assistant Professor of Business Administration (SF), and Mrs. R. Ruth Rebecca, Assistant Professor of Economics, presented a research paper titled "The Triple Role Individual – A Strategic Framework for Re-Aligned Economic Reforms in India" at *Ecofluence 3.0: Conference on Economic and Public Policy for India in the Digital Century* organized by Indus Business Academy (IBA) in association with the Indian Economic Association (IEA), Association of Indian Management Schools (AIMS), and supported by AMDISA, on 20.02.2026 and 21.02.2026.

Department of Physics

1. Dr. C. Esther Elizabeth Grace, Assistant Professor (SF), presented a research paper titled "Nutrient-Driven Pigment Modulation in Pseudomuriella sp. Analyzed by FTIR and Raman Spectroscopy for Bio-Solar Cell Applications" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological

Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025. . The paper received the Best Paper Award.

2. Ms. S. Susanna Victoria Backiyaleela (MKU24FFOS11389), presented a research paper titled "Predicting Catalytic Sites for Efficient HER Activity on Nitrogen/Boron-Doped Graphene: A First-Principles Study" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025. The paper received the Best Paper Award.
3. Ms. S. Kavetha, Assistant Professor (SF), presented a poster titled "A Study of Physisorption of ZrS_2 for Hydrogen Storage Application" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025.
4. Ms. K. M. Mithra (24RSPHYF01) presented a paper titled "Vanadium Doped MoS_2 for Supercapacitor Applications: A DFT Study" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025.
5. Dr. E. Bobby, Assistant Professor (SF) and Ms. Rohini, Part-Time Lawyer (SF) presented a research paper titled "Fiduciary Duties in the Age of Climate Risk - Re-Shaping Director's Legal Obligations for Sustainable Corporate Governance" at the International Conference on FOS2026-GRIE organized by Thigarajar School of Management, Madurai on 24.01.2026.
6. Ms. Praisy R. (25PGCE22) and Ms. F. Shereen Bhakya (25PGCE28) presented a research paper titled "A Study on Human Technology Collaboration and Its Impact on the Industry 5.0 Workforce" at the One-Day National Conference on *Industry 5.0 Workforce in the Digital Era* organized by the PG and Research Department of Commerce on 18.02.2026.

Department of Chemistry

1. Ms. M. Harishmaa (24PCH02), Ms. K.B. Roshini (24PCH13) and Dr. P. Silviya Reeta, Assistant Professor, presented a research paper titled "A pH-Responsive Tetra Carboxy Porphyrin As A Dual-Mode Colourimetric And Fluorescent Sensor For Mercury (II) Ions" at the International Conference on Chemistry Innovation: Current Developments, Challenges and Future Perspectives organised by St. Joseph's college, Trichy, Bishop Heber College, Trichy and Christ College, Thrissur, Kerala on 15.09.2025 and 16.09.2025.

2. M. Nasrin Sahana (24PCHE06) presented a paper "Gallic acid assisted reduced graphene oxide/silver nanoparticles Nanocomposite for heavy metal sensing and antibacterial application" at the CSIR-sponsored International Academia Industry Innovation Conclave, jointly organized by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from November 27-29, 2025.
3. Ms. T. Pandiselvi (F10273) presented a poster titled "Vegetable Waste–Derived Biochar/WS_2 Hybrid Nanosheets as Efficient Supercapacitor Electrodes" at the National Conference on *Next Generation Materials and Devices (NGMD–2026)* held at the Department of Physics, The Gandhigram Rural Institute (Deemed to be University), Gandhigram, on 16.02.2026 and 17.02.2026, and received the Best Poster Award.

Department of Zoology

1. Ms. A. Priyavarshini (25PGZ011), Ms. J. Jessica Angeline (25PGZ008) and Dr. A. P. A. Rani, Associate Professor, presented a research paper titled "Antibacterial Activity of Isolated Sword-Tip Squid *Uroteuthis edulis* Pigment" at the International Conference on Advances in Life Sciences (ICALS 2025), organised by the P.G. & Research Department of Zoology, The American College, Madurai, held from 29.09.2025 to 30.09.2025.
2. Ms. C. Irene Kezia Lois (MKU25FFOS11789) and Dr. Priyatharsini Rajendran, Head and Associate Professor, presented a research paper titled "Green Synthesis and Characterization of Bullatacin-Loaded Zinc Oxide Nanoparticles from *Annona squamosa* Seeds for Prospective Anticancer Applications" at the International Conference on Advances in Life Sciences (ICALS 2025), organised by the P.G. & Research Department of Zoology, The American College, Madurai, held from 29.09.2025 to 30.09.2025.
3. Dr. R. Beulah Jeyashree, Principal and Secretary, Head and Associate Professor of English and Dr. A. S. Priscilla, Dean of Academic Affairs (Sciences) and Associate Professor of Zoology, presented a research paper titled "Advancing Service Learning for Sustainable Impact on Campus–Community Partnerships" at the 10th Asia Pacific Regional Conference on Service-Learning, held at Ateneo de Davao University, Philippines, from 06.10.2025 to 11.10.2025.
4. Dr. Marie Serena McConnell presented a paper titled " Acute and Sublethal Toxicity of Mixed Microplastics from Toothpaste on Daphnia magna: Biochemical Responses and Reproductive Impairment" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly

organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025

5. Ms. Abitha R (24RSZOOP01) presented a paper titled "Antidiabetic Activity of Polyherbal Formulations in Diabetic Mice Model" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025
6. Ms. Prekshitha Gayathri P (25PGZ010) presented a poster titled " Harnessing Animal- Derived Biopolymers for a Greener Future: Perspective on Energy, Environmental and Biomedical Frontiers" at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025.
7. Ms. Sharmila S. (21ZOO018) and Mrs. Nikita Thekkumkattil George presented a poster titled *"Evaluation of In Vivo Toxicity of Aspartame Using Zebrafish (Danio rerio) Embryos"* at the National Conference on *Biotechnological Innovations for Vitalization* organized by the Department of Biotechnology, St. Joseph's College, Trichy, on 07.01.2026.
8. Ms. Devadharshini S. (25PGZOO004) and Mrs. Nikita Thekkumkattil George presented a research paper titled *"Implementation of Vermicomposting Practices in Velichanatham Village"* at the National Conference on *Biotechnological Innovations for Vitalization* organized by the Department of Biotechnology, St. Joseph's College, Trichy, on 07.01.2026.
9. Ms. Jessica Angelin J. (25PGZ008), Ms. Ragalatha P. (25PZ012), Ms. Varsha R. (25PZO014), Ms. Murugeshwari V. (The American College, Madurai), and Mrs. Amalarani S. presented a research paper titled *"Sustainable Management of Leaf Litter through Vermicomposting: A Green Initiative at Lady Doak College"* at the National Conference on *Biotechnological Innovations for Vitalization* organized by the Department of Biotechnology, St. Joseph's College, Trichy, on 07.01.2026.
10. Ms. Harini Kubendran B. (23RSZOOF02) and Dr. Priyatharsini Rajendran presented a research paper titled *"A Study on Moth Diversity in Reserve Forest of Sirumalai Hills, Eastern Ghats, Dindigul District"* at the 5th Annual Research Conference organized by the Advance Institute for Wildlife Conservation, Chennai, on 05.02.2026 and 06.02.2026.
11. Ms. Ganeswari C. (22RSZOOF01) and Dr. Priyatharsini Rajendran presented a research paper titled *"Environmental Parameters Influencing Odonate Diversity in Lowland Wetlands of Madurai District, South India"* at the National Conference on *Recent Trends in Biological Sciences* organized by the

Department of Biotechnology, The Madura College (Autonomous), Madurai, Tamil Nadu, on 13.02.2026.

12. Ms. Irene Keziah Lois C. (24RSZOOF03) and Dr. Priyatharsini Rajendran presented a research paper titled "*Integrated In Vitro and In Silico Evaluation of Bullatacin-Loaded Zinc Oxide Nanoparticles as a Potential Anticancer Agent*" at the National Conference on *Recent Trends in Biological Sciences* organized by the Department of Biotechnology, The Madura College (Autonomous), Madurai, Tamil Nadu, on 13.02.2026.
13. Ms. Harini Kubendran B. (23RSZOOF02) and Dr, Priyatharsini Rajendran presented a research paper titled "*Moth Diversity in Coffee Plantation of Sirumalai Hills: Influence of Seasonality and Agro-Ecosystem*" at the National Conference on *Recent Trends in Biological Sciences* organized by the Department of Biotechnology, The Madura College (Autonomous), Madurai, Tamil Nadu, on 13.02.2026.
14. Ms. Sherine Vasantharaj (22RSZOOF02) and Dr. Priyatharsini Rajendran presented a research paper titled "*Characterization of Algae-Driven Nanoparticles: A Comparative Study*" at the National Conference on *Recent Trends in Biological Sciences* organized by the Department of Biotechnology, The Madura College (Autonomous), Madurai, Tamil Nadu, on 13.02.2026, and secured the Third Prize.

Department of Biotechnology:

1. S. Aswinee(24PBTE02) presented a poster "Neuroprotective Effects of Phytometabolites in an Alzheimer's-Induced *Zebrafish* Embryo Model", at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025.
2. S. Suriya Dharshini(24PBTE13) presented a paper titled "A Comparative Study on the Neuroprotective Effects of Hesperidin and Resveratrol in Alzheimer's-Induced *Zebrafish*", at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025.
3. Sri Uthra G (24PBTE12) presented a poster titled "Apoptotic Pathway Modulation by *Semecarpus anacardium* and *Justicia adhatoda* Extracts: A Review on Their Potential Against Breast and Prostate Cancers", at the CSIR-sponsored International Academia-Industry-Innovation Conclave, jointly organised by the Departments of Physical, Chemical

and Biological Sciences, Lady Doak College, Madurai from 27.11.2025 to 29.11.2025.

