About the programme:

The Centre for Music conducted the Western Musical Theatre Workshop, 'Step in Time' from 23rd August 2023 to 25th August 2023 in which around 50 participants from various departments involved and benefitted. The Western Musical Theatre Workshop was inaugurated on 23rd July 2023 and 9 members from CFM mused the gathering with the prayer song. The valediction was held on August 25th, 2023 which began with the prayer song sung by 13 students from CFM. The workshop successfully ended with two stage performances by the students showcasing their skills learnt in the workshop.

Introduction:

The Centre for Music organized a Musical Workshop to enhance the singing capability of the students. The students were given a platform to explore the new techniques that were taught during this workshop. This workshop also augmented the confidence of each student that was witnessed through their performance.

Objectives:

- To gain some knowledge about musical theatre.
- To exhibit their talents on stage.
- To work on their vocal and acting skills.
- To overcome difficulties that curtail their growth.
- To perform a musical on the final day program.

Resource person(s), Mr. David Devashagayam

Mr. David Devashagayam is an expert in musical theatre. He is an expert in training students in musical theater. Mr. David enabled the students in the art of western music and theatre. Each student was provided with a certificate after their performance.

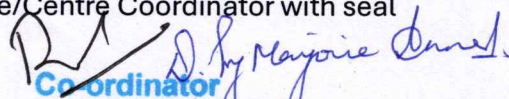

Activities, Outcomes:

The workshop included activities like vocal warmups and introducing musical theatre by making the students perform. Mr. David also divided the students into two groups and gave each group separate musical pieces to perform on the final day. The students then had practice sessions, working on their respective musicals. Improvements and corrections were suggested by Mr. David. Through this, the students were able to improve their vocals and acting skills and developed an overall musical knowledge. On the final day students performed their mastered musical pieces that were provided to them.

Conclusion:

This musical theatre programme was useful for students who were interested in music and provided a space to learn about musical theatres and perform in one of the musicals. This workshop not only helped students to improve their acting skills, but also their music skills.
