1	Comprehensive Tests	1
2	Psychometric Test (100 qs.)	1

Comprehensive Tests

Comprehensive tests are designed keeping in mind the pattern of the various companies' written tests. They give you sufficient practice and help you assess your time management skills. They also give you a feel of the actual testing environment. The Comprehensive tests are provided on various IT companies patterns such as TCS, Wipro, CTS, Infosys, Tech Mahindra, Accenture, IBM and other Non IT companies.

Psychometric Test

Psychometric test is conducted to find out who is the best person suited for the role in an organization, based on Personality characteristics and Aptitude. In a Psychometric Test, there are no such things as right or wrong answers. The Test is an indication about the mindset of an individual towards certain belief statements. The students are expected to answer the questions spontaneously hence; they will be given very little time to answer the same.

SOFT SKILLS TRAINING PROGRAMME

REPORT

The Department of Commerce arranged an extra course for our betterment of our skills and those classes were offered by T.I.M.E. INSTITUTION. The classes were taken by Mr. SIVAKUMAR and Mr. MADHU SUDHAN. The sessions taken by Mr. SIVAKUMAR were about:

- We had a brief learning on how to professionally introduce ourselves. Then we learnt about how to communicate with others. Thirdly we had an overview on how an interview takes place and how do we need to appear for an interview professionally. Fourthly we were taught about what were the leadership qualities should a person have. We had a debate session on various topics and we as groups involved with enthusiasm. Finally we understood what a group session meant and participated in group discussions on certain topics.

Then we had activity/practical thinking based classes:

- On the first class sir conducted a game in which we were asked to stand in lines and pass the balloons. This game was to give an understanding on how people can handle their tasks and situations at times. Then we had our other sessions on role plays which helped us to improve our speaking skills and as well get through our stage fear. We were given time to speak out our emotions which many of us spoke out our inner thoughts, this helped us to know more about ourselves. And finally we had a class on expressing our meaning of our names in a creative manner. Then the last half an hour was spared for giving our feedback on the overall classes.

On a fine afternoon we had felicitation . A short introduction was given by POORVAJASINGH and continued by a small word sharing by Dr. VANITHA MALARVIZHI P and then we had certificate distribution to students on the completion of the soft skill course. Finally coming to an end students shared some words on how the classes helped them in improving their skills.