Department of Computer Science

1. Ms. V. Geetha, Assistant Professor (SF), presented a research paper titled "Investigate Social Structures using Twitter Data" at the International Conference on Fuzzy Intelligence Modelling Optimization and Applications, organised by the Department of Mathematics, Chikkanna Government Arts College, Tiruppur, Tamil Nadu, on 13.10.2025.
2. Ms. V. Geetha, Assistant Professor (SF), presented a research paper titled "Descriptive Statistical Approach of Sentiment Analysis in the Community of Women Weavers Using Real-Time Data" at the *National Conference on Navigating India's Ageing Population: A Roadmap for Viksit Bharat 2047*, organised by the Department of Applied Research, The Gandhigram Rural Institute (Deemed to be University), Gandhigram, Dindigul, on 15.10.2025.
3. Ms. B. Mamta (24BBAE060) and Ms. Kajal J. Mehta, Associate Professor (SF), Department of Business Administration, presented a research paper titled "Investigating the Awareness and Intention to Purchase Eco-Friendly Products among NSS Cadets in Tamil Nadu" at the Two-Day International Conference on "Green Capitalism Remained: Evolving Ecosystems of Commerce and Sustainability (ICGCREECS)", held at Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women (Autonomous), Chennai, on 07.01.2026 and 08.01.2026.
4. Ms. M. Manju (24PDHE26) and Ms. Kajal J. Mehta, Associate Professor (SF), Department of Business Administration, presented a research paper titled "Investigating the Causes of Rework in Garment Manufacturing: An Examination among Shop-Level Employees" at the Two-Day International Conference on "Green Capitalism Remained: Evolving Ecosystems of Commerce and Sustainability (ICGCREECS)", held at Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women (Autonomous), Chennai, on 07.01.2026 and 08.01.2026.
5. Ms. Manisha M. (24PDHE25) and Ms. Kajal J. Mehta, Department of Business Administration, presented a research paper titled "Threads of Loyalty: A Study on the Dimensions of Organizational Commitment in Madurai's Garment Industry" at the International Conference on "Redefining Business & Society: Multidisciplinary Perspective on Sustainable Growth", held at Madha Arts and Science College, Chennai on 20.02.2026.
6. Mrs. R. Ruth Rebecca, Assistant Professor of Economics, and Dr. Anbu Selvi, Assistant Professor of Business Administration (SF), presented a research paper titled "Contemporary Economic Implications of Beggar-Thy-Neighbour Policy" at *Ecofluence 3.0: Conference on Economic and Public Policy for India in the Digital Century* organized by Indus Business Academy (IBA) in association with the Indian Economic Association (IEA), Association of Indian Management Schools (AIMS), and supported by AMDISA, on 20.02.2026 and 21.02.2026.

7. Dr. Anbu Selvi, Assistant Professor of Business Administration (SF), and Mrs. R. Ruth Rebecca, Assistant Professor of Economics, presented a research paper titled "The Triple Role Individual – A Strategic Framework for Re-Aligned Economic Reforms in India" at *Ecofluence 3.0: Conference on Economic and Public Policy for India in the Digital Century* organized by Indus Business Academy (IBA) in association with the Indian Economic Association (IEA), Association of Indian Management Schools (AIMS), and supported by AMDISA, on 20.02.2026 and 21.02.2026.

Department of Biotechnology

1. Ms. Divya Dharshini (24PBTE17) and Ms. Yogalakshmi (24PBTE15) presented a poster titled "Bacterial Cellulose: From Microbial Synthesis to Biomedical Applications" at the National Conference on *Biotechnological Innovations for Vitalization (BIO VISION 2026)* organized by the Department of Biotechnology, School of Biological Sciences, St. Joseph's College, Tiruchirappalli, on 07.01.2026.
2. Ms. Jacintha (23BTYE014) presented a research paper titled "Quantum Tunneling Contribution to Alcohol Dehydrogenase Catalysis and Implications for Energy Efficient Industrial Biocatalysis" at the National Conference on *Biotechnological Innovations for Vitalization (BIO VISION 2026)* organized by the Department of Biotechnology, School of Biological Sciences, St. Joseph's College, Tiruchirappalli, on 07.01.2026.
3. Ms. Jasmin Izzath A. (23PBTE03) presented a research paper titled "Recycling the Organic Waste into Value Added Products for Sustainable Environment" at the National Conference on *Biotechnological Innovations for Vitalization (BIO VISION 2026)* organized by the Department of Biotechnology, School of Biological Sciences, St. Joseph's College, Tiruchirappalli, on 07.01.2026.

Department of Fashion Designing

1. Ms. A. Santhiya, Assistant Professor (SF), presented a research paper titled "Closing the Loop: Circular Economy and Emerging Innovations for Sustainable Fashion" at the 3-Day Online International Symposium on "Niche Areas of Sustainable Development," organised by the Department of Engineering Sciences and Humanities of Pune Vidyarthi Griha's COET & M, Pune, in association with IEEE Pune Section, IEEE PES Pune Section, IEEE IAS Pune Section, Centre for Sustainable Development, Kirloskar Vasundhara, and Energy Swaraj Foundation, held from 03.11.2025 to 05.11.2025.
2. Dr. G. Sofia, Associate Professor of Computer Science (SF), and Fg. Offr. S. G. Sagara, Assistant Professor of Fashion Designing, presented a research paper

titled *"Optimization of Demand Forecasting in Sustainable Fashion Using Machine Learning Techniques for the Reduction of Clothing Waste"* at the ANRF Sponsored International Conference on *Next-Gen Smart & Green Sustainable Textiles: Opportunities and Challenges (ICNGSGSTOC-26)* (Hybrid Mode) organized by the Department of Fashion Technology and Costume Designing, Bon Secours College for Women, Thanjavur, on 20.02.2026 and 21.02.2026.

Department of Physical Education

1. Dr. T. Shantha Meena (Aided) and Dr. M. Hemalatha (SF), Directors of Physical Education, presented a research paper titled "Sports for Peace: An empirical analysis of resilience among women players at Lady Doak College" at the International Conference on Sports for Peace at Yonsei University, Seoul, on 15.11.2025 and 16.11.2025

Centre for Women's Studies

1. Ms. Sri Bharathi, Research Assistant, Centre for Women's Studies, presented a research paper titled "The Intersection of Ageing and Gender: A Qualitative Analysis of Elderly Women's Vulnerabilities" at the National Conference on Navigating India's Ageing Population: A Roadmap for Viksit Bharat 2047, organised by the Department of Applied Research, The Gandhigram Rural Institute, in collaboration with the Department of Social Sciences, Lady Doak College, and the Heritage Foundation, Hyderabad, on 15.10.2025.
2. Ms. A. Sheela, Research Assistant, Centre for Women's Studies, presented a research paper titled "மத்திய மற்றும் மாநில அரசின் முதியோர் நலத்திட்டங்கள்: அவற்றின் செயல்பாடு மற்றும் சமூகப் பயன்கள்" at the National Conference on Navigating India's Ageing Population: A Roadmap for Viksit Bharat 2047, organised by the Department of Applied Research, The Gandhigram Rural Institute, in collaboration with the Department of Social Sciences, Lady Doak College, and the Heritage Foundation, Hyderabad, on 15.10.2025.
3. Ms. A. Sheela, Research Assistant, presented a research paper titled "The Role of Community Integration and Empowerment in Bringing Change in Community Mental Health" at the International Conference on *Empowering Communities through Holistic Initiatives: Synergising SDGs, Mental Health and Social Work* (Hybrid Mode) organized by the Department of Social Work, Bharathidasan University, Tiruchirappalli and the Department of Applied Research, The Gandhigram Rural

Institute (Deemed to be University), Gandhigram, Dindigul, on 05.01.2026.

4. 1. **On the Spot Study:** The II UG NME students of Lady Doak College, Madurai, participated in an On-the-Spot Study (**OSS**) on 19th August 2025 as part of their Environmental Elective Courses – ENV3221NI (7) and CHE3221NI. A total of 73 students, accompanied by Dr. V. Sridevi and Dr. P. Silviya Reeta, visited RASI Organic Farms, Vadipatti.

The **objective** of the study was to provide students with practical exposure to organic farming practices. During the visit, the students observed and learned about:

- The different varieties of organic manures are prepared at the farm.
- The various stages in the process of organic manure preparation.
- The importance of organic farming is promoting soil health, crop productivity, and eco-friendly agriculture.

The session helped the students to connect theoretical concepts learned in the classroom with real-life applications, thereby deepening their understanding of environmental sustainability. The practical exposure at RASI Organic Farms also highlighted the significance of adopting eco-conscious methods in agriculture for a healthier future.

The visit proved to be an enriching and educational experience for the students, instilling in them a sense of responsibility towards sustainable environmental practices.

Community Engagement Activity: An outreach activity in Appar School, Madurai was organised in collaboration with FSSAI and Tamil Nadu Citizen Consumer Protection Centre.

The Department of Chemistry, Lady Doak College, Madurai, in collaboration with Voice Trust, Madurai, and Appar Higher Secondary School, Karuppayurani, commemorated World Food Day and National Food Day

together on 23.10.2025 as Food Day Celebrations as an initiative under the LiFE Frontier Engagement course (CHE0301LM, Food Analysis).

Beneficiaries:

35 students from III B.Sc. Chemistry & 1200 school students

Highlights:

A special address for the day was delivered by Dr. R. Karnan, State President, Tamil Nādu Citizen Consumer Protection Centre, and Mr. S. Chandramohan, Food Safety Officer (FSO), Madurai East Block, Madurai, on the topic Consumer Awareness Towards Food Safety and Standards. This was followed by an elaborate Food Day exhibition, which was inaugurated by Dr. R. Karnan, State President.

Outcome:

The exhibition highlighted concepts such as the nutritive value of food products, food additives, food adulteration, and food pesticides through simple demonstrations and chemical tests using food products consumed in day-to-day life, creating widespread awareness among the visitors. Nearly 1200 school students benefited from the programme.

Outreach Programme in Chemistry for Appar Higher Secondary School Students (28.01.2026)

HIGHLIGHTS

- The Department of Chemistry organised an Outreach Programme on 28.01.2026 for Higher Secondary School students.
- The programme aimed to create awareness and foster interest in Chemistry among school students.
- Demonstrations of laboratory experiments prescribed in the Higher Secondary Chemistry syllabus were conducted.
- The demonstrations enabled students to understand the fundamental principles underlying various chemical reactions.
- The interactive session kindled curiosity and encouraged scientific thinking among the participants.

OUTCOME

- Students gained practical exposure to laboratory techniques and analytical methods.
- The programme strengthened their conceptual understanding of chemical reactions.
- The session received positive feedback from both students and teachers.
- The outreach programme was successful in inspiring interest and enthusiasm for Chemistry.

BENEFICIARIES

60 higher Secondary School Students

3. Extension Activity:

The Department of Chemistry organised an Outreach Programme on 28.01.2026 for Higher Secondary School students (60) . The programme aimed to create awareness and foster interest in Chemistry among school students. Students gained practical exposure to laboratory techniques and analytical methods. The session received positive feedback from both students and teachers. The outreach programme was successful in inspiring interest and enthusiasm for Chemistry.

Department of Economics

The Department of Economics organized a Guest Lecture on *"Digital Disruption in Banking: Implications for Monetary Policy"* on 29th August 2025.

Rural Camp:

A three-day rural camp (PEC4121EX – Rural Camp) was organised from 18th to 20th September 2025 for the II PG students at Kulamangalam Village, accompanied by Dr. K. Suganya and Mrs. Poongodi P. Fifteen students participated and engaged in community interactions, household surveys, and an awareness campaign to understand rural livelihoods. The camp provided practical exposure to socio-economic conditions and enabled students to link their field observations with the Sustainable Development Goals, particularly SDG 8 and SDG 11. This experiential learning activity strengthened their analytical skills, promoted social responsibility, and fulfilled the programme's extension and field-based learning requirements.

Transit Walk:

One day Transit Walk (ECO0301LM - ECONOMICS IN COMMUNITY WELFARE) was organised on 19th September 2025 for III EM & TM students at Kulamangalam Village, accompanied by 11 faculty members. The students participated and engaged in community interactions to understand rural livelihoods.

Library Visit:

A three-day library visits from 12.11.2025 to 14.12.2025 was organized for the II PG (15 students) accompanied by one faculty member. The academic exposure included visits to the libraries of **IIT Madras**, **Madras Institute of Development Studies (MIDS), Chennai**, **University of Madras**, **Anna Centenary Library**, and **Connemara Public Library**, Chennai. The visit was conducted as part of the **Research Methodology** course to enhance students' understanding of advanced academic and research resources.

During the visit, students had the opportunity to explore a wide range of **printed and electronic information sources**, understand **library operations**, and familiarize themselves with the **research facilities** available at each institution. They interacted with library professionals, observed different collection

management practices, and learned about access to digital databases, institutional repositories, e-journals, and reference services.

Overall, the visit provided significant exposure to diverse academic library environments and enriched the students' research skills by enabling them to engage directly with high-quality scholarly resources.

Industrial Visit

As part of the Outreach Activities, a one-day industrial visit was organized to Idyam Company, Villupudhuri, on September 26, 2025, for 38 students of I and II M.A., accompanied by two faculty members, resulting in enhanced practical understanding of industrial operations and improved awareness of real-world work environments.

- Industrial Visit to Bangalore and Mysore for the III UG and II PG Economics students from 29th to 31st January 2026
- On-the-Spot Study visit to Vaighai Agro Products Limited, 350 Part, Nagari–Vadipatti, Madurai, for our II UG, I & II PG students as part of the course Industrial Economics and Indian Economic Development and Policy, on 2nd & 10nd February 2026

Department of Physics

The Department of Physics organized the Inter School Physics Meet'25 for Higher Secondary School students on 30.08.2025. The event turned out to be a great success with active participation from 103 students across 11 schools in events such as Quiz, Rangoli, and Ad Act competitions. This was followed by a laboratory visit, where students were given demonstrations of various experiments.

Science Exhibition '25: Code Connect Create: The Future of Technology

MADURAI

The Jupito Club of the Department of Computer Science, Lady Doak College, Madurai, hosted a dynamic Science Exhibition '25 on 1st December 2025, themed "Code Connect Create: The Future of Technology." The event welcomed students from various schools and captivated them with interactive, hands-on demonstrations that highlighted emerging innovations in science and technology.

The inaugural ceremony of the science exhibition began with a prayer led by the college chaplain Dr. C. Jessie Ranjitha Jebaselvi at 10:00 AM. The event was inaugurated by Dr. R. Beulah Jeyashree, Principal and Secretary. It was held under the guidance of Dr. N. Jayachandra, Head and Associate Professor, Department of Computer Science, and Dr. T. R. SivaPriya, Coordinator of B.Sc. Information Technology and Associate Professor, Department of Computer Science. The exhibition was organized by Jupito Club Co-ordinators Dr. J. Mellia Rosalind and Dr. P. Sudhasini, Assistant Professors, Department of Computer Science. the programme brought together 200 school students from six institutions: CEOA Matric. Hr. Sec. School, Sairam Vidhyalaya Matric. Hr. Sec. School, NOYES Matric. Hr. Sec. School, Le Chatelier Matric. Hr. Sec. School, Little Diamonds Matric. School, and Seventh Day Adventist North Matric. Hr. Sec. School.

A total of 357 participants showcased 35 innovative models, including IoT and software-based projects such as an Intelligent Human Follower Robot, Automatic Water Dispenser System, Women Safety Device with GPS, Edu-Games, Home Automation, and an AI Career Predictor. The exhibits were enthusiastically received, with school students and teachers praising the creativity, relevance, and clarity of the presentations. Each project was thoughtfully aligned with Sustainable Development Goal 9: Industry, Innovation and Infrastructure, emphasizing innovation and sustainable practices. Over 200 visitors, predominantly school students, actively engaged with the exhibits, posed insightful questions, and participated in meaningful discussions with the presenters.

The visit greatly enriched their learning experience, sparking a heightened interest, curiosity, and deeper understanding of technology.

In the evening, Lady Doak College students from various departments visited the stalls, facilitating a professional exchange of ideas and peer review that further validated and refined the participants' work. For the college student exhibitors, the event provided valuable experiential learning, strengthening their technical competencies, presentation skills, and ability to communicate complex concepts to diverse audiences.

The exhibition concluded successfully, fostering scientific temper, innovation, and curiosity among young minds while highlighting the vital role of technology in addressing contemporary societal needs.

Lady Doak College Marks World Disability Day with Youth-Focused Sessions

MADURAI

On December 03, 2025, the World Disability Day observance was held at J.X. Miller Hall, Lady Doak College, under the theme "Role of Youth in Advancing Social Inclusion of Persons with Disability." The event comprised two insightful sessions aimed at empowering students to understand, support, and include persons with disabilities. It was organised by Negizhchi – MSW Students' Forum and the Department of Social Sciences, in collaboration with Part V NSS Units 48, 49 & 50 for the forenoon session (10:00 AM – 12:00 PM), and Part V NSS Units 45, 46 & 47 for the afternoon session (2:00 PM – 4:00 PM).

The forenoon session featured Ms. Amudha Shanthi, who shared her journey of overcoming disability and founding Thiyagam Trust to empower women with disabilities. She encouraged students to interact with persons with disabilities, understand their daily challenges, and spread awareness about assistive tools. Ms.Ritama David further highlighted the needs and abilities of otherwise-abled individuals, shared stories of special needs students, and emphasised respectful language and inclusivity.

The afternoon session was led by Dr. Jeyapal Kirubakaran, who explained intellectual disability, its causes, identification signs, and therapeutic needs. He stressed the emotional struggles faced by families and the importance of youth fostering acceptance. Performances by Bethshan School students, a thematic video, and the documentary Amidham offered meaningful insights into the lives and strengths of children with special needs.

Overall, the sessions collectively deepened students' understanding of disability inclusion and strengthened their commitment to fostering an equitable and supportive environment, underscoring the essential role of youth in upholding the rights and dignity of persons with disabilities.

Mythology used as a tool to distort history: Veeramani

A specific group has been working deliberately to suppress Dravidian history through massive fabrications and falsehoods to promote Aryan civilisation, says Dravidar Kazhagam leader

The Hindu Bureau
MADURAI

Rational view: Dravidar Kazhagam president K. Veeramani addressing the State conference on 'Redeeming India's history from distortions,' held at Lady Doak College in Madurai on Wednesday. G. MOORTHY

"India is facing a significant threat from systematic distortion of history through mythological narratives," said K. Veeramani, president of the Dravidar Kazhagam.

Addressing a State-level conference, titled 'Redeeming India's history from distortions', at Lady Doak College here on Wednesday, he said while science was used to disprove myths, Hindutva organisations and fringe elements were attempting to use scientific language to defend them.

He said mythologies should never be treated as philosophies and argued that there was an active attempt to marginalise Dravidian civilisation while promoting Aryan civilisation.

"There is a strategic intent to rewrite history to claim that Aryan civilisation was the first to emerge globally," he noted.

According to Mr. Veeramani, a specific group has been working deliberately to suppress Dravidian history through massive fabrications and falsehoods.

Stating that Sanskrit was not an independent language, he said the term 'Sanskrit' itself meant 'refined' or 'well-cooked.' Scholars had identified many Dravidian words in Sanskrit. He alleged that there was a calculated effort to rename the Indus Valley Civilisation as the 'Saraswati Civilisation.' By these attempts to create a new narrative under the guise of research, history was being reshaped to fit specific views, often involving slanderous campaigns against minorities.

Recalling the teachings of Periyar, he urged the public to rely on their own rationality rather than believing things blindly. Women today had made strides in various fields because the chains of female servitude were broken, whereas they were previously subjected to discrimination like being barred from sitting on chairs or using umbrellas, he added.

"The principles of Self-Respect Movement are rooted in humanism, asserting that no human being is superior or inferior to another," he emphasised.

K. Amarnath Ramakrishna, Director of National Mission on Monuments and Antiquities, said colonial influence taught Indians how to record history. Earlier, epics like the Ramayana and the Mahabharata were often mistaken for actual history. He explained that due to a lack of documentation, it was long believed that Tamil history began only around 300 B.C. during the Sangam period.

However, he said, Keezhadi excavations had proven that Tamil history dated back several centuries earlier. "The full report of these findings is being suppressed because it contradicts the preferred narrative of those who oppose Dravidian culture," he added. Even a primary study provided enough material for researchers to solidify the history of the Tamils, he said.

Referring to a genetic study conducted in Usilampatti, he said Madurai had identified an individual with a 60,000-year-old genetic makeup, and the finding further supported the Keeladi discoveries.

3812ம் ஆண்டுக்கு போனேன்...

டைட்ரானல் என்ற விஷயத்தைப் பற்றி நீ எப்படி கேள்விப்பட்டாய்? ஆனால் நிறுத்தில் அந்த விஷயம் இன்னும் சாத்தியப்படவில்லை. இதுதொடர்பாக விஞ்ஞானிகள் தொடர்ந்து ஆய்வுகள் மேற்கொண்டு வருகின்றனர். இந்நிலையில் சர்வதேச ஊடகங்கள் சிலவற்றில் ஊடகம் ரோவன் செய்து மேரி என்ற பெண்ணின் பேட்டியாளர் செய்திகள் பதிப்பிப்பட்டுள்ளன. இதுதவிர ஊடகங்களையும் விட்டு வைக்கவில்லை. மேரி என்ற 17 வயதான பெண் ஒருவர் தான் சென்னார் சிரஞ்சீவி ஊடகம் ரோவன் மூலம் 3812ஆம் ஆண்டிற்கு சென்றதாகவும், அப்போது அங்கு சிலர் முழுவதாக ஆக்கிரமித்துவிட்டதாகவும் கூறியுள்ளார். அங்கு பாலைவனம் போன்று காட்சியளித்தது. நிறைய கட்டிடங்களும் இருந்தன. அவற்றை ஒரு போட்டோ எடுத்துக் கொண்டேன். செல்வாய் கிரகம் மிகவும் கதிரியக்கமாக இருந்தது. அதோசமாய பயமாகவும் காணப்பட்டது. அந்த கிரகத்தில் இருக்கும் தாதுக்களை எடுக்க உலகநாடுகளுடன் சீனா ஒப்பந்தம் போட்டுள்ளது. இதனால் அங்கிருந்து 70 சதவீத அளவிற்கு விலை மதிப்பற்ற உலோகங்கள் பலவற்றை பூமிக்கு கொண்டு வருவர். செல்வாய் கிரகத்தில் சீனர்கள் மட்டும் வசித்து வருகின்றனர். மற்றவர்கள் கற்றுலா பயணிகள் போல சென்று வருவதை பார்க்க முடிந்தது என்றெல்லாம் வரிசையாக பேசியிருக்கிறார். இந்த விஷயம் உண்மை இல்லை என்பது தான் பலரது நம்பிக்கை கருத்தாக உள்ளது.

அசாம் காங். தலைவரைத் தொடர்ந்து பாஜகவில் இணைகிறார் மாணிக்தாகூர்?

போவதற்குமுன் திமுக கூட்டணியை உடைக்க தீவிரம்

சென்னை, பிப்.17

காங்கிரஸ் கட்சியை சார்ந்த மாணிக்கம் தாகர் கூட்டணி பற்றி தெரிவித்து வரும் கருத்துக்கள் சமாளபடியாகி வருகிறது. திமுக, காங்கிரஸ் கூட்டணி நன்றாக உள்ளது வரும்தேர்தலை இணைந்து எதிர்கொள்ளும் என முதலமைச்சர் மு.க.ஸ்டாலின் பேசிய பிறகும், தொடர்ந்து கூட்டணிக்கும் குழப்பம் ஏற்படுத்தும் வகையில் மாணிக்கம் தாகர் பேசி வருவதாக கூறப்படுகிறது. இந்நிலையில் அவருடைய இந்த பேச்சுக்கு காங்கிரஸ் மாநில தலைவர் செல்வபெருந்தகை, கடுமையான கண்டனம் தெரிவித்துள்ளார்.

மதுரையில் நேற்றைய தினம் காங்கிரஸ் சார்பாக கூட்டம் கூட்டப்பட்டு தீர்மானம் நிறை வேற்றப்பட்டது.

இந்நிலையில் நேற்றைய தினம் இன்று காங்கிரஸ் மாநில தலைவர் செல்வபெருந்தகை செய்தியாளர்களிடம் பேசிய போது, இப்படி ஒரு கூட்டம் நடந்ததே தனக்கு தெரியாது என தெரிவித்துள்ளார். எனக்கு அதில் இந்தியாவின் தலைமைப்பண்பை வழிகாட்டுகிறதே, அதன்படி தான் தான் இயங்குகிறேன். சங்கபிம்பட்டது 17 ஆம் தேதி மாபும் மொழிலில் கட்டண பற்றி பேசக்கூடாது என்று அகில இந்திய காங்கிரஸ் தலைமை வழிகாட்டியுள்ளது.

டெல்லியை ராகுல் காந்தி, மல்லிகார்ஜுன கார்கே, வேணுகோபால் ஆகியோர் கவனித்துவருகின்றனர். அப்போது இவர்களிடம், வேறு பெரிய ஆட்கள் காங்கிரஸ்காரனை எனக்கு தெரியலை. ஜந்து நபர் கொண்ட கமிட்டி தினேஷ் குண்டுராவ் தலைமையில் அமைக்கப்பட்டு இருக்கு. அந்த குழு பேசுவார்த்தைகளில் ஈடுபட்டு வருகிறது. எங்க அகில இந்திய தலைமை எதுவாக இருந்தாலும் பேசும். பொதுவெளியில் யாரும் பேசக்கூடாது என உறுதியாக தெரிவித்திருக்கிறார்.

காங்கிரஸ் தலைமை

தொடர்ந்து செல்வபெருந்தகை பேசுகையில், இல்லையுகாலம் பேசாமல், தேர்தல் சமயத்தில் எதற்காக இதெல்லாம் பேச வேண்டும். பொதுவெளியில் பேசுவதை தவிர்க்க வேண்டும். அனைத்தும் பேச வேண்டியதை வெளியில் பேசினால் என்ன அர்த்தம். எங்களுக்கு என்ன தேவை என்பதை அகில இந்த காங்கிரஸ் தலைமையிடம் சொல்லோம். அவர்களுடைய வழிகாட்டுதலின்படியும், எங்களுடைய பேச்சுபடியும் எங்களுக்கு பேச தெரியும். என்ன வேணாலும் பேசலாம் என்னால் என அர்த்தம்.

பாஜக்கு தாவுகிறாரா?

இதனையடுத்து கூட்டணி தொடர்பாக பிரேமலதா சக்கரவர்த்தி, மாணிக்கம் தாகர் பேசுவதற்கு எதிராக நடவடிக்கை எடுக்கப் படுமா என கேள்வி எழுப்பப் பட்டது. அதற்கு இது விஷயமாக நான் என்ன அழைத்து இருக்கிறார்கள். அதோசன செய்யமுன்னோம். நமதாயகத்துக்கு முராணாக, அதில் இந்த காங்கிரஸ்காக எதிராக யார் நடந்தாலும் தவறுதான்என பதிலளித்துள்ளார். செல்வபெருந்தகை பேசுகையில் செல்வபெருந்தகை பேசியுள்ளது அரசியல் வதந்தியில் பரபரப்பை கிளப்பியுள்ளது.

அசாம் தேர்தல் நடக்கவுள்ள சூழலில் அம்மாநில தலைவர் பூபேந்தராபாதகலில் இணைய உள்ளார். இல்லை நான் போலம், தேர்தல் நேரத்தில் ஏன் போகவேண்டும் என்று செல்வப் பெருந்தகை கூறுகிறார். இதில் குறிப்பாக மாணிக்கம் தாகர் பேசிய சர்ச்சைக்குரிய வெளிச்சமாகிவிட்டது என்பதை புரிந்து கொள்ளலாம். பாஜகவுக்கு போவதற்கான பொலிடோல் இருக்குமளவு திமுக-காங். கூட்டணிகுள் பிளவை ஏற்படுத்திவிட்டால் என்று நினைக்கிறார் போலும்.
